## Selections for CHRISTMAS GIFTS

This week's story is soon told, it's a matter of only a few words. Christmas is coming in eighteen days and you must be ready with your gifts for family and friends

This store has been making vast preparations for weeks past, buying the goods, planning where to put them when they arrive, also planning and scheming how to attract your attention to them. We've never been so well prepared at any previous time. We have additional room, a more efficient and larger staff, and a much better assorted lot of Christmas Goods
