Quaranteed Circulation 4,300 Weekmorning by The Watchman-Warder Printing Co., Limited.

One Dollar a Year

Subscribers to The Watchman-Waroffer are reminded that the price of subscription will be raised to one shollar a year after the 1st of January, 1907. Old subscribers who pay up arrears and new subscribers, will, however, have the privilege of staining the paper at the old rate of To cents for either one or two years my paying in advance before the 1st of January.

For Better Water

For this issue of The Watchman-Warder some extracts from the report saf Mr. Robert Spurr Weston, Sani-Mary Expert, of Boston, obtained two years ago, were put in type, but adwertising and other matter incident to the holiday season have crowded ghen out. Water at present obtainwater system is not as reliable in re- Store,-50-2, gard to purity as it should be in order to inspire the citizens to use it der drinking purposes. It is now supposed to be filtered, but Mr. Weston states that there is no evidence to show that more than 10 per cent.. of it is. He points out that although the amounts of organic matter contained in it are not dangerous in themselves they "make one suspicious of the history of the water and fearful for the results of its use should at be contaminated with sewage ac-«cidentally."

by which the water of Scugog River may be purified. First, by aerating the waters to remove odors, followzeg this treatment through slow filmers to remove the vegetable matter and bacteria. Second, by treating the aerated water with soda and sulshate of alumnia, allowing it to coagulate and then filtering the coagulated water through rapid filters. He costing more for the plant ; because at will more perfectly do the work, will be less. It is for the slow filter system that the Water Commissioners are asking the ratepayers to vote \$20,000. The slow filtering system has been adopted in English and other cities, and the evidence of Mr. Wes Ion that such filters do the work suc- FOR THE CHRISTMAS LIST. cessfully is corroborated by others What to give? Oh, what to buy? who have made this matter a study. What their fancies and their fads? The ordinary citizen must depend up- Cheer up, and no longer sigh, on the expert in these matters.

More will be said on the subject in future issues. Meantime as a public smeeting has been called to discuss the subject for Friday night of this week it is the duty of every citizen to attend; and hear what is to be said, or to contribute what he may have to say to the discussions

Close of the McMaster Band Meetings

The McMaster Band Meetings which Published every Thursday November 20 closed last Friday ev-ning by The Watchman-Warder ening, December 7. The tlosing ad-and purchased the store and mercan-Mr. Cameron the leader. They were listened to by a large congregation, upon whom a deep impression was evidently made. Rev. G. R. Welch, pastor of the church, also gave some earnest counsel to the new converts. A number of decisions were made during the meeting, at which Williamson and the quartette sang. The band also held a meeting at the House of Refuge on Friday afternoon. They left for Villa Nova on Saturday morning, and will thence to Galt after Christmas. The work was very successful, and the evangelists impressed those whom they came in contact with favorably. Several persons will be baptized in the Baptist church next Sunday evening as a result of the labors of the evangelists. It is also expected that some additions will be made to House. other churches.

REINFORCED BY CUT PRICES IN FORD'S SELLING OUT SALE

T'S NOT OFTEN you get the opportunity to buy Christmas Gifts at cut prices, especially just when you want them. This is what Our Selling Out Sale offers you now. It's different with us in these temporary quarters, for while other stores must ask good profits, we are forced to sacrifice to get rid of the goods.

Reductions are from ten to fifty per cent and the quality of the merchandise is good. That's the A. B. C. of economy for you. The earlier you come the better.

Deeply Cut Prices in Furs to Make a Speedy Clearance.

If we had room to display these good Furs we would not think of sacrificing at this season o the year. But we must get them onto the wearers now when you want them.

Nothing more acceptable for Christmas Gifts than a good Fur, and if you buy any of these pieces you sure of a decided saving and we guarantee the quality. SEE OURS BEFORE BUYING.
