Great Christmas Sale. Money Saved Here. 'Yes, it's always this way'—she said to her friend from another city. 'You see, people all over have come to believe in J. HOUZER'S advertising. I used to wonder why it was that this store always got the trade, while every real good thing were almost passed by in other stores. The bargains here are real, and you can see for yourself that the regular assortment here are very good, fresher and brighter than one finds anywhere else.'

THE BEST INVESTMENT—A Fortune in Coal. The richest coal regions in British Columbia are owned by the company. They comprise 17,500 acres of coal lands in the Nicola Valley, B.C., and, according to coal experts' reports, this immense area contains an inexhaustible supply of high-grade bituminous coal.

THE PROSPECT. The Crown's Nest Coal Company was organized in British Columbia in the year 1896. It was the only coal stock that had ever been offered to the public at large in the Dominion of Canada up to that time. The stock was put on the market in the spring of 1896, and offered to the people at ten cents a share.

THE SECURITY. Under British Columbia laws, every Coal Company mining for coal and oil in that country must file with the Minister of Finance, a certified copy of their articles of incorporation. If a foreign company, and also of the by-laws; in other words, the company has to register under the laws of British Columbia, before they can transact business within the borders of the Province and produce coal, and their books are subject to inspection every three months by the Government agent, to whom a sworn statement must be made, and a tax of five cents per ton paid to the Government for every ton of coal mined.
