# We Thank You

As we cross the boundary of the new year we wish to thank those who have honored us with their confidence and trade during the year that is past.

We strive to protect and promote the interests of our customers in every way and are gratified to note the generous response this policy brings.

The year 1906 was in every way the most satisfactory we have ever had and we are pleased to express our appreciation of the favors shown us.

We assure our customers that we shall during 1907 make every effort to serve them even better than in the past.

We extend to all sincere wishes for a happy and prosperous New Year.

The Sunday school cantata on the twentieth was a great success. From the snowball scene to the distribution of gifts, everything went off like a charm. The "little brown elves" were most amusing, but the star of the evening was Santa Claus. Although his voice suggested that he came from the land of the heather his costume assured us that he had arrived straight from the pole. children were forgotten, and the Sunday school is to be congratulat-
