Backache, Kidney Pain

Pains in the small of the back. There's no mistaking this sign of

kidney trouble. Other indications are frequent urination, pain or smarting when passing water, deposits in the urine, headache and loss of flesh. Dr. A. W. Chase's Kidney-Liver Pills overcome kidney derangements more promptly and thoroughly than any treatment you can obtain because of their combined and direct action on liver and kidneys.

This letter to prove our claim. Mr. Rob. P. Miller, farmer, St. Marys, Ont., writes :- " I was troubled with severe pains in the abdomen, chills in the back, too frequent urination and general weakness and tired feelings. There were brick dust deposits in my urine as well as \$3.15 per bag. other symptoms of kidney disease. Dr. Chase's Kidney-Liver Pills relieved these symptoms almost mediately, and with the use of Dr. Chase's Nerve Food my health was restored completely." 25 cents a box, at all dealers or
