Weather Changes

Produces conditions which are conducive to the development of coughs and at this time of the year such a trouble is very prevalent. If you are the uuhappy possessor of one, procure a reliable remedy like Cough Not. It is carefully prepared under our direction and is one of the most satisfactory preparations s.ld for the purpose. A trial will demonstrate its virtue.

COUNTY CORRESPONDENCE

COOPER'S FALLS.

Dec. 26 .- We are, and have been having mild weather for this of the year. The children enjoyed our Christmas tree very much, and the grown

up children enjoyed the program. Our school closed on Tuesday, December 22, and the children were delighted with their freedom. Some of the school teachers of the surrounding country started for their homes a few days ago, but we understand that Mr. Love, Lewishman teacher, will remain in the country with us during the Christmas holidays. 'A few of our citizens are rather indisposed after Christmas dinner.
