INSTITUTE MEETING

REV. P. WILSON WILL LECTURE AT SOCIAL.
Valencia, Dec. 4.—Mrs. Matchett, of Lindsay, is visiting her sister, Mrs. Robert Swain.
The Christmas meeting of the Women's Institute was held on Thursday, Dec. 3, at the home of Mrs. Jordan. Each member contributed a Christmas gift, and candy was made by Miss Leona Parkin. The attendance was large and the meeting proved an interesting one. A duet was rendered by Mrs. Wilmot Mark and Mrs. Henry Carpenter. The next meeting will be held at the home of Mrs. Annam Mark, North Valencia.
Our south school has been undergoing some repairs this week, which will add to the comfort of teacher and pupils.
Some time ago a couple of tramps were seen in this neighborhood. It seems as if this part of the country although not near a railroad, has its share of such wanderers.
A hail storm visited our northern school on Tuesday night, broke several panes of glass, and got into the basement.
Messrs. Swain, Suggitt and Hicks spent a day repairing the telephone posts and wires damaged by the recent storm of ice.
Mr. Vic. Suggitt spent Saturday and Sunday at home.
On Friday night an interesting lecture was given in the Methodist church, by Miss Brooks, a returned missionary.
The Christian Endeavor intend having a pie social early in the new year. They have fortunately secured Rev. Mr. Wilson, B.A., of Lindsay, for the evening.
A number of our young people attended the concert in Little Britain on December 3, and report a good time.
Mrs. John Day is very ill at present.
Miss Corniel spent Sunday at her home in Ops.
Captive Balloon Light.
Between seven and eight in the evening, a light the size of a large star appears in the southwest, Lindsay direction. It is said to be an electric light that is being sent up by a captive balloon, from Detroit. It is a fine light and is creating quite an interest.—Bob. Independent.

SURVEYORS AT FRANKLIN

DEATH OF MRS. FLEMING REGRETTED.
Franklin, Nov. 27.—The storm last week did considerable damage around this section of country. The fruit orchards and hardwood bushes suffered badly. The telephone service was interrupted on account of broken wires and poles.
Mrs. J. Bradley, of Omeme and son Harold, visited with Mrs. Jas. Gardiner.
The railway surveyors have again gone over the line which they surveyed last spring. The residents of Franklin are jubilant. They already see themselves in the centre of a flourishing city and have begun speculating on the probable value of their lot or farm in a few years time.
Mrs. Wm. Fallis spent Saturday and Sunday last, at Omeme.
The farmers of this section have been engaged in clover threshing the past week. Their dust-begrimmed features were pleasantly illumined by smiles of contentment. The yield is good.
Grim Death has claimed another victim. Our village has been saddened by the death of Mrs. Thos. Fleming, which occurred last Sunday evening. The deceased had been in the best of health on Friday. On Friday night she was taken seriously ill and although two doctors were in attendance, she did not rally, and passed quietly away after an illness of only forty-eight hours. The remains of the deceased will be interred in Cavan cemetery on Tuesday afternoon.

WEDDING AT BURY'S GREEN
OVER SIXTY GUESTS PRESENT.
BURY'S GREEN.
Bury's Green, Dec. 4.—A number of the farmers from here attended the Farmers' Institute in Fenelon Falls on Friday.
Miss Graham, teacher of Howies', spent the week-end with her parents in Lindsay.
Some of our sports attending the shooting match at Mr. Burleigh's, and succeeded in winning a fair number of ducks.
A very pretty wedding was solemnized at the home of Mr. and Mrs. Wm. Fell on Tuesday, Nov. 30, when their only daughter, Jennie, was united in the holy bonds of matrimony to Mr. Walter Tiers. The bride, who was unattended, was charmingly arrayed in a gown of brown silk, and had lilies-of-the-valley in her hair.
In the presence of about sixty guests the bride entered the drawing-room on the arm of her father, to the strains of Mendelssohn's Wedding March, played by Miss Clara McGee, niece of the groom. Immediately after the ceremony the party proceeded to the dining-room where a sumptuous repast was served. The gifts to the

bride were numerous and expensive, showing in what high esteem she was held by the community. The groom's gift to the bride was a magnificent gold watch and chain. We wish Mr. and Mrs. Tiers a happy and prosperous life in their new home at Fairbairn.

A RECORD YIELD

YIELD OF 33 BUS. OF PEAS TO THE ACRE.
Mr. S. Bagshaw, of Cambray, has just delivered to Hogg & Lytle, at Cambray Station, his crop of Horsford's market garden peas. The total delivery is a trifle over 166 bushels, from 16 bushels of seeds, or 33 bushels per acre. Mr. Bagshaw has successfully grown this variety for many years for this firm, but this year breaks all records.
DEER IN SCHOOL YARD.
An exceedingly lively deer, a large buck, trotted into the Haliburton school yard last Tuesday and created some excitement for a time. It showed little fear and walked around the yard with a lordly air for a time before it went back to its native haunts.
