Uses Only Cuticura Soap for Prize Baby

"I have always used Cuticura Soap and no other for my baby, and he has never had a sore of any kind. He does not even chafe as most babies do. I feel that it is all owing to Cuticura Soap for he is fine and healthy, and when five months old won a prize in a baby contest. It makes my heart ache to go into so many homes and see a sweet faced baby with the whole top of its head a solid mass of scurf, caused by the use of poor soap. I always recommend Cuticura, and nine times out of ten the next time I see the mother she says 'Oh I am so glad you told me of Cuticura.'" (Signed) Mrs. G. A. Selby, Redondo Beach, Calif.

Although Cuticura Soap is sold by druggists and dealers everywhere, a postal to "Cuticura," Dept. 3M, Boston, U.S.A., will secure a liberal sample, with 25-c. book on the care of skin, scalp and hair.

REVIEW OF THE POTTERY CORNER CROSSING DEALINGS.

(To the Editor of The Daily Watchman)

Dear Sir—In your issue of Nov. 21st, you had an article on the Pottery Corner crossing that unwisely, unskillfully and incorrectly attempted to credit Mr. Best's "executive ability" with the results of the efforts of several Ops councils, dozens of other Ops residents, and also of the able efforts of the Hon. Senator McHugh.

Your article speaks of Mr. Best "forcing" letters to be written to the "C.P.R. Board of Commissioners." To anyone who knows Mr. Best, it is quite evident your correspondent cannot have gotten his information from him, for Mr. Best is not, at this late date, unaware of what the Board of Railway Commissioners really is. Let me advise your correspondent to look it up, and he will find that the C.P.R. has no connection whatever with the Board, except when they come before them to plead their case as any other plaintiff or defendant does. Then, too, Mr. Best would, I am sure, repudiate the use of the word "forced." It is absurd. One man can't "force" anything through council. And, besides, there has been nothing but harmony and unanimous decisions in Ops council during the year, and our members are above trying to make capital out of each other by any such childish advertising.

All our correspondence and the records of our business as a council are on file in the clerk's office, for any interested ratepayer to read, when he wishes, and we don't, as individual members, make a practice of publishing our particular parts in any of the transactions. But, as Board consented, and when notice of the coming of the Assistant Chief Commissioner, Mr. Scott, was received, the clerk secured the Hon. Senator McHugh—who was personal acquaintance with Mr. Scott—to meet and accompany him on his visit of inspection to the council. There also present in a body, as were a number of other interested Ops residents, so that the township's case was already pleaded, especially by the Hon. Senator. The result was that the efforts of all these, backed up by the strength of the township's long fight against this diversion, all probably contributed to the fact that Mr. Scott, on completing his inspection, decided that it would not improve matters any to make the proposed diversion. The Board therefore rescinded their former order and decided in favor of the township's views.

These, Mr. Editor, are the plain uncolored facts, and the public may apportion the credit as they see fit. But it seems to me that if any man were to be singled out for special credit, it should be the Hon. Senator McHugh.

Yours etc.,
PETER HAWKINS.

QUICK RELIEF FROM THAT PERSISTENT, HACKING COUGH

We mean the kind of cough it gives one a cold shiver just to hear—the dry, deep-seated hack—hack—hack—that seems as if it were tearing the very vitals. That's the kind of cough that means business.

Fortunately, though, that is also one of the kinds of cough for which Na-Dru-Co Syrup of Linseed, Licorice and Chlorodyne was first prescribed, and which it has been relieving with great promptness and regularity ever since.

Na-Dru-Co Syrup of Linseed, Licorice and Chlorodyne is absolutely free from harmful drugs of any kind, and is safe even for children. It's pleasant to take, and acts quickly, relieving the irritation, loosening the phlegm, promoting expectoration, and so stopping the cough. Thousands declare it to be the best cough syrup they have ever tried.

Your Druggist will gladly recommend it, and will supply you with either a 25c. or 50c. bottle. The National Drug & Chemical Co. of Canada, Limited, 116

Horse Thief Got Seven Years

High Court Constable Thornbury received a letter on Friday from Chief Constable R. Smith, of Cornwall, lending the information that Chester McMahon, horse thief and forger, who was tried at the last court, received a sentence of seven years in Kingston penitentiary on each charge, both sentences to run concurrently.

McMahon pleaded guilty to both charges. This is the same man who sold a stolen horse to a Lindsay merchant for \$90 and decamped that afternoon. The horse was located by the police and returned to the rightful owner next day. McMahon was taken to the "pen" on the 24th of last month.

Market Flooded With the Porkers

The Toronto pork packers experienced a busy time in the hog market during the past week. Over 12,000 animals were shipped to the Davies Co. and Swift's received 15,000. Some outside dealers billed into the city twenty-one loads of hogs. This had a tendency to drop the price of pork fifty cents per hundred. Such conditions as this are caused by so many unfinished hogs being placed on the market. Farmers are compelled from a shortage of feed to get rid of everything with meat on it. Brood sows will be a valuable asset to any who possess such animals next May, as heretofore shippers scarcely ever had more than two in a car, to-day ten and twelve are among the shipment. The outlook, according to the authority of a prominent stockman, is higher prices next April and all summer.

Proof For Women Who Still Suffer THAT THEY CAN FIND RELIEF IN DODD'S KIDNEY PILLS.

MRS. LOIS MCKAY SUFFERED FROM PAINS IN THE BACK, SIDE AND IN THE REGION OF THE HEART—DODD'S KIDNEY PILLS CURED HER.

Tiverton, Digby Co., N.S., Dec. 1.

"Every day seems to bring a message of cheer for the weak, run-down women of Canada. To-day's message comes from Mrs. Lois McKay, a well known resident of this place. She, like others, has found new life in Dodd's Kidney Pills.

"Before I used Dodd's Kidney Pills," Mrs. McKay states, "I suffered with a head pain in my back and side, pains in my bowels, and sharp, cutting pains around the heart.

"I was always tired. Sometimes when I sat down I could hardly get up out of the chair. But thanks to Dodd's Kidney Pills, my pain is all gone and my back is well. I have proven for myself that Dodd's Kidney Pills are good. Female trouble is nearly always caused by diseased kidneys. The position of the female organs and the kidneys shows how one is dependent on the other. This is why weak women and new life in Dodd's Kidney Pills. They always cure diseased kidneys.

—Thursday a grand reception was given to Mr. and Mrs. Peter Greenan, of South Ops, on their arrival home, after a short honeymoon. The home was held at the groom's home, where many relatives and Lindsay friends assembled to welcome the newly wed couple. The home was beautifully decorated with palms and ferns, and strains of the sweetest music filled the domicile. A dainty supper was served the guests, who enjoyed to immensity the coffee, salads, sandwiches, and other dainties intended to tempt the appetite. After indulging in card games, and other pleasant amusements, the party dispersed, wishing Mr. and Mrs. Greenan many years of married life and happiness.

Little Tot Died From Severe Burns Received

Bobcaygeon, Nov. 30.—At a meeting of the hockey club held last Friday evening, held in Mr. Broad's store, officers were elected again for the season. Mr. W. L. Payne is secretary and treasurer, and Ewart Grant manager. Prospects are for a good season.

The skips met Tuesday evening at Mr. Mark's and chose up their rinks for the winter's sport. All told there are ten skips and 43 curlers.

Mr. Nichols, caretaker, is busy making in preparation for the fray, for which all are like the war-horse—quite eager. The rinks are as follows: Rink No. 1—Wm. Lyle, A. W. Selby, D. Hetherington, W. A. Fallis skip; 2—John Warren, —Picketing, Sam Woods, W. A. Davis skip; 3—Max Logan, L. Hamilton, B. Walker, H. Mark skip; 4—B. Cullen, G. Green, Wm. Davis, E. J. Broad skip; 5—Hy Reid, Jas. Conway, E. J. Woollard, W. G. Smith skip; 6—Hy. Seymour, A. F. McKinnon, J. R. Moyle, R. Nichols skip; 7—G. W. Taylor, O. Rolph, Jas. Lithgow, R. J. Green, skip; 8—Brill, Herbert Boyd, J. M. Smith, A. Braden, G. recover. —Mr. Clark's. Mrs. Hopkins's brother, who immediately went after Mr. Hopkins and brought him home. Dr. Boyd was sent for with all possible haste, and arrived about five or six hours afterwards. Mr. Hopkins arrived home about noon, and the little girl although suffering greatly, put her arms about her father's neck and kissed him. She died about 5 o'clock, being conscious almost up to her death, which was attributed to shock along with the burns. The baby was also badly burned about the hips, but will recover. It is thought that probably the children got playing with matches.

On Tuesday the post office, which has been in the store occupied by Mr. W. H. Hamilton for over a generation, was moved two doors south to Mr. J. T. Robinson's store. The change removes the crowded condition which formerly existed and is generally considered to be in harmony with the interests of the public. Mr. Hamilton will in future occupy the whole of the store vacated by the post office, and Mr. Sam Hill is at present putting things in order so as to be ready for Christmas shopping.

On account of the rough weather Tuesday the auction sale of Mr. Egerton Crowe was postponed till December 8th.

Mr. Honey and wife, of Little Britain, visited his brother Rev. W. E. Honey here over Sunday.

PIMPLES CURED.

Miss J. M. Wallace, Black's Harbor, N.B., writes:—"About five years ago my face was entirely covered with pimples. I tried everything people told me about, but found no relief. At last I thought of B.B.B. and decided to try a bottle. After finishing two bottles I was entirely cured, and would advise any lady who wants a beautiful complexion to use B.B.B."

BOILS CURED.

Mrs. Ellsworth Mayne, Springfield, P.E.I., writes:—"My face and neck were covered with boils, and I tried all kinds of remedies, but they did me no good. A JOLLY TIME

LET'S BE 'APPY CLUB ENJOYED SLEIGH RIDE.

Osmese, Nov. 29.—The first sleighing party of the season was held last Friday evening, by the "Let's Be 'Appy Club." An ideal night, good sleighing, and a jolly crowd were the ingredients for a good time. The party drove through the village singing "When the winter comes round," to the accompaniment of the sleigh bells, en route to the home of Mr. Cecil Corneil, where a delightful evening was spent in games and music. Mrs. Corneil then served a very dainty lunch, after which the singing of "For he's a jolly good fellow," "Auld Lang Syne," and the club song, "Let's be 'appy just now," brought to a close one of the memorable outings of the club.

Entries Coming in For Poultry Show

The Warder is informed by the Secretary of the Lindsay Poultry Show, Mr. J. P. Ryley, that the chicken show will take place in the town hall on January 24, 25, and 26, 1912. This year it will be bigger and greater than ever, and promises to be a close rival to the winter fair, as can be seen by the many applications received during the week.

As it costs only the small sum of \$1 to become a member, let every one take a hand with the poultry men and take out a member's ticket. You can do this up until the day of exhibition, but do not delay the opportunity which presents itself. Get a membership ticket now.

The best prize list the committee has ever gotten up will be in 1912, and outside of the shows at Guelph and Ottawa none can give equal competition. Everybody should become interested, and enthused.
