Soapy dish water merely cleans the surface; it doesn't dig out the corners and drive out the decayed food particles. Moreover, soap leaves your dishes with a soapy, animal-fat smell, that is far from inviting.

GOLD DUST is the sanitary dish washer. It not only cleans the surface, but digs deep after hidden particles of dirt and kills the germs of decayed food which ordinary dish-water overlooks. GOLD DUST sterilizes as well as cleanses.

Besides doing the work better than soap or any other cleanser can, GOLD DUST will save just half the time you spend in washing dishes.
