

## Candies ! Candies are a Necessary at Christmas as Santa Claus or the Christmas Tree !

Our Candy is made right here on the premises by skilled candy makers ; and by putting unusual effort and expenditure into candy making we have developed here a grade of candy at 40c lb. we believe without a rival in the country.

FOR EXAMPLE—The chocolate coatings are made from the Maracaibo Cocoa Beans. These are the highest priced and only a limited quantity comes to Canada.

They make a coating of peculiarly smooth and delicious character. So far as we know no other candy in this part of the country is coated with Maracaibo Chocolate, and none thus coated is sold anywhere else in Canada for as little money.

No Ice Cream is "good enough" for the best woman in the world you know her name is the best Ice Cream.

We make a specialty of wholesale and retail Ice Cream, for Weddings and At Home, using foreign fruits and nuts to make up the different dishes.

THE OLYMPIA ICE CREAM IS THE LAST WORD IN EXCELLENCE. It's so good and so tempting—so healthful—that it's the delicacy of delicacies for both sick and well people.

## CANDY IN FANCY BOXES

We have some beautiful boxes and baskets of fresh, wholesome Chocolates—all our own make and noted for their delicious flavor and purity.

Surely at this season of the year you prefer handsome boxes or baskets and no prettier line can be found in any town or city.

The show, which is being held at the Union Stock Yards, was attended on Saturday by an unusually large crowd of interested stockmen; and the final judging of the cattle, sheep and swine in the various classes gave rise to a number of close and well-merited decisions.

**CORRECTION.**

(To Editor of Daily Warder.)  
Dear Sir,—It has been brought to my notice that you have reported me as making certain statements at the Laymen's Missionary Convention, one statement being that we should canvass the souls of men first and then canvass their money. I wish to state explicitly that I did not make this statement at the convention, and I would not feel like making the above statement at such a gathering, for one reason, at any rate; namely, that, as I understand it, the express object of the Laymen's Missionary movement, in seeking to hearten the response to our world-wide duty, is to uplift and fulfill every life. The church expects every man to do his duty, and unless he goes his duty he can never save his life. Yours truly,  
REV. GIRARD GRAHAM, B.A.  
Lorneville, December 8th.

**RESIDENTS TERRORIZED.**  
The residents of Somerville township have been terrorized during the past week by an alleged crazy man who is going up and down the concession lines and quarter lines armed with a Winchester rifle looking for some individual who appears to be the cause of his trouble and who has done him a wrong. The man is a bachelor and belongs to a respectable family in the north county. His hallucinations are without foundation.

**Warden Hickson Presented With Gold Watch, Locket and Chain by His Colleagues**

Once more the County Councillors of Durham and Northumberland by Mr. A. A. Colwell, of Newcastle, and Mr. Norman McGill, of Cayton. The speech of the day was made by the latter gentleman, who gave a history or resume of the career of Warden Hickson since his first entering into the municipal field. It is sufficient to say with a man of Mr. McGill's ability dealing with the chain and job attached. On the outside the initials "J. H." were beautifully engraved. On the inside the inscription read: "Presented to Joseph Hickson, Warden of the Counties of Durham and Northumberland, for the year 1913." The presentation was made by Mr. J. C. Kelis, of Millbrook, assisted by Mr. A. A. Colwell, of Newcastle, and Mr. Norman McGill, of Cayton.
