ADDRESS

To Mr. and Mrs. Hinton
I have been requested by the executive and members of Trinity United Church Young People's Society to express to you our congratulations on your attaining the 32nd anniversary of your wedding. Along with our congratulations we send our best wishes for continued good health, long life, happiness and your share of this world's goods.

As you look back over the trail of 32 years which you have travelled together, no doubt, you see many hills of trials, but you will remember the beautiful scenes before you as you come to the top of the hill and surmounted the difficulties. Perhaps you have been travelling through the valley of pleasure only to be brought up suddenly by the hill ahead. We know that you have been able, by God's help, to always keep on going and know that the beautiful was just ahead.

We wish to extend to you our appreciation of the beautiful lives you have brought into our community—not only your own but those of your lovely children. It is the prayer of our Society that God's blessing may continue to rest, now and forever, upon you both, and upon your children and we would include also Miss Gibb. The following is a copy of the resolution passed on Wednesday evening April 1st, 1931.

Moved by Miss Cora Hill, seconded by Mrs. Ruby Steele, that on or before Sunday, April 5th, President L. S. S. Mosure, be authorized to convey to our beloved Minister and his wife, Rev. M. L. Hinton and Mrs. Hinton, the sincere appreciation of Trinity Young People's Society on attaining to the 32nd anniversary of their wedding.

Meeting of Chamber Of Commerce

The regular annual meeting of the Boycaygeon Chamber of Commerce was held in the council chamber on Monday evening March 30th. There was a good attendance, giving assurance of continued interest this year in this movement for the general welfare of the community.

The officers and directors of the preceding year were re-elected and are as follows:

President—Dr. H. O. Boyd
1st Vice-Pres.—C. Bigley
2nd Vice-Pres.—C. H. Pardy
Treasurer—W. C. Moore
Secretary—A. W. Burchell
Directors—C. A. Gordon, C. F. Read, C. H. Poole, J. R. McIntosh, C. K. Bottom, I. R. Stewart, W. C. Moore, Dr. H. O. Boyd, C. Bigley, H. R. Davis, C. H. Pardy.

The activities of the past year were reviewed and considered fairly satisfactory for a new organization. The placing of signs and installation of a kitchen in the Park took up the largest portion of money raised, and numerous inquiries were addressed to the Secretary throughout the season. The efforts of the organization toward a paved road to Lindsay were not entirely lost as it is understood there is some assurance of this becoming a Provincial Highway. The President, Mr. Boyd, thought that much more could be accomplished by a more united effort and is asking sincere co-operation in the undertakings of the Chamber of Commerce this year.

On Friday evening Mrs. (Rev) Hinton entertained her S. S. class at the Parsonage. GASOLINE NUISANCE

The Council should investigate the mysterious flow of gasoline into the wells and cellars of the village, before legal action is taken. Many

house holders are annoyed by the flow of the unknown fluid.
Mr. Devitt informs us that he has been checking up on his tank all winter, to make sure there was no leak in his tank. This is something that every owner of a gasoline tank should do.

FIRE FLIES ENTERTAINED

The Boycaygeon Fire Flies turned out in full force, to send old windy March out like a lion, on the evening of March 31st, when they assembled at the home of Mr. F. A. Gendron to do justice to a chicken dinner given in their honor. Needless to say the same as though it was a hockey match they were out to win, they were all present, including the subs. 50 Years Ago

The following are clippings from the Independent of over 50 years ago.

BUILDING—Messrs Kennedy and Lancaster, are now busily engaged in re-erecting the Presbyterian driving shed, in the rear of the church, which so unceremoniously flattened out, last winter. The contractors have engaged the services of the most skilled mechanics, and by the manner in which the shed is being "set up again" the chances are unfavorable to its ever again flattening out.

NORTH VERULAM—A number of the school children attending the school of Section No. 1, in the Township of Verulam presented their teacher, Miss Cosh, who is about to leave them, with an address, and a beautiful bound copy of what is known as the Sunday School Teachers Bible. The presentation was made at a largely attended tea meeting held in honor of the retiring teacher, who made a suitable reply. Such an evidence of appreciation on the part both of parents and children is a very strong testimony in favor of Miss Cosh.

JUST RECEIVED—A cargo of Crown Jewel Flour, also Maple syrup at J. T. Robinson's

MAPLE SUGAR—Sugar weather has commenced, the sap has been running, and some sugar has been made. We have not received any yet, but our staff has stated to us with due solemnity that maple sugar is to be seen in J. T. Robinson's window.

YACHT—Dr. McCamus is getting on rapidly with the building of his steam yacht. It is being constructed in Mr. John Kennedy's yard, and he has had ten hands engaged on it all the week. It will be the fastest boat in Central Canada.

SCHOOLS—The usual examinations in our village schools took place last week, and were fairly successful. The following is the list of pupils who took prizes in Mr. Jones' school; and we regret that the other masters have omitted to send in their prize lists; 3rd Class—Geo. Cheetham, Annie Patterson, Mary Anderson, Wm Patterson. 2nd Senior—Annie Ward, John Giffie, H. Snowdon, Wm. Kerr. 2nd Junior—Emma Walbrook, T. Chambers, T. Edgar, Emma Quinn. Part II Junior—Chas Quinn, Maud Nixon, Clara Junkin, Joseph Murphy. Part I—E. McKillen, Silas McKillen.

BROKE THROUGH—On Thursday as Dr. Bonnell was driving a horse and cutter, on the ice on Pigeon Lake, from Allen's Landing to Boycaygeon, the ice gave way, and the horse, the cutter and the Doctor were suddenly immersed in the water. By admirable skill and courage the Doctor was enabled to get his horse out of the water unaided.

thur Gendron, James Junkin, Willie Thibadeau, Jack Thibadeau, Ernie Nichols and Wilfred Gendron, and Mrs. T. G. Devitt, Mrs. Joseph Kelso, Mrs. W. J. Gendron were invited guests present. When dinner was over Mr. F. A. Gendron read a few accounts to the boys, about their hockey team taken from the Boycaygeon Independent, another from the Lindsay Post and still another from the Watchman Warder a Lindsay Paper. It gave the boys an idea of the peoples opinion of them which was very good indeed. Master Irvie Nichols opened the speeches of the evening in giving his opinion of the young team and moving a vote of thanks to Mr. and Mrs. Joseph Kelso for supplying the chickens for the dinner, also Mr. and Mrs. F. A. Gendron for their generosity in giving their home for the evening and their work in helping to make the evening and dinner a success. F. A. Gendron replied on behalf of Mr. and Mrs. Kelso, Mrs. Gendron and himself, and said how pleased they all were with the young team and the pleasure it afforded them to see the boys all present and happy. He also moved a vote of thanks to Mr. and Mrs. T. G. Devitt for their support to the team and assistance in the past season. Mrs. T. G. Devitt responded on behalf of Mr. Devitt and herself, and said it was a pleasure to assist and support such a smart lot of boys as the Fire Flies team was made up of. After dinner the evening was spent in games, music and songs, until the party broke up at 9.15 and the boys all went home happy.
