LOCAL NEWS

REPAIRING.—The breast work of the dam along the north side, is being repaired by a number of men. This break during the high water ran the stream north flooding a large area, and inconveniencing many of the inhabitants. It is said Mr. Sheehan and others, have entered claims for damages.

FISH.—While strolling around the Island on the other day, a gentleman across a large meadow that had dried up during the high water. It had been previously hooked by some person fishing for success. The trout was broken away with the hook still piercing its gill. It was a fine fish weighing 25 lbs.

IMPROVEMENT.—Mr. Frank Read is having his new lot fenced, and when finished will give a nice appearance. He is also having his store painted.—Mr. Woollard is having his new lot fenced, and when finished will give a nice appearance. He is also having his store painted.
