

When Walking you are Courteous—

Try Courtesy When Driving

AS WE walk about on street, highway and bypath we are all most courteous to each other as we pass, overtake, stop, cross and otherwise mingle with our fellow-pedestrians. None of us would think of being otherwise—we are just naturally courteous at heart.

But, too often, this native courtesy leaves us when we get behind the wheel of a motor vehicle.

Do not let your attitude of courtesy leave you when you drive but, rather, "Try Courtesy" every inch of the way.

When you meet a fellow-motorist pull well over to your right. When you overtake him sound your horn—a short note will do! Keep to the right on curves, "blind spots" and, of course, on hills. Drive at the speed of the traffic you are in—don't "hold up the parade." Never put the "other fellow" on "the spot." He may get excited and you may both be hurt.

Dip or dim your lights when you meet at night—neither of you can see where to steer when you are "blinded".

Do not "crowd" pedestrians, we all walk at times and we all dislike being startled.

Hand-signal your intention to slow down, stop or turn and otherwise act to your fellow-man a wheel in the same considerate manner as when he is afoot—"Try Courtesy" every inch of the way.

Leafs Confident of Making Play-offs

TORONTO PLAYERS ARE DETERMINED NO ONE WILL WREST FIRST DIVISION BERTH FROM THEM.

There is one thing you cannot take away from those battling Toronto Maple Leafs; that is supreme confidence in their own ability the youth full optimism that won't admit defeat. They fear no team in the International League pennant race, least of all the Newark Bears, who have been setting such a torrid pace all season.

When a few weeks ago, they said they would give the Bears a real battle in Newark, they lived up to that prediction and took two games out of three from the New York Yankee farm hands. When the Bears appeared recently in Toronto, the Leaf took three games out of four from them, clinching the series with a double victory by last-minute rallies. They have steadfastly maintained that they would finish in the play-offs, which embrace the first four teams and barring accidents they should have little trouble in doing so.

As the closing weeks of the schedule approach, the Leafs appear to be pretty well set for the struggle to remain in the first division. John Berly, veteran right-hander, who only figured as a relief pitcher when obtained from Baltimore in the Spring has proved to be one of the most effective performers on Howley's staff, and his consistent displays have featured several of the Leafs' recent victories. Another veteran right-hander, upon whom Howley is counting for some winning efforts, is Johnny Wilson, who was who as signed in mid-season after being released by Buffalo. After joining the Leafs, Wilson went to his home in Georgia to undergo an operation for the removal of infected tonsils. The operation was a success and the tall pitcher has gained some 17 pounds of needed weight since his return. An effective pitcher in a big park, Wilson should be right at home in Maple Leaf Stadium, with Woody Davis, Earl Caldwell, and Mike Meola, Manager Howley has an impressive array of starting pitchers, while Frank Nekola, Joe Mulligan and Ted Horton are capable relief men.

The Leafs have no worries about the infield or outfield departments either, and "Shanty" Hogan and Johnny Heving form a catching combination that is second to none. Joe Gentenbein and Frankie Madura have been clicking off double plays regularly and their batting is improving steadily, Madura having picked up 20 points in recent games.

In the outfield the youngsters, Tod Petosky, Mayo Smith, and Bobby Porter have been coming through in sensational style, Petosky setting the batting pace for the team. His base running is also a treat to watch.

The Leafs have a majority of their remaining games at home and during the month of August there are a number of outstanding dates at Maple Leaf Stadium. The Newark Bears will be in Toronto for a night game on Friday, August 13 and an afternoon doubleheader on Saturday August 14. The Syracuse Chiefs, who open the Leafs' August schedule with a double header on civic holiday and play another twin bill on Wednesday August 4 in the afternoon, will return to Toronto for a three game series of night games starting Monday August 18. They will be followed by the Baltimore Orioles who play the lights on Thursday and Friday, August 19 and 20, and an afternoon pair on Saturday, August 21. The Jersey Giants are in Toronto for floodlight games, August 23, 24, and 25. The August 24 attraction will be a twilight-floodlight affair starting at 6.30 p.m. The Montreal Royals will meet the Leafs in a doubleheader at Toronto on Saturday, August 28, and the Rochester Red Wings will be at Maple Leaf Stadium for night on Monday and Tuesday August 30 and 31.

REST FOR CAPTAIN KIDD

In 1696 Captain Kidd was the owner by purchase of a lot of ground in a part of New York city then just being sold off in building lots. The lot was in Tienhoven street, now Liberty street, near Nassua street. There according to accounts of the times, says the New York Sun, he erected a mansion expecting doubtless to pass the evening of his days in the city of his adoption.

IF YOU HAVE SOMETHING TO SELL—TRY A WANT ADV.

400 AT C. P. R. PICNIC HERE

The recreation club of Havelock, held its annual C. P. R. Excursion on Wednesday.

The train arrived about eleven o'clock and immediately over four hundred happy excursionists filed off and marched to the Agricultural Park where every accommodation was made to add to the comfort of the visitors and made them a pleasant one.

The procession was headed by the Havelock Kilty Band which attracted young and old of the Village residents, with the sweet strains of the bagpipes playing the old familiar airs. The first thing on the program was the spreading of the mid-day meal from the luxurious baskets. This was followed by a list of races and sports of various kinds. A ball game between Havelock and Bobcaygeon was keenly contested and drew quite a crowd.

An interesting event was the presentation of a neck tie done up neatly in a box to each veteran present eighteen in number.

Many of the visitors took time to attend the big regatta at Edgewater pavilion but returned in time to have lunch and participate in a few more sports, before boarding the train at the C. P. R. station for home at 6.30 p.m. for home. Well pleased with the outing and with the weather man who saw fit to give them a perfect day.

NAZIS SEND MORE SHIPS TO SPAIN

NAVY ACTIVITY CONCLUDES WITH FORMAL CHARGES AGAINST RUSSIA

ENVOYS WRANGLE EDEN, MEANWHILE, TELLS HOUSE BRITAIN STILL STANDS BY PLAN

BERLIN, July 30—Germany foretelling complete collapse of the non-intervention scheme tonight sent additional warships into Spanish waters to "protect German interests." The official Nazi news agency DNB announced that the Cruisers Admiral Schneer and Koelin are accompanying the Second Torpedo Boat Flotilla down the Spanish Coast and that Admiral Cails has replaced Rear Admiral Von Fischel as Commander of the units in Spanish waters. Von Fischel it was explained, was forced to return to Germany because of illness.

The announcement of the strengthening of Germany's war fleet off Spain was made simultaneously with an announcement in London by the German Ambassador, Joachim von Ribbentrop, that Germany can not enter into further consultations of the new British neutrality plan so long as Russia continues her opposition to the granting of belligerent rights.

The German answer to the British neutrality proposals, published in the Nazi press tonight pointed out that the recognition of the belligerency of both Spanish factions must be simultaneously with the withdrawal of foreign volunteers from Spain.

Russia Blamed by Germany.

London, July 30—Germany today formally charged Soviet Russia with starting the Spanish civil war in an effort to establish a Bolshevik regime and with a shattered international effort to preserve the non-intervention project.

The charge was made by Joachim von Ribbentrop, German Ambassador to London, before a "show-down" session of the Chairman's subcommittee of the non-intervention body that has pledged twenty-seven European nations to a "hands-off Spain" policy. The meeting adjourned at 1.15 p.m. in apparently hopeless deadlock.

"Soviet Russia started the Spanish civil war and would like to end it in her own way, that is, by bolshevizing Spain, von Ribbentrop said angrily. The Russian representative, Am-

FARM YOUTH ACTIVITIES

One of the distinctive features of modern agriculture in Ontario is the prominence of youth in all that pertains to Industry. This was not always so. In time gone by, owing to force of circumstances there was little inducement to youth on the farm further than a love of hard work but since the interest of people has been aroused the love of achievement in the oldest and greatest of all industries has placed the young farmer in a position of commanding importance.

This commanding position is in reality the outcome of one of the most progressive and encouraging movements of modern times, namely farm club organization for girls and boys Officially known as "Boys" and "Girls" Farm Club Work in Canada, the movement is designed to develop interest in the farm and farm life to provide a practical education in agriculture and home economies; to improve farm practices; to encourage the use of better livestock and seed; and to train young people for citizenship in their respective districts.
