Obituary

A deep gloom was cast over the entire community at the death of Adelia B. Welsh, widow of the late John Conway.

The deceased was the elder daughter of the late Mr. and Mrs. Richard Welsh and lived most of her life in Bobcaygeon where her pleasantness and uprightness won for her numerous friends who loved and admired her.

In her profession as nurse, Mrs. Conway was particularly adapted very sympathetic. She was a real mother and loved her family and her home. Seventeen years ago she was bereft of her dear husband and it was left to her to rear and care for her three sons. This she did without a murmur and always a smile.

Last March the deceased underwent a serious operation at St. Michael's Hospital, Toronto and had sufficiently recovered to go about her duties until two weeks ago when further developments arose necessitating a second operation which proved too much for her frail strength and she passed away at St. Michael's Hospital Toronto on Wednesday August 11.

The numerous floral tributes and the large number visiting the house and attending the funeral was a sure testimony of the high esteem in which the deceased was held.

The funeral was held on Friday at 9 a.m. from her late residence, Head Street to St. Joseph's Church where Requiem High Mass was sung by Father Kay of Kilmount and assisted in the sanctuary by two students from St. Augustine's Seminary. One of the students Arthur Welsh, being in a dearly beloved nephew of the deceased.

Rev. Father Butler delivered a fine message using as his text St. John's Gospel, Chapter 11, Verse 25. Jesus said, "I am the resurrection and the life, he that believeth in me, though he were dead, yet shall he live."

Mr. Trudel of Fenelon Falls led the singing and his son Isadore presided at the organ.

Interment was in the Catholic Cemetery on Fenelon-Bobcaygeon road in Verulam.

Pall bearer were three sons, a brother Maurice Welsh and two brother-in-laws Hugh and James Conway.

Besides a brother Maurice and a sister Nora Welsh, both of Toronto three sons, Frank and Victor, Toronto and Maurice at home mourn the loss of a loving faithful mother.

Pipers provide Stiff Opposition At Dance

HIGHLANDER AND ENTOURAGE TAKE CHARGE OF SITUATION AT EDGEWATER PAVILION ON SATURDAY NIGHT

On Saturday evening nearly 1500 people received the surprise of their lives when three pipers from the 48th

Highlanders' Regimental Band led by those genial comedians "Hap" Watson and Scotty Alexander, marched into Edgewater Pavilion.

The three pipers entered the dance hall led by the two men and followed by several other couples, and were joined by many others as the procession passed through the doors, and marched in a grand parade around the dance hall twice drowning out the orchestra and making the dancers stop their ordinary fox-trots on the third time around. Mr. and Mrs. Harvey Jackson began the Highland fling and were followed by "Hap" Watson and his sister. Then the other marchers in the grand ensemble did the Highland fling. Patrons were so interested that they called repeatedly for encores but to no avail. The pipers and their escorts left as unexpectedly as they arrived.

All eyes were focussed chiefly on that 268 lb comedian Hap Watson, known far and wide and whose weight meant nothing when he and his sister did this intricate dance.

WALLACE THURSTON OFF TO FAIRS

BREEDER OF WHITE YORKSHIRE HOGS WON MANY CHAMPIONSHIPS IN 1936—OUT FOR 1937 LAURELS.

Wallace Thurston, breeder of fine Yorkshire white hogs, left for Peterboro on Tuesday morning from his farm "Cedar Glen" farm in Bobcaygeon, bound for Peterboro in his attempt to again capture some of the 1937 laurels of his 1936 career. For years this firm of R. E. Thurston & Sons have been known throughout this part of the country for their fine stock.

This year Wallace left with 24 hogs and what was thought the best group he has had for a long time.

Last year at the Peterboro Exhibition he was rated as one of the best breeders winning two championships at Peterboro. Championships on his hog and sow, and the championship on his Bacon pen of five with a majority of firsts and several seconds.

At Belleville he won a championship on his hog and sow, and a reserve championship at the Lindsay Exhibition.

This year his brood consists of 24 choice porkers, and according to those who claim they know their pork, think this group will go along way with the best in the province, and add more red and blue tickets and ribbons to the flag in the Thurston home.

In the 1936 season Thurston won 12 out of a possible 14 championships, 56 firsts, 48 seconds and 32 thirds as well as cups, trophies and shields.

Each year breeders visit his pens here and often purchase breeding stock on these sight seeing tours.

All his stock has a very colourful back ground, coming from the best in the land, championships of the Royal winter fair and the Toronto Exhibition, and other large fairs

Peterboro fair started today and this pen a s in previous years will no doubt cause the same favourable comment. Local citizens will no doubt follow his showing this year with the same enthusiasm.

St. Joseph Church Hold Garden Party

The Annual lawn party under the auspices of St. Josephs Catholic Church, was held on Thursday evening with a very large crowd present.

Weather conditions were ideal for this entertainment, and the large crowd speaks well for the success of the evening.

The St. Band, from Lindsay was the feature attraction, and was one of the best musical concerts given here this year.

There was the usual number of ice cream booths, hog dogs and pop.

Also game such as horse-racing, wheel of fortune, and many ladies and gentlemen went home carrying a beautiful blanket, ball throwing, and as a special attraction the Orton boys originated a game all of their own, and the game was, that you had to put so many of the balls handed to you into pails, from a distance of approximately six feet, and if you did you got a live duck for yourself.

The humorous and witty, never tiring Joe Jock was also present and attracted a great deal of attention.

This parish have asked us to take this opportunity and thank all those who in anyway helped to make their annual social a success.

C.I.O BOOST GIVEN COOL RECEPTION

THREATEN DRIVE AGAINST FORD IN WINDSOR ROUSES LITTLE ENTHUSIASM

TO START THIS WEEK

ORGANIZERS TELL SPARSELY ATTENDED MEETING OF COMING STRIKE WAVE

Windsor, Aug. 15 A C.I.O. drive will be launched this week against the Windsor plants of the Ford Motor Company of Canada, Limited, according to an announcement here by William Emery and James Napier, C.I.O. organizers for this district.

Though they were very enthusiastic about what they were going to do to Ford in Canada and how the C.I.O. is going to let loose a campaign which "may submerge Windsor in a wave of strikes," there was little enthusiasm for their proclamation.

It was made at a sparsely attended rally. In the first place this gathering, which brought some people to protest against alleged brutality of Provincial Police at Peterboro.

For a while there was the usual C.I.O. Talk about what it was going to do in the textile industry. But eventually it got around to what the United Automobile Workers of America were going to do to Ford.

Mr. Napier said that the C.I.O. had already signed up many Windsor Ford Employees. But when he was asked just how many he said: "It would be foolish of us to show our strength until our drive is opened."

Wallace Campbell, head of the Ford Company in Canada, declined tonight to comment on the situation.

DIRECTORS MEETING AGL. SOCIETY

The directors of the Verulam Agricultural Society met in the Secretary's office on Thursday night.

Several important matters were dealt with and some changes made which should help to make the 1937 fair the best yet.

The race money has also been raised from \$20.00 \$15.00 and \$10.00 to \$35.00 \$25.00 and \$15.00, which should bring out some good horses.

The prize money has been raised on some classes of cattle and on all harness horses.

It was also decided to have the hog barn moved to make more room and R. E. Thurston, R. W. Watt, and H. R. Seymour were appointed as a committee to have the same done.

SLIDE OF ROCK HALTS VICEROY

Burns Lake, B.C., Aug 15—Steady rain fell over the interior of British Columbia Saturday as the Governor General and his Western touring party paused here preparatory to the trek through Tweedsmuir Provincial Park as guests of the British Columbia Government.

The Viceroyal train reached here about noon Saturday, five hours late after being delayed at Red Pass Junction in the Rockies, by a rock slide which fell across the Canadian National Railway tracks about ten miles west of there.

Sparrow Hawk Caught

During the delay, the train acquired another passenger—a young American sparrow hawk caught by Lieutenant S. G. Rivers-Smith aide-de-camp to his Excellency, in a landing net. The bird was taken aboard and fed raw meat by Rivers-Smith and Hon. Alastaire Buchan, son of Lord and Lady Tweedsmuir. Later it was tethered to a perch and will remain with the train.

In the morning the Governor General received members of the British Columbia Government party who will accompany him through Tweedsmuir Park and West to Bella Coola.

Headed by Hon. A. Wells Grey, Provincial Minister of Lands, the party included Col. W.J.H. Holmes, superintendent of British Columbia Forestry Camps, and assistant commissioner T. W. S. Parsons of the Provincial Police.

In the afternoon the party attended a civic reception over which D. Deane, chairman of the village committee, presided. Later his Excellency initiated a number of Young Forest Rangers, members of a forestry organization for boys run along lines of the Boy Scout movement.

Today the Viceroyal party began a trek into Tweedsmuir National Park. The party will travel by automobile to Ottsa Lake, then board motor boats to Intata Lake about seventeen miles south of where here the first camp of Young Rangers is established.

During the next fortnight it will probably visit three more camps, travelling by canoe, airplane and on horseback.

Four seaplanes have been made available to carry members of the party over rougher stretches of country, and from the last camp to Bella Coola where the journey across British Columbia will end.
