### Britain Will Conquer

Britain's Government is robbed by the withdrawal of Sir Edward Carson of at than Lord K tchener or the navy better than Lord Fisher.

The entire assembly of Britain's Lords and Commons, with Lloyd George and a veyor. Tourist's Lots Surveyed. Box few other noble exceptions, might drop into a hole in the ground and remain there, and the British Empire would

Britain's strength in this hour is no in the hands of her statesmen, but in the hearts of her strokers. A navy headed by Lord Fisher, an army headed by Lord Kitchener, financed by the leadership of men like Lloyd George, and sustained by the sacrifices of the people, would safeguard the British Empire and ensur victory for the allies despite every temporary dislocation in the machinery of Government at London.-Toronto Tele-

Is Lord Milliner right in his declaration that the British and French troops should be withdrawn from the Peninsula of Gallipoli?

If so, Lord Milner has developed into a military authority since the date of his partial responsibily for the delusion that 50,000 British troops would suffice carry Redvers Buller to Pretoria by Christmas, 1899

A newspaper heading says that Germany is now engaged in getting nuts for the oil contained in them. There is that fine specimen "nut" the Crown Prince, who has proven himself fairly oily at

### Health Of Animals

Two Bulletins of premier importance have recently been issued from the Health of animals branch of the Federal Department of Agriculture at Ottawa, of which Dr. Torrance is the Veterinary Director General. Both can be had free on application to the Publications Branch of the Department.

Son or Daughter The first, number 17, is entitled
