Golf and the Bishop

The captain of one of the big Scotland. He had has is caddie a little 'T," signifying "tis mince" and taint stepped aside, and the girl reached the sandy haired boy, a plaid muffler around mince," has been outdone by the culhis neck and a plaid cap on his small inary expert of a little hotel among the revolvers, awaited her. They drove round head. They came to the first Green Mountains. The chance guest away, unmolested. tee. The caddie prepared the ball for had finished the serious part of a whole the clergyman and then drew a driver some dinner, when the cook, who was

from the bag and handed it to his em- also waitress and landlady, asked him ployer. Bishop Blank meant well and if he didn't want some pie. he swung hard but the ball never mov- "What sort of pie have you?" he ed. Once again the Bishop took up asked expectantly. Call and see quick and perfect work his position, whirled the club around "Well we've got three kinds," daid done by Electric power and get our low his head like a hammer thrower and her hostess, "open-faced, cross-barred and Bauer, a London and Melbourne her lovely eyes upon him with a meanswung wildly at the hall. But it nev- tandkivered-all apple." er moved. Ten square inches of Scottish turf went flying through the air instead. The good Bishop was beginning to get interested and so was the caddie He didn't like the stick, so the boy gave him an iron. This time the Bishop dug a nice furrow on the other side of the ball. And incidentally broke the club. But the little

OF PETEEBORO ball still rested peacefully on the mound of sand. It seemed to be glued fast sticks and he tried them all. Once after an exceptionally hard drive he lost his balance and sat down rather him to a greater effort. That peaky ball clung to the earth with the tena city of a leech. The Bishop was per spiring freely on several times between breaths he mumbled incoherently. But

he was still game. "Now my boy what do you advise? asked the tired Bishop. "Give it a clout with the bag sir," replied the caddie without the sign of

It will Kill you

Roger said: There is an ancient myth that tells of a magic skin, the possess or of which had the power to acquire anything he wished for, but at each for Ice Cream, Lunches gratification of the desire it shrank, selfishness is the qualification for the thirty-third degree in the Royal Arch Demons, and plenty of men are dili gently shaping for it. A home sick ness for the lodge room is written in some of their faces. When a man gets so he can't think of anything but himself, he is nothing but a moral mummy whose remains are only fit for the wood pile of the inferno.

Household Helps

In baking cakes before tak ing them out of the tin, set the tins on of assurance which was rather out of a damp cloth for a few minutes and i keeping with his haunted eyes. the cakes will slip out easy without

A piece of charcoal thrown into the once over, and be kind of careful of prt which onions, cabbage, etc., are the neck whisker. be il d will absorb the unpleasant odor. A handful of salt thrown into the face to hide a grin and went to his tepid water with which straw matting tlather cup. He turned on the hot is wiped up will make it look extra fresh and clean.

A teaspoonful of turpentine put into Then with pondrous care he lathered the boiler with white clothes will aid the whitening. Fish may be scaled much easier first dipping them into boiling water

A teaspoonful of sugar added to pancake batter will make the cakes a golden brown: A long, smooth, round glass bottle, such as grape juice comes in makes
