LINDSAY, FRIDAY, JANUARY 16, 1891 LOCAL NEWS-LETTERS

UXBRIDGE.

Thos. Flarrie, Ornstown, Que.

MISTOOK POISON FOR GIN. - John Trick, a former resident of Uxbridge, who was in partnership with the late W. Crawford in the livery business here, died at Morden, Man., from the effects of a dose of polson taken unintentionally. It appears he had a bottle of poison to kill vermin and a bottle of gin. He reached for the gin during the night and by mistake got the poison. He lingered in terrible agony for two days

PORT PERRY.

SERIOUS ACCIDENT. - Last Monday morning Master Fred, a fourteen year old son of Mr. Wm. Mark of Reach, met with a very serious accident. It appears he went out to the bara to attend to the morning work and had gone into the upper part of the hay mow with a fork, when in some way he slipped and fell to the floor below striking on the fork wwhich penetrated his left lung near the heart, entering some six or eight inches. He bled profusely, and his life was nearly despaired of, but he is now improving and hopes are yet entertained of his full recovery .- [Standard.

PORT HOPE. A TERRIBLE FATALITY .- A lot of young men from Cobourg were up to Port Hope last night, and went down on the 11 o'clock train; most of them were "dead beating" it. Frank McGuire, a young man about 20, had ridden on the buffers between the baggage and express car. Just as the train | tely followed by the bridal party. The was going into the station at Cobourg, in | bride, leaning on the arm of her father attempting to jump off he fell on the track; most of the train passed over him, cutting the body completely in two. Death must have been instantaneous. Coroner Ewin was notified, and after hearing all the facts, did not consider it necessary to hold lillies. The bridesmaids were Miss Bertha and loudly applauded. After the play the an inquest.-[Guide.

bone was badly broken. It is a question whether or not the arm can be saved. However, he is at present getting along as well as could be expected. - [Chronicie.

EAST EMILY. RETURNED FROM THE NORTH. - Messrs.

Geo. Boste and George Frank, jr., have just returned from a visit to the back councount of their trip. They had the pleasure of calling on Mr. Patrick Mahony of Chandos, formerly of Emily, and they speak in glowing terms of the manner in which they were entertained by Mr. Mahony and family. On New Year's day they had the pleasure of attending a wedding in Chan dos, when Mr. Caldwell and Miss Hillcock were juned in wedlock. The event was carried out in a manner creditable to the contracting parties, as well as the young people of the surrounding community. They arrived home on Friday night at 7 o'clock .- [Review.

SUNDERLAND. HYMENEAL.-A large number of reladence of Mr. and Mr. Edmuod Luke, con. 6, Brock, on Christmas day, to witness the marriage of their youngest daughter, Ida, and Mr. J. R. McKtanon. The bride, who was given away by her fisher, looked charming in a dress of golden-brown satin, and was supported by her cousin, Miss Lena Luke of Oshawa, who was dressed in cream henrietta. S. J. McKinnon, cousin of the groom, did honor- as best man. account of the time.

CANNINGTON.

OBITUARY.-Adam C. Shier, son of Mr. and Mrs. R. H. Shier, died at the Towner hotel, in Cando, Dakota, on Tuesday night of last week, of consumption. Deceased was 23 years of age and had been for several years a highly respected young man and a quiet, inoffensive citizen. He was apparently in very good health until about four months, ago when he was seized with that dread disease, consumption, and for the past two months he has been patiently awaiting the summons "to that bourne from whence no traveller returns." Methodist choir in this place and partook of the sacrament of the Lord's Supper at the hand of Rev. J. A. Hovis, presiding elder, and thus he died in the triumphs of a living faith, with bright hopes of a happy future. Short services were held at Towner's hotel on Thursday; after which his remains were conveyed to the new cemetery on the George Main farm, and there buried. "Blessed are the dead that die in the Lord." Deceased was a grandson of Mr. Adam Shier, sr., of Brock, and was at one time a resident of Cannington.

KIRKFIELD.

[Correspondence of The Post.] A CHRISTMAS TREE was held here on the 23rd ult. in connection with the school. A capital program of songs, readings, dialogues and recitations was prepared and rendered. One of the special features of the evening was the club swinging by a | Clarkson house block and D. Hewes' block. class of girls under Miss Ross.

whole souled Christian and a very pleasing | The Koch Lymph in Toronto-Two Experiments Made-A Description of the New Remedy.

Dr. Husband of Hamilton was one of the first medical gentlemen who witnessed the ment of a bright hope of entering into that | first trial of the Koch lymph in this province at the Toronto general hospital last Monday. The doctor in answer to queries of a Times reporter regarding the operations he witnessed said: "The spacious ampitheatre of the hospital was crowded with physicians and medical students, all intensely interested in this mystic, magic, infinitesmal cure for consumption. The cases chosen were typical, one of phthisis, ment on New Year's night. Despite the the other of lupus. In each case the lymph was injected between the shoulders. The lymph used was brought from New York, but Dr. O'Rielly is expecting a supply direct from Germany. The dose is exceedingly minute. Prof. Koch puts half a milligramme in 15 grammes of a 2 per cent. solution of carbolic acid in distilled water thers of Pickering, rejict of the late Wm. performed by the Rev. Mr. Watch, pastor Cultum, teacher: 1st prize for lessons, Clara to preserve and dilute the lymph. A and glycerine, which serves as a medium Friday evening. She walked several miles After they had been pronounced man and the previous day to visit friends, and wife the guests came forward and extend- McCullum; 2nd, Levina McCullum. Class gramme (about .0154 grain). Then of that attenuation one drop is put with 66 drops

of a half per cent, solution of carbolic acid Within eight to twenty-four hours after the introduction of the lymph the temperature rises from two to five degrees, and is an indication of the desired reaction. The professor is awaiting results with eager expectation, and is showing a most liberal and tolerant spirit. Physicians can see the patients on the first Monday in February and notice the effect of the treatment.

"Who are the patients, doctor?" "The consumptive is a young man who has been sick since August last. The lupus patient is a woman who has been afflicted with this terrible disease for fifteen years. This disease is one which eats deeply into the skin and flesh. As for the poor creature experimented with Monday her nose, cheeks and lips were almost eaten away. "Were the patients afraid of the opera-

"Oh, no. They were desperate cases, and as it was simply a question of life or

MILL MACHINERY.

death they snatched easerly at the oppor-tunity offered of possible relief."

Was the operation painfulf" "Nothing to talk about. You see there was merely a slight puncture made in the skin and then the injection."

"What does the lymph look like?" "Well, it is a composition of about the consistency of glycerine, very similar in color to sherry wine. There has been no attempt made in this country to analyze it, but it is supposed to consist largely of chloride of gold, glycerine and the germs of consumption."

The Great Blood Purifier.

A Word to the People.

"Truth is Mighty, and will prevail.

HE remarkable effects and most satisfactory results, in every variety of disease arising from IMPURITIES OF THE BLOOD, which are experienced and made manifest from day to day, by those who have taken NORTHROP & LYMAN'S VEGETABLE DISCOVERY, for complaints which were pronounced incurable, are surprising to all. In many of these cases, the persons say their pain and sufferings cannot be expressed, as in cases of Scrofula, where apparently the whole body was one mass of corruption.

This celebrated medicine will relieve pain, cleanse and purify the blood, and cure such diseases, restoring the patient to perfect health after trying many remedies, and having suffered for years. Is it not conclusive proof that if you are a sufferer you can be cured? Why is this medicine performing such great cures? It works in the BLOOD, the Circulating Fluid. It can truly be called the

GREAT BLOOD PURIFIER.

The great source of disease originates in the BLOOD, and no medicine that does not act directly upon it, to purify and renovate, has any just claim upon public attention. When the blood becomes lifeless and stagnant, either from change of weather or of climate, want of exercise, irregular diet, or from any other cause, NORTHROP & LYMAN'S VEGETABLE DISCOVERY will renew the Blood. carry off the putrid humors, cleanse the stomach, regulate the bowels, and impart a tone of vigor to the whole body.

The conviction is, in the public mind as well as the medical profession, that the remedies supplied by the VEGETABLE KINGDOM are more safe and more effectual in the cure of disease than mineral medicines. The Vegetable Discovery is composed of the juice of most remarkable roots, barks and herbs. It is pleasant take, and is perfectly safe to give an infant. Allow us to ask you a candid question :- Do you need it? Do not hesitate to try it. You will never regret it, All druggists have it for sale.

MR. JOHN C. Fox, Olinda, writes :- "Northrop & Lyman's Vegetable Discovery is giving good satisfaction. Those who have used it say it has done them more good than anything they have ever taken,"

IN ITS WORST FORM .- MISS JULIA A. PILSWORTH, Toronto, writes :-"I had Dyspepsia in its worst form for over a year, but after taking three bottles of Northrop & Lyman's Vegetable Discovery, a perfect cure followed. I take great pleasure in recommending it to anyone suffering from Dyspepsia."

MR. W. THAYER, Wright, P.Q., had DYSPEPSIA FOR TWENTY YEARS. Tried many remedies and loctors, but got no relief. His appetite was very poor, had a distressing pain in his and stomach, and gradual wasting away of flesh, when he heard of and immediately commenced taking Northrop & Lyman's Vegetable Discovery. The pains have left, and he rejoices in the enjoyment of excellent health; in fact 's is quite a new man.

Sold by all Medicine Dealers at \$1.00 per Bottle.

Ingle & Ryley.

STORM SASH AND DOORS.

A Chunk of Seasonable Advice.

Don't wait till the snow fills up the cramies about the doors and windows before you decide to see INGLE & RYLEY about proper protection in the shape of Storm Sash and Doors. Do it now and the result will likely be a better fit. It's cold work taking measurements when the mercury is "away out of sight," and the job is likely to be hurried.

The proper way to keep the cold and wind out and the heat in is to fit your houses with Storm Bash and Doors. We make a specialty of this work.

THE COUNTY POOR HOUSE QUESTION.

Continued from first page.

ligible to be committed, and the power to mmit rests with the reeve or deputy seve or two magistrat 8. Mr. Walter took an active part in agitaing for the establishment of a house of fuge, and had the satisfaction of seeing house opened twenty-one years ago first institution of the kind in the ble to state that all the ratepayers are atisfied with the institution, and every ember of the county council can justify se expenditure necessary to maintain it a state of efficiency. There was no atisfac ion in the old time in paying out soney for the support of the poor. If a serson is found poor, and neglected by his

riends, he is committed to the refuge. Ir. Walter does not think his township as paid one cent for poor grants in the ast two years. It people have friends who are poor and they refuse to support hem, they are told they must go to the sfuge, and it has been found in some see that people have thus been led to suport their indigent relatives rather than alw them to go to the refuge. Beggary has a stamped out, because citizens are abie say, and de say, to persons who may for you, and they leave the locality rather than go to the refuge. In cases where an d man and his wife are both committed ey are allowed to occapy the same ng room, but there are separate

ining rooms for men and women. Dry

pods are purchased whole-ale, and cloth-

g, except boots and shoe-, for all inmares, made up in the hou e. A stock of goods from \$400 to \$500 is kept on Carbettry work and repairs ring in the refuge are made on the semises. Cobbling is also done by inthere is a prison of six cells for refracry inmates. This department is seldom

at it is considered a necessary one for rposes of dicipline. Infortunate women who come into the fage with illegitimate children or who ay give birth to children after they have it an committed, are kept in the house a ntil the children are one year old. The r athorities, however, assume the right to | t we out children to persons who may wish | p take them, or the mother, if deemed c rustworthy, may be allowed to take her hild with her when discharged, but such in men may be detained indefinitely. All Christain denomina lone are repre-

d as there is very little insubordination,

nted among the inmates, and they may fi no may be interested in them. Religious b loes are held in the house every Sunday, | v ich all the inmates are at liberty to Indigent persons are received from

conding counties, and kept at the rate \$2.00 per week. There are also, occas in nally, some paying inmates, from among o one who may have a few hundred ollers, but are unable to care for themeposit their money with the treasurer of d be county and make their home in the h rishing to leave, a proportion of their in

There is a slight tendency toward a is not marked. About one-fifth of the mount of county rate is required for the raintenance of the house of refuge. The reneral opinion is that practical charity is carried to its legitimate and proper contains in the case of the poor of the bounty of Waterloo.

The committee next visited St. Thomas, in the county of Eigin, and met Mr. McKay. In the county clerk, who is also inspector of a county clerk, who is also inspector of a bouse of refuge, Sheriff Brown, Mr. icCausland, the county treasurer, and in a county in the clark, the laster three of whom two been members of the county council. The house of refuge is situated two miles are the city of St. Thomas, and has been counted for fifteen years. The building is tick. The general dimensions of the house in the city of St. Thomas, and has been counted for fifteen years. The building is tick. The general dimensions of the house in the city of St. Thomas, and has been counted for fifteen years. The building is tick. The general dimensions of the house in the city of Steet by 31 feet, with a wing at the
