## Where Our Furniture Has Gone DURING The Twelve Months Just Past.

In the first couple of weeks of the new year business men generally do a "heap" of thinking; the methods of the past are brought under review, new plans for the future conned over, and a resolve is formed by all to strive to make the coming year more prosperous than the last.

We've been thinking ourselves—with a deal of earnestness, too. We recollect that we started out some years ago with the avowed intention of supplying the people of Lindsay and surrounding country with Furniture, and we have prided somewhat upon our ability to do so, perhaps a trifle cheaper than most dealers.

Have we succeeded? We think we have, as regards the latter at all events. It takes time to work up a large business, and we do not claim to have sold all the Furniture that left this town during the past twelve months, but we do think we are well within the facts when we say we disposed of the major portion.

Prices will tell; we have not entered business to sell "at cost," the bait so often thrown out to gull the public. What we do claim is that with our facilities for manufacturing many lines upon the premises, successful competition in the same class of work is rendered impossible. Those who have bought from us in the past—and we have shipped goods to every point of the compass—will bear us out in this statement.

Call in and inspect our fine stock; our warehouses are near the market.

## "NICE." Doubtful Economy.

HAVE YOU HEARD OF THE MAN WHO LET HIS WATCH RUN DOWN EVERY NIGHT TO SAVE WEAR, OR OF ANOTHER WHO ALWAYS TOOK LONG STEPS WHEN WALKING TO SAVE SOLE LEATHER?

We have no very nice window display of Goods, the reason for such being that we have not had time to devote to such work.

Our present stock of CHOICE FAMILY GROCERIES is guaranteed Fresh and Cheap as the Cheapest.

A choice lot of LEMONS AND FLORIDA ORANGES just arrived, to be sold CHEAP.

**NOTICE.** Many persons suppose a Watch requires no attention when new, but only when it becomes old and nearly worn out. Now, it is just the neglect of the Watch when new and perfect that wears it out so quickly, and necessitates expensive repairs later on. Have your Watch cleaned at least once a year. The quantity of oil applied is so very small that it often dries up entirely before the Watch is again cleaned. When this happens excessive wear and serious damage is generally the result.

CHARLES D. BARR, PROPRIETOR.  
LINDSAY TOWN COUNCIL.

TAKING THE DECLARATIONS AND APPOINTING COMMITTEES—THE EVENING SESSION—COMMUNICATIONS—A SHORT SESSION.

Monday morning at 11.30 the chosen of the people assembled at the council chamber to subscribe to the declarations of qualifications and office before Mr. Fred Knowlson, town clerk. When this had been done Mayor Walters took the chair and asked the members to appoint the several special and standing committees for the year so as not to take up time at the evening session. Accordingly Dep. reeve Bryans read a list of names that, after a few amendments, proved satisfactory. Mayor Walters took occasion to remark that his experience taught him the advisability of appointing small committees—five on each would be sufficient; in that way a quorum could always be obtained upon. Following are the committees:

**FIRE AND WATER.**—Dep. reeve Kyle, chairman; Messrs. E. Bryans, G. Crandell, Wm. Kenny, J. L. Winters, G. C. Armstrong, R. Touchburn, J. C. Armstrong, P. Fisher and Wm. Kenny.

**POLICE.**—Coun. T. Connolly, chairman; Messrs. Wm. Kenny, G. Bryans, M. O'Holloran and J. Armstrong.

**LEGISLATIVE.**—Dep. reeve Bryans, chairman; Messrs. R. Touchburn, J. L. Winters, J. C. Armstrong, P. Fisher and Wm. Kenny.

**FINANCE.**—Coun. J. L. Winters, chairman; Messrs. R. Touchburn, J. C. Armstrong, R. Bryans, Wm. Kenny and G. Crandell.

**APPOINTMENTS.**—Coun. J. L. Winters, chairman; Messrs. R. Touchburn, Wm. Kenny, J. C. Armstrong, P. Fisher, M. O'Holloran and R. Cahill.

Mayor Walters, in virtue of his office, is of course, a member of all the committees.

## THE THOMAS FEE FARM FOR SALE.

The members re-assembled at 7.30 sharp, when the clerk read the following communications:

From T. B. Dean, on behalf of Mrs. Millie Martin, asking for a remission of taxes.—Laid on table.

From D. Espenson, applying for the position of auditor.—Laid on table.

From R. A. Douglas, applying for the position of fire warden and sanitary inspector for 1891.—Referred to committee on appointments.

From A. Cullen, asking the council to remit the amount of water rate charged to him on Lindsay-st.—Referred to fire and water committee.

From J. Conroy, tax collector, recommending a number of remissions aggregating \$15.—Laid on table.

From the same official, asking for an extension of the time for collection of taxes for 1891.—Laid on table.

**CHIEF CONSTABLE'S REPORT.** Chief Bell's report for the month of December was read. The fines imposed amounted to \$33.50, which had all been collected, besides \$18.50 due on old cases.—Referred to police committee.

**THE ENGINEER'S STATEMENT.** A long report from Bowman Bros., late town engineers, covering the entire expenditure on roads and bridges during the past year was presented and read, and referred to the street and bridge committee to report upon at next meeting.

**CONGRATULATIONS AND ADVICE.** Mayor Walters here took occasion to make a few remarks, in the course of which he congratulated the members of the council upon their election. Eight of the faces he saw about him had been familiar ones when he last occupied the mayor's chair. He was pleased to see how punctual they had all been that evening, and hoped they would keep the practice up hereafter. He then proceeded to appoint regular nights for meetings; some of them were rather unwieldy, and if his advice in favor of small committees had been heeded, they would have been better. It was always difficult to get a quorum. One important matter that would engage the attention of the council at the next meeting was the question of waterworks. It was well known to all that the contract for water for fire purposes between the town and Messrs. Sadler, Dunn & Co. expired next year, and the firm did not wish to renew it. It was therefore important that some system of waterworks should be speedily considered. He also hoped that the report would be carefully looked into, and that the duty of the council would be to take prompt action thereon. With regard to council work, he hoped it would be done in a more systematic, pleasant and cheerful manner. There was nothing to be gained by constant bickering between members, and he thought it might be taken as true that the members were all actuated by the desire to do the best possible in the interests of the town.

**THE TOWN AUDITORS.** Mayor Walters appointed Mr. D. C. Dunn as auditor of the town accounts for

**WOODVILLE.** [Correspondence of The Post.] VILLAGE COUNCIL.—The village council met on Monday, pursuant to statute and made the usual declarations. Members present: James Stuart, reeve; Wm. McLean, J. R. Prior and L. L. Patterson, councillors. Minutes of last meeting read and confirmed. The following officers were appointed: James Stuart, reeve; T. G. Smith, constable; P. McIntyre and W. W. Dadds, auditors; Messrs. E. McKinnon, J. McCann and H. Ferguson, assessors. The license for hotels was fixed at \$150 each. There is a big kick against the hotel keepers, although they are let down easier than any other village or town in the county.

**ONITARY.**—We regret to have to announce the death of Arch. Seaton, John Seaton's oldest son. He died on Sunday of inflammation of the lungs. The funeral on Monday was very large showing how deeply the neighbors sympathize with the bereaved parents.

**MONEY LENDING.**—Money seems to be scarce with a great many people, but no one need be hard up in this part as Mr. Seaton's safe is open for the purpose of per cent, according to amount, and his expenses are very low.

**A MUSICAL TREAT.**—The Presbyterian choir are invited to sing at Sandringham school last Tuesday and gave great satisfaction.

**BEET KEST FARM.**—A meeting of the directors of the agricultural society will be held next Monday evening to consider a circular from the secretary of agriculture and state, in which he offers a premium for the best kept farms in the township; which have to be recommended by the agricultural societies.

**EXHIBITION.**—The semi-annual meeting of the teachers of West Victoria will be held at Coboonk on 12th and 13th February. Mr. J. T. Tilley, director of teachers' institutes, will be in attendance and will deliver public lectures on Thursday evening. Subject, "Success in Life." All the teachers in this inspectorate are expected to attend.

**WOODVILLE.** [Continued.] **PERSONAL.**—We are quite pleased to have some of our old friends with us again, among whom we notice Mr. J. Jeffrey of Woodville, Mr. A. H. Ferrin of the King and Mr. and Mrs. George Prouse of Hamilton. Mr. and Mrs. Elliott of Hamilton, who have spent the Christmas holidays in the home, have returned home. Our genial postmaster, Mr. T. H. Morton, has had several of his wife's people with him for a time.

**ELKTON.**—The Methodist pulpit was filled Sunday morning and evening by Dr. Crowley of Markham, who gave two eloquent discourses from Phillips, chap. 1, 21st verse: "For to me to live is Christ and to die is gain."

**BAND CONCERT.**—The concert given by the band boys of this town in the old grist mill was well patronized and was a grand success on all sides. We are in anticipation of greater things in the future from the band, considering the rapid progress they have made so far.

**OBITUARY.**—After a prolonged illness of several months' duration, borne with Christian fortitude, the late Harry Rich passed away to the reward of the faithful, on the 15th inst. The bereaved have the sympathy of the whole neighborhood. The funeral was very largely attended.

**CHANDLER AND ESTOVAT.**—Mr. M. J. Morgan has returned to Orillia and one of our young ladies is mourning the loss of a pet lamb. We very much miss the familiar face of Mr. H. Williams and family, who have gone to Toronto to reside. We hear that Mr. S. H. Metherell and family are about to follow them when they can dispose of their property here to advantage. Mr. E.
