## ANOTHER PROTEST.

## WOOL versus SHODDY.

We do not keep Shoddy Goods of any kind, but in order to compete—in price—with a certain class of Shoddy and Manufactured Rags, which are being represented as "All-Wool Goods".

## WE HAVE PUT THE KNIFE INTO PRICES

AND OFFER YOUR CHOICE OF

- 100 Good, All-Wool Tweed Overcoats at \$4.50 each.
- 100 Extra Fine All-Wool Overcoats at \$5.00 each.
- 100 Men's (Guaranteed) All-Wool Tweed Suits, \$5 each.
- 100 Pairs Men's Heavy Tweed Pants, 89c. per pair.
- 75 Pairs Good Full Cloth Pants at \$1.25 per pair.
- Boys' Suits and Overcoats equally Cheap.

Bear in mind we stake our reputation on the quality of these Goods, and guarantee every garment as represented. At the above price you get a bona-fide first-class Overcoat for less money than a good Tailor would charge you for making alone, if you furnished both cloth and trimmings.

WE HAVE PUT THE KNIFE INTO PRICES OF

Men's and Boy's Suits, Odd Pants, Vests, Etc.

and FOR THE NEXT THIRTY DAYS will quote some prices which will astonish anyone who takes the trouble to examine the quality of the goods they buy.

A Montreal Wholesale House who wanted money badly the other day put the knife into the prices of 5,000 yards of Seasonable DRESS GOODS. Now the tables are turned—they have the money, we have the goods. We had your interests at stake as well as your own and offer at Half-Price

- 2,000 Yards Heavy Tweed Effects at 8 Cents, cheap at 15 Cents.
- 2,000 " Fancy Costume Cloths at 10 " " 20 "
- 1,000 " Fine Clan Tartans at 12 1/2 " " 25 "

Also 75 Heavy Velvet Shawls, worth \$5.00 each, at \$3.00.

AGAIN

A Toronto Fur House in exchange for Hard Cash sends us along at 50c. on the Dollar \$3,000 worth of Men's Persian Lamb Caps, Nutria Caps, Beaver Caps, Fur Coats, Ladies' Caps, Muffs, Boas, Storm Collars, Mantles, etc., which we will offer at Less than Original Cost to Manufacture. When these special plums are added to our Mammoth Stock of Bargains is it any wonder that we offer to make it a more interesting and profitable investment for you than putting your money in the Savings Bank.

Our Holiday Bargains in Men's Underwear, Top Shirts, Braces, Ties, Socks, Silk Handkerchiefs, etc., have not been neglected. We open each morning Novelties specially for Holiday Trade.

## PRICES ALWAYS THE LOWEST.

IN CONCLUDING

WE WISH OUR THOUSANDS OF PATRONS AND FRIENDS

## A VERY MERRY CHRISTMAS

AND

## A HAPPY AND PROSPEROUS NEW YEAR.

Our thanks are due to you for your valued patronage, which has enabled us to very nearly double our business during the year 1891. This, of course, has not been done without effort and labor on our part. We have scoured the markets of the Province of Ontario and Quebec to secure bargains; have hunted up dozens of hard-up manufacturers who wanted money, and who would give Bargains for READY CASH, and have in this way secured hundreds of Bargains, which in every case our customers have reaped the benefit of.

## FOR THE YEAR 1892

We again solicit a continuance of your patronage. We intend to spare no effort to again increase largely over this year's business. With abundance of capital, increased knowledge of the requirements of our patrons, better knowledge when, where and how to buy in the cheapest markets, we are more than confident we can offer you more tempting bargains than ever before. When we say Bargains we speak only of Good, Reliable and Serviceable Goods, for on this class of Goods only we have built up our large business, and we will not endanger it by keeping Shoddy or Trash of any kind.

Come where there is always a Happy Crowd of Satisfied Buyers.

COME EARLY, COME OFTEN, COME ALWAYS,

**OF COURSE,**

**YOU DO.**

When you wish to buy lumber you naturally go to a lumber merchant; if you want a new bonnet you go to a milliner; if sugar or raisins to a grocer.

Just so—you are better and more satisfactorily served by such a course than by any other.

The same rule holds good in the Watch trade, and when you want a Watch you should seek the leading watch-making establishment in your district; a house with a name for fair dealing; a reputation to inspire confidence, a standing above trickery or false representation; cash buyers and sellers that take and give the benefits of close buying in the best markets.

There you will be treated fairly and will get honest value for every dollar you expend.

But where will you find such an establishment?

Well, the purpose of this advertisement is to draw your attention to the fact that **W.B.** are trying to fill the above requirements.

We do not pretend to have a monopoly of that good old commodity, honesty—not at all—but we believe that it is no exaggeration to say that in every other way we lead by a long distance the jewellery business of this county.

Of course, there is a cause for this. That cause is simply this. We have the nerve and determination to lead and to win and hold the confidence of all with whom we have business relations.

That confidence might be temporarily gained but not retained by unworthy methods. We hope we are building on a surer foundation.

We don't pretend to sell goods at cost. We under rather than over-state the quality of goods and make no assertions until convinced of their truth.

We are as careful to avoid errors and as ready and anxious to correct any that might occur as the most exacting customer could wish.

We handle reliable goods only, and conduct our business in such a way that the fact of an article having been bought from us is presumptive evidence of its good quality.

Watches are a leading feature in our business.

Will you remember that?

Watches are a leading feature in our business.

We go into Watches extensively, on a large scale, and we mean to go into Watches more extensively, on a larger scale, in future.

Watches will be a strong point with us.

Watch our advertisements.

We carry a very large variety of the most desirable Gold, Gold filled, Silver and Nickel Watches, and can supply anything in this line required.

Our own special Watch, "The Midland," is ahead of any other. It is expensive, but it is worthy of its price and its place as the very best.

If you want a Watch of any grade or price it will pay you to buy from us.

If you want an exceptionally good Watch it will pay you to get "The Midland."

Come and see us when you are in town.

**THE COMING CANDIDATE.**

[Fenelon Falls Gazette, Dec. 25th.]

On Saturday last the Conservatives of South Victoria met in Lindsay and nominated Mr. Charles Fairbairn as their candidate in the coming election, and on Wednesday Mr. Thomas Walters was unanimously chosen by the reformers. In North Victoria Mr. Barron will be the reform candidate, though we suppose a convention will have to be held for the purpose of formally nominating him. The Conservatives are to meet on Saturday at Cobocook, and a stormy time is expected, as Sam Hughes is determined to be the candidate, and a great many prominent members of the party are determined that he shall not be elected. The odds are confident of victory, and the odds (narrowly) are tremendously in their favor.

**Mr. Tarte's Indictment of Ottawa Ministers—A Great Corruption Fund.**

Speaking at a great public meeting in Montreal the other night Mr. Tarte warned the Ottawa ministers to beware, and especially Sir Adolphe Caron, to beware how they charged him with having accepted a few miserable dollars to carry through the gigantic work he undertook of cleaning out the federal Augean stables of the McGreevys, the Langevins and others of the same stamp whose misdeeds he has exposed to the world. He threatened that, if they drove him to it, he would lay bare a terrible budget of fraud, corruption and rascality still chargeable to their account and of which he held the written record in his hands. Among the charges which he still had to make against them, he enumerated:

1. That he was incited to undertake his campaign against the Langevins, McCreevys and Connolly, by the federal ministers themselves, and especially by Sir A. P. Caron, who afterwards basely deserted him, and that it was this desertion which impelled him to seek the aid of the liberal party.

2. That on the eve of the voting at the last federal elections a great public meeting (Mr. Webster) of the people of Quebec \$45,000 for the purpose of bribery, and this to the knowledge and with the approval of Sir Adolphe Caron.

3. That \$200,000 was expended by the Ottawa government to carry the last federal elections, and that they dare not avow where they took this money, but that he knows and will expose it.

4. That the signing or indorsing of notes for political purposes, which notes were afterwards paid by others with money of which he did not inquire the source, is nothing new to Sir Adolphe Caron.

These charges, he said, he was prepared to accept as a solemnly made and as fully proved in the lighting street and house number of the McGreevy-Langevin charges; but he added that they were far from being all which the budget contained and which he intended to reveal when the proper time came. He complained that, while Judges Baby and Davidson had implicated those who had signed or indorsed the election notes which Mr. Caron afterwards paid out of the Bale des Chateaux transaction, they had very singularly forgotten to say a word against Senator Robitaille and Mr. Riopel, who had not signed or indorsed the notes, but who had actually pocketed the former \$24,000 and the latter \$16,000 of Armstrong's money.

—The Indian Gosses, now held in goal at Brantford, is said to have made a confession in regard to the Heslop murder, in which he says Bartram fired the fatal shot.

—Mr. Ketchum, the promoter of the Chicago ship canal, has submitted a plan to the Dominion government, which will enable large steamships to pass from Port Arthur to the ocean without enlarging the present canal. His scheme is to raise the steamers by hydraulic lifts at the entrance of the canal and float them on steel pontoons.

### THE BINDER TWINE QUESTION.

Mr. Fairbairn's speech in the House in support of the Combines

(From the official report, Monday, July 6.)

The question under debate was Mr. Mulock's motion to place binder twine on the free list. It was defeated by a vote of 100 to 80, Mr. Fairbairn voting against free twine.

Mr. FAIRBAIRN—I have listened with some little attention to hon. gentlemen opposite who have addressed us this afternoon on the subject of binding twine. I will say, as a farmer, and I think that I understand as much about twine as any of the gentlemen who have spoken on the subject, and have used as much of it, and I have tried all kinds of twine, that I find no twine like our Canadian Halifax twine. I say above board that I agree very much with the hon. gentleman from Wentworth (Mr. Bain) that the cheapest is not the best or the cheapest in the end. The first great principle is to get the best twine in the interests of the farmer, because we are engaged in using it when time is valuable, and when anything which interferes with the reaper and the binder is a loss to the farmer. I was surprised at my hon. friend from North York (Mr. Mulock) who treated us with the same course of argument he used last December in South Victoria, when he preached blue ruin to the farmer. I, as a farmer, do not agree with that style of argument. I do not agree with the hon. member for North Wellington (Mr. McMullen). I think that he and I, having succeeded in Canada as we have succeeded, having our herds and flocks about us and enjoying prosperity, should be ashamed to decry our country, and I would be the last man to say that the small trifle of twine which was produced here in Canada should make us pick holes in the national policy, which is the national existence of Canada. What does it amount to? Three years ago I bought 1,200 pounds of twine, and I have since that time used 300 acres of it. I have raised 80 bushels of oats to the acre, and it never cost me 6 cents an acre to bind them, and I think I grow as much to the acre as any of the western farmers. I think this matter is of too small importance and ought not to be entertained, and I will vote against breaking into the national policy and the national interests of this country in this particular.

## MUNICIPAL NOMINATIONS.

CANDIDATES FOR TOWN AND COUNTY COUNCILS.

Lindsay.

So much apathy had been displayed by our citizens in regard to the approaching municipal elections that it was a positive relief to some few who have the town's interests at heart to find the council chamber tenanted by a couple of scores of ratepayers Monday last at 10 o'clock, when Mr. Fred. Knowlson, town clerk, took the chair to receive nominations for the positions of mayor, reeve and first and second deputy-reeves. Fragments of conversation overheard from various groups encouraged the belief that no particular choice of men had been made for these offices, and this proved to be the case when the list was examined at eleven o'clock. The following were nominated:

**FOR MAYOR.**

Robt. Bryans, by J. W. Wallace and J. A. Williamson.

Peter Fisher, by Wm. Miller and Henry Nedd.

E. C. Taylor, by D. J. McIntyre and John E. Kelly.

Duncan Kay, by Rich. Touchburn and Geo. Ing.

Messrs. Geo. Crandell and D. J. McIntyre were also nominated but withdrew.

**FOR REEVE.**

J. W. Wallace, by John Martin and W. Eakins.

Richard Kyle, by D. J. McIntyre and Ancel Mills.

Mr. Robert Bryans was also nominated but withdrew.

**FOR FIRST DEPUTY REEVE.**

J. L. Winters, by J. Deacon and R. Bryans, was returned by acclamation.

**FOR SECOND DEPUTY REEVE.**

George Crandell, by Thos. O'Neill and A. D. Mallon. Messrs. R. Kyle and P. Pike were nominated but withdrew, thus giving Capt. Crandell the seat.

**FOR COUNCILLORS.**

North Ward.—R. Touchburn, W. M. Robson, D. R. Anderson, Frank Crandell, John Wilson, Isaac Finley, D. Kenny, V. S. Joe Mauder, John Mauder, W. McCure and D. Sinclair were nominated but withdrew.

South Ward.—John Head, Thos. Connolly, J. C. Armstrong, D. Luck, A. J. Bro and Sam Tucker were nominated but withdrew.

East Ward.—T. O'Reilly, Geo. Crandell, W. R. Fee, A. D. Mallon, Geo. Bryans, R. W. Tremser were elected and W. Thurston were nominated but withdrew.

**SCHOOL TRUSTEES.**

East Ward.—Thos. Walters, W. Miller, J. Gowden, G. W. Mills was nominated but withdrew.

North Ward.—R. J. McLaughlin, re-elected.

South Ward.—J. Deacon, re-elected.

**PUBLIC MEETING IN THE EVENING—SPEECHES OF CANDIDATES AND OTHERS.**

In the evening a small crowd gathered in the opera house to hear the candidates present their credentials, so to speak, and explain the views they held with regard to town matters generally. The chair was taken by Col. Deacon, who called upon the nominees to ascend the platform, but only Messrs. Crandell, Kyle, Bryans and Wallace were present.

Mr. R. BRYANS, upon rising, said he would not attempt to make a speech. He had served several terms in the council and the people were well acquainted with his record. He had likely made some mistakes, but had always had the town's best interests at heart. He had made up his mind to withdraw from the contest, and would like to improve the ratepayers that great responsibility would rest upon next year's council—important questions affecting the town's welfare would be presented, and he would do his best to give good and careful judgment. If they got good men to fill the offices they should endeavor
