After the ceremony the happy couple repaired to Mr. Thomas O'Keefe's, six miles west of Minto, where the afternoon and evening were spent in feasting, merry-making, and a right jolly occasion it was. Miss Lidia Costello and C. H. Fee presided at the piano and furnished delightful music for dancing. Patrick Callaghan and Frank Fee, sr., made it merry with their old time melodies, and all went merry til the early morning hours. It was indeed a right royal affair Mr. and Mrs. O'Keefe were the recipients of many elegant gifts. The following is a partial list; Victoria County's Sympathy. Recognizing no political party, they offer a fair proposal to the adherents of each. By purchasing \$1 worth of goods they become entitled to a guess as to the probable majority of their chosen candidate in the north or south ridings, and the guess closest to the true figure for each wins a large and valuable encyclopædia. -Fine weather and good roads brought a large number of people into town Saturday last, the north country being well represented, and the result was a good day's business for the merchants. The attendance at the market was above the average, and a deal of produce was disposed of. Collegiate Institute Notes. -The literary society's meeting opened at 4.15 p.m. The president and first vice-president having resigned, Miss B. Stewart, second vicemeeting by giving a very statesmanlike address to the electors, thanking them kindly for her election, and it is the unanimous opinion that Miss Stewart is "the right girl in the right place." As was anticipated the various other officers were called upon to speak. This they all did in the best possible manner, and if we can judge the future by the present the collegiate institute has the material for some fine giate institute has the material for some line orators. The speech of our late president was such as should be impressed deeply upon the members of the society. He advocated order as one great essential to success, and hoped that in the future the new president would be encouraged and helped, and that all would pull together to make the society a model one. The speaking being concluded, nominations were then taken for president and let vice president. then taken for president and 1st vice president, those offices being vacant. On election day the constitution was apparently not known, and the electors were told to vote for one corresponding secretary instead of three. This, of course, was done, but it was afterwards found to be unconstitutional, and it was moved by Mr. Maunder seconded by Mr. Vance, that the election be declared void. An amendment was moved by Mr. Shaver, seconded by Mr. Cronk, that the election stand valid. Considerable was said pro and con, but when the question was put to the members the amendment was carried and election declared valid. The meeting closed at 5

Lindsay, Jan. 21, 1892.—89 COMMERCIAL NEWS.

OFFICE OF THE CANADIAN POST, LINDSAY, Jan. 28, 1891. Toronto Live Stock Market.

Receipts Tuesday at the western cattle market were 17 loads, including 315 cattle, 137 sheep and lambs, 40 hogs, Business has hardly recovered from the depression caused by last week's too liberal offerings, particularly of cattle, and although there was considerable buying done prices were low and sales were draggy, buyers taking advantage of the prevailing dull feeling to be independent and purchase almost on their own terms. Three loads of cattle only were bought for Montreal. The report comes from hat market that none but first-class stock can find a sale there, and as the supply of good export stock was limited on our own market the Montreal dealer present had some difficulty in getting tegether even three loads, filling up one load with inferior to medium stock. Last week the receipts were 1,688 cattle, 835 sheep and lambs, and 499 hogs.

Cattle—With lighter receipts the market was

a little more active than on Friday, but prices were low, inferior and rough cows selling down to 2½c, the top being about 2½c per lb. Good 1,000 to 1,050 lb butchers' beasts sold at 2½ to 3½c, and choice 1,100 to 1,125 animals brought from 31 to He per h. In only one transaction that we heard of did the price reach ic, and that was for a small, ploked lot of the best butchers' stock on the market. There was a prospect of clearing up most of the best stock. Among the transac-

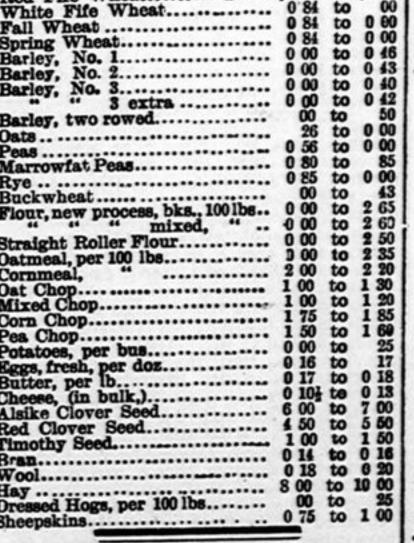

22 mixed, (ex.) aver'gl,025 lbs at \$ 3 121 per owt 7 sters, choice " 1,140 " 4 10 " Milch cows—There were only about half a dozen offered, and these met with little enquiry. Prices range about the same as quoted last week that is from \$30 to 45 per head, with an occasion-al fine beast bringing \$5 to \$10 advance on the

pressed state of trade, dealers regard prospects of a good spring trade as very uncertain. The price Tuesday for stockers ranged from \$3 to \$3 25 per cwt; 7 fairly good animals having been bought at \$3. Bulls sold at about 2½ to 3½c, but the stock offered to day was not as good as the offerings of last week. One fair butchers' ani-mal weighing 1,550 lbs, sold at \$3 per cwt; another, weighing 1,400 lbs, sold at \$2.75 per

prices somewhat easier. Dressed is offered liberally and at low figures and the demand for live stock is necessarily light. Good 85 to 105 m lambs sold to day at \$4 to \$5 per head, one bunch of 95 bringing \$4.30. There is but little demand

Hogs-With 85 on the market from Tuesday's receipts and only 40 fresh arrivals prices were firm at from \$4.10 to \$4.30 per cwt off car. Dealers report the prospects good for a brisk future trade, the hard weather, good demand and past few days' light receipts all favoring this view.—

THOMAS WALTERS

A. Higinbotham.

Is running against Chas. Fairbairn in South Victoria for the commons. Corn-a-Copia ran against time last week for a thousand dollars, and WHITE PINE BALSAM is running against a head wind and all competitors to beat the band in curing Coughs, Colds, Hoarseness, Bronchitis, etc. Isn't it a remarkably funny thing that people come into Higinbotham's drug store and ask us if we keep hair brushes, when it is a positive fact that we have a great big pile of the cheapest brushes and combs in the County of Victoria.
