E. E. W. MCGAFFEY,

Lindsay's Leader Low Cash Price Dry Goods House

As was expected, the patron candidate, Mr. Tucker, was elected in West Wellington, on Friday last, his majority being slightly greater than that obtained by his brother at the general elections.

The dispatches gravely announce that Prince Henry of Battenburg "appears to have had some premonition of death" before leaving for Ashantee, as he entered into negotiations for "heavy life insurance policies."

Hamilton Times: "Everything comes to him who waits," somebody has said, and at last a suitably government job turns up for W. W. Buchanan. It is proposed to boom Canadian cider in Britain.

There is talk in the old country of Edward Blake succeeding Justin McCarthy as leader of the Irish Nationalists. Mr. Blake is an exceptionally able man and is bound to come to the top.

The Toronto Orange Sentinel has heretofore always been known as a supporter of the tory government, but its record is too much for it, and it refuses to defend its incompetence, corruption and extravagance.

The instruments formerly owned by the members of the Citizens' band, being now the property of the town, and a committee of citizens having been appointed to conduct the affairs of the organization, and it being desirable to increase the number of the band, the undersigned, hereby agree to contribute the sums set opposite our respective names towards a fund to be applied by the said committee in increasing the efficiency of, and purchasing the necessary additional instruments for the band.

These were the conditions under which the subscriptions were obtained, in addition to a grant from the town council. As one who has always taken an interest in the band, I feel it my duty to mention these facts for the benefit of all concerned, and particularly for the guidance of the committee of investigation.

Hoping, Mr. Editor, you will give this aspect in your valuable paper.
