CORRECTED RESULTS OF LAST MONDAY'S ELECTIONS.

low the Popular Vote Was Distributed Among the Candidates for Town, Township and County Honors.

election day is over, our citizens are congratulating themselves upon the fact that the calibre of the new council compares very favorably with that of last year's body. True, Mr. Jas. Graham, last year's ed one of the county commissioners, but luckily Reeve Ray and Coup. Sootheren, with Mayor Smyth, have a thorough knowledge of the town's financial position and needs, and Mr. Horn will bring to their aid keen business acumen and thoroughness. Mr. W. M. Robson, whose victory over Capt, Crandell in the struggle for the second deputy-reeveship was one of the surprises of the contest, has also had a long municipal experience, and being a shrewd, careful business man, may be relied upon to further the town's JE Ellis ..... best interests in every possible way.
We may state that Messrs, E. P. Gillogly,
J. D. Graham, W. Pedlar and J. Killaby
represented their respective wards last
year, and their good records led to their
re-election. The new men are Messrs. Mallon Bryans Haldwin Barrows and Horn lon, Bryans, Baldwin, Burrows and Horn. The two former are old councillors who had retired for a season to give other ratepayers a chance, and their familiarity with council methods will prove valuable. Dr. Burrows has a number of veforms to advocate, and being of an original turn John Stacey, Richard Rich. of mind his suggestions may prove of great value. Mr. Baldwin has not as yet had any experience in municipal matters, but as he is credited with being possessed of a fund of good common-sense no doubt he will speedily find opportunities to apply
