ALL THROUGH ONE GATE.

LINDSAY, FRIDAY, JAN. 15, 1897.

Let us fancy a state of affairs like this uppose that nothing to eat could be produced in England; suppose a war, in which | cial Fat Stock Show, held in the city of Il the ports of England were so effectively | Guelph last month. With four head of and continuously blockaded that no food whatever could be imported for a year. the race for the grand sweepstakes. One What would become of the people? At of his steer. 22 months old, tipped the best only a few could leave the country; beam at 1 625 lbe., and was sold for \$112.75. the vast majority must remain. The ques | Another, 15 months old, carried the beam tion answers itself. Such a situation is down at 1 250 ib., and was brought home not likely to occur; God forbid that it ever should, but the grim fancy may teach some of us a lesson that we can use to the most bitter and exciting school elec-

For example, a lady is speaking of an off last week, and resulted in a complete occasion when she was very ill. What her | rout of the family compact party. The ailment was she did not know. It first | election of Mr. Rose over Mr. McCally appeared in November, 1890. Up to that simply means a settlement of the trouble time she says she had been healthy and which has been raging at fever heat for strong; never needed a dector. At that | the past two years. The decision of the time she falt, not so much that she had minister of education in the matter is also been attacked by illness as that she had a warning to trustees not to go against the lapsed into it. She was languid, tired and weak, without perceiving any reason first power to do so. This school trouble why she should be so. "At first," she was first caused by the trustees moving says, "my appetite failed me, and I had no the schoolhouse from the front of the lot desire for food. I could partake only of to the rear of the same against a vote of liquids, and after the simplest diet I had the ratepayers of 7 to 31. This is the hisgreat pain at the chest. Sometimes I tory of the trouble in a nutshell. C.m. was selzed with giddiness, and had pain plaints were at once made to the inspector across the forenead and temples.

"I became so low and weak that I was confined to my room for a fortnight, and could barely walk across the floor. I continued to grow worse, losing strength daily. In the early part of December, 1890. I thought I would try a medicine that had greatly benefitted my two daughters, one cal health officer to report, and also of whom had suffered from weakness and indigestion, and the other from poorness investigate and report to him. This comof the blood. "The name of the medicine is Mother

Seigel's Curative Syrup, and I prosured it from Mr. Shirtcliff, the chemist, in Goldhawk Road. After I had taken the Syrup | The arbitrators condemned the action of two days I found myself a little better. | the trustees and recommended that a new My appetite returned, and what I ate site be ordered, which has been done by digested and gave me strength. By the the minister. The expenses will be paid by time I had taken two bottles I was com. | the trustees. pletely cured, and have sirce been in the best of health, not requiring medicine of any kind. I have recommended Mother Seigel's Syrup to many of my friends, and they have found benefit from its use. If by publishing this letter other sufferers may come to know of the curative powers | ford of this medicine, you are at liberty to make it public. I will answer any inquiries. Yours truly, (Signed) Mrs. S. Buckingham, the English church, Cannington and 23, Oaklands Grev. Shepherd's Bush, London, September 16 h, 1892.

The reader will no ice that Mrs. Buckingham speaks of her two daughters, one address and a handsome and well-filled of whom had been cured of weakness and indigestion, and the other of poorness of] the blood, by the Syrup. On this point | twelve months since you, prompted by the we merely desire to suggest that both the young ladies were (as their mother knew) troubled with the same complaint-one perhaps in a stage a trifle more in advanced than the other. Poverty of the blood means simply a lack in it of the vital elements, which food alone can supply; and desire is the advancement of Christ's no food can supply them unless it is per- kingdom. During this time you have, by feetly digested. Thousands of women are thus afflicted, and are being constantly saved by the effect of Mother Seigel's Curative Syrup on the stomach and the other digestive organs.

Then, what do we make of the illustration which introduces this article? This: The human body is like the population of a great country—it must be fed. Every muscle, bone, and bit of flesh is merely food altered into that form by the digestion. Yes; even more than this. Our illustration goes deeper than we thought. While it is not supposable that England could fail of assistance from her own soil, the human body in no way helps itself. All its support must come from the outside, and all pass through one gate-the We thus see the great work done by the Syrup in keeping this gate always open are listened to attentively by interested and available.

VARIETIES.

The miser's walk is represented as stooping and noiseless, with short, nervous, anxious steps.

MRS. P., says: "My daughter was pale and weakly for two years; she took Milwork, such being impossible, as we er's Compound Iron Pills for one month realize that you must look to a higher and is now well and strong." 50 doses for source than man for your reward, which

Quick steps are indicative of energy and agitation.

Tip-toe walking symbolizes surprise, curiosity, disretion or mystery.

HOOD'S PILLS are the best after-dinary for the richest blessings of our Saviour.

May you grow in grace and in the knowledge of the Lord, and thus be amply ner pill : assist digestion, prevent constipa-Ion. 253.

LOCAL NEWS-LETTERS

CAMBRAY. [Correspondence of THE POST.] PERSONAL.—Mr. and Mrs. John Douglas and daughter, of Manitoba, came back to Fenelon to visit Mrs. Douglas's mother, Mrs. Oxby....Mr. David Rogers has come home from the North-west to visit his friends...Mr. Wm. Douglas has returned home from the North-west, and his brother Robt. returned with him. Wm. has rented his farm. He and his family are going to move to Manitoba.....Mr. and Mrs. John Patton, of this place, have raturned home from Muskoka, where they visited friends for two weeks Mr. Robert Irwin, of the 4th line, died last Monday morning, Jan. 4th, after two weeks' illness.

GLENARM.

[Correspondence of THE POST] BUSINESS.-The holiday season is now over, and the people of our quiet village have again settled down to business. CHURCH NOTES -Last week being the week of prayer, the meetings were not well attended owing to the bad state of the roads leading into the village.

ELECTION NOTES .- We have again to congratulate our old friend, Mr. Colin N. McDonald, on his election as deputy-reeve by an increased majority.... We also extend congratulations to Mr. R. McFadyen on his election to the council by acclamation. We have no hesitation in saying that the attairs of the township will be well looked after. RUNAWAY ACCIDENT. - Mr. William Foreman, of Palestine, had a runaway in the village last week which resulted in

molished buggy. BASKET SOCIAL.—A basket social under the auspices of the L O. L. of this place, will be held in Thornbury hell on Thursday, Jan. 21st. A good literary program is being prepared and a good time looked for. Ludies bringing baskets free, and an admission of 10c to those not bringing baskets. A cordial invitation is extended

MY THOUGHTS AND EXPERIENCE.-W could not do without THE Post, It is the farmer's friend; Twili came to him without delay

Who does one dollar send. It's steadily growing larger And better every day, It ought to be in every home -That's what the people say.

It visits rich and poor; It slways has a welcome To every person's door. Friends, send along your dollars The beginning of the year-It brings us home and foreign news,

And always doth us cheer. Then, lose no time in sending, For all now have a chance; Besides the other nations, It goes away to France.

Tis right, then, we should praise it, Satisfaction it doth give; Tis right, too, we should take it, As long as we do live.

We wish its many readers And all those of its staff, A happy year, and plenty-

The best that man can pass, IMPROVEMENTS.-Mr. John Ross, of this place, one of our most enterprising farmers, whose relatives live near Beaverton, and of whom the writer made mention about a year ago in his paragraphs to THE Post about taking a tour through a portion of the North-west and Algoma districts the two pravious summers, and of which he spoke in highest praise, especially of the latter, and at that time would have liked, we think, to have moved to the latter place if suitable arrangements ould have been made, now seems resigned to stay in Innisfil. As a proof, he has been making great improvements on his farm and outbuildings, and especially the latter. Little batter than a year ago he got his 30 x 60 ft. barn raised and a stone foundation put underneath, and in addition made it 24 ft. larger and about 20 ft. wider the whole length, giving fine stabling under the whole building. On the building he has just had erected a fine top floor Mr. Ross has one belt attached to and everything is handy and useful about it. It will be but right to congratulate Mr. Ross on his enterprise, and we must

P.S.-You will find enclosed \$1 subscription for the year that has just expired.

Granby Rubbers.

Rubbers are always "up-to-date."

They are honestly made of pure

rubber, thin, light, elastic, durable,

extra thick at ball and heel.

It is no wonder that rubbers, which are not the same shape as the boot, should be uncomfortable. It costs money to employ skilled pattern makers but the result is a satisfactory fit. Each year new patterns are added, to fit all the latest shoe-shapes, and Granby

Don't Draw the Feet They Fit the Boot

Shorey's Clothing.

Every garment is warranted to give satisfaction and has a little uarantee card in the pocket. Their materials are all good and every seam is sewn with the best

Ilinen thread. Shorey's Clothing is cut on such a variety of patterns that any figure can be perfectly fitted. All Shorey's Bicycle Suits and Spring and Fall Overcoats are Waterproofed by the Rigby Process and no extra charge for it. All dealers sell Shorey's Clothing now because their customers

insist on having it.

HERE AND THERE.

Got an Eagle. The Bolcaygeon Independent says :-President Cleveland is herely notified that the emblem of his blooming country is at this moment hanging by the feet among the tin pails and coal oil cans at Mr. A. E. Bottum's hardware store, And no wonder. Worried with being eternally knocked around on silver dollars worth fifty cent, and sore at heart with the jawsmiths of his nation, it came over to the quiet sec usion of our woods and took a dose of a rychnine. Mr. Wm. Oliver, of Harvey, went to Round lake about two weeks ago and put out some poisoned bait for wolves. When he went again to look for wolves he found a pol oned bait had been taken by the noble bird. He is brown, flecked with white, the lower part of the back and tail being more white than brown. He stands three fet from foot to beak and his wings spread 7 feet 10 inches. Mr. Bottum will have him skiltuily mounted by a Peterboro taxidermist, and when our American cousins come over next summer they will find still greater officulty in discovering the diff rence be seen the

north and south sides of Lake Outerio.

Church Notes. -The morning discourse at Cambridgeet. Methodist church on Sanday was based on the words of John 3: 3, "Verily, verily, I say unto thee except a man be born agair, he cannot see the kingd m of G d. This is the answer of Christ to Nicodemus, the ruler, who apperently did not unders and the meaning of the new birth. Belog born of the epirit is not that which is visible, for even as the wind blow th where it listeth, and thou hearest the sound thereof, even so, the spirit cannot be seed, but its work made manifest in the life and practice of the receiver, raised from that of the worldly to the spiritual resim of God given thought and ac ion The evening text was found in Lake 13: 67. you, though your case may be desperate being the parable of the fruitless ng ir e. If a man plants a tree, and by careful attention, he expects fruit, even so Gos of | fall and other medicines prove unavailing His children. If we do not live to record for relief, that Paloe's Celery Compound nition of the claims of God, then our tife is incomplete. We should fulfil our life's old outside to-day at 83c, and red at | destiny, being citizens of two worlds, with | realize or h pe f r. M M Gruer says: a soul immortal. A man that lives with the intention of doing wrong continually, his life is fruitless, and while we cannot judge of such a life and say out it down yet we realize the life is not the fullest and richest. God's mercies are multitudinon-, yet why should we leave off our acceptance til perchance a death bed is ours. One of the healthy signs at any time is the feelings of wrong living and uneasine's, for not relieve me in any way. It was then I and if the cowboys found they were which there is but one cure—turn to God,

He will accept and save. Donations to the Home.
