There is no reason why any boy should wear poorly made clothes, because the very best clothes can now be had readymade. Messrs. H. SHOREY & CO., of Montreal have made a reputation for Boys', Youths', Childrens' and Men's

ready-made clothing. These goods are all sewn with lines thread, the cloth is thoroughly sponged and shrunk, and the workmanship fully guaranteed. In the pocket of every garments of Shorey's Clothing is a little tioket guaranteeling it. If you insist on seeing this ticket before buying, you can be sure of getting Shorey's make, as they are the only house who venture to guarantee their workmanship in this manner.
