ELDON STATION. (Correspondence to The Post) Hymenal.-At the home of Mr. J. Campbell, of this place, was the scene of the marriage of his only daughter Rachel M. to Malcolm MacLean, general merchant, Egbertson of Mrs. MacLean, of Bolsover. The young couple were united in holy bonds of matrimony on Wednesday, the 4th inst., at two o'clock p.m. by the Rev. Mr. McEwen, Presbyterian pastor of Lorneville and Eldon Station. The bride was dressed very becomingly in blue silk with a bridal veil and wreath of orange blossoms and was assisted by Miss S. T. MacLean, sister of the groom, and Miss E. Gillanders, of this place, and Miss M. J. Campbell, maid of honor, while the groom was ably assisted by Mr. John McEwen, of Lorneville, and Mr. D. A. McLean, of Butte City, Montana. Mrs. MacLean will be greatly missed by all her many friends as well as her parents and relatives. She was always greatly esteemed by all who had the privilege of knowing her. She will also be greatly missed by the congregation of Eldon Station as she took an active part in the church services and officiated as

organist for some time, but we are pleased to know that our loss is others' gain, and we can safely say that Mr. MacLean is now one of the happiest men in Canada. We all join in wishing Mr. and Mrs. MacLean all the joy and happiness that this world affords.

He was brought to the Falls on Friday, and under the circumstances is doing as well as can be expected.

The Valyear family have had their share of accidents this being the fourth bad accident during a year. Mr. Valyear was injured in the mill yard in the summer, Andrew had his leg broken in the spring, and Frank was thrown from a runaway carriage in the mill and hurt his knee.

DUNSFORD. (Correspondence to The Post) The annual meeting and tea in connection with the Presbyterian church, Dunsford, was held on the evening of Tuesday, Jan. 3rd. The evening was favorable and a large number of members and adherents were present. An excellent tea was served by the ladies of the congregation after which the business was taken up. Very encouraging reports of the work of the past year were given by the pastor on behalf of the session, and by the treasurer. It was decided to establish prayer meetings in the several parts of the congregation, and also to try to secure the services of Rev. Mr. Mitchell for a few weeks' special services. When the other business had been transacted Messrs. Thos. Kingsboro and James Robertson came forward, and on behalf of the congregation presented the organist, Miss Angelina Hay, with a beautiful dressing-gown, valued at \$10.00. Dear Friends.-We, the board of management, on behalf of the congregation of the Presbyterian church, Dunsford, have great pleasure in expressing to you our appreciation of the assistance you have rendered our Sabbath services in your position of organist and choir leader. We feel that although the present session is to you as a member of the Presbyterian church to use His honor and glory whatever talents our heavenly Father has bestowed upon you, yet we also recognize the importance of the position you occupy and that time and study must be expended in preparing the music for a correct and elevating rendering.

Therefore, as a token that your endeavors are approved and duly appreciated by this congregation we have great pleasure in presenting you this dressing-gown, and that He in whose service you have endeavored will be pleased to accept your grateful effort to lead his praises here on earth and finally receive you to chant the song of the redeemed around His throne in glory. His is the earnest prayer of the congregation of the Presbyterian church, Dunsford.-Signed, William Humphrey, Edward Wollard, secretaries of committee.

Miss Hay replied, thanking the congregation for this mark of their esteem. Her father, Mr. John Hay, also thanked all for this token of their appreciation of the services rendered.

PLEASANT POINT. (Correspondence to The Post) There is at present considerable sickness in our midst. Mr. George Greer, who has been ill for some time with typhoid fever is, we are glad to say, recovering, but it will be some time before he will be able to go about.

Master Joey Greer, son of Mr. Jos. Greer, is suffering from an attack of inflammation of the lungs. We hope that Joey's cheerful face will soon be among us again.

A somewhat painful accident befell Mr. John Jackson last week. As Mr. Jackson is over ninety years of age he is rather frail, and on Tuesday last in some way he lost his footing and in falling broke a small bone near the hip. Dr. Gillespie was summoned, but on account of Mr. J's advanced age decided that he could do nothing.

What to a young person would seem but a slight accident may on this account prove most serious, but we hope that Mr. Jackson's strong constitution may serve him in good stead, and that he may soon recover from the effects of the accident.

An accident which fortunately proved not very serious, but which might easily have been otherwise, happened the same evening to Mr. John Hay. While driving home from the annual meeting of the Presbyterian church, Dunsford, the tongue of the light sleigh suddenly broke nearly opposite Mr. Robert Brown. As the sleigh was being driven by Mr. Hay, the tongue broke the horses tried to get away and dashed into a cutter ahead, in which were Messrs. Jos. McAllister and Jas. Jackson. Mr. Jackson checked the horses from jumping into the cutter by a vigorous use of the whip from the front. During this time Mr. Hay pluckily held on to the lines, but was suddenly pulled over the dash-board. When the horses' progress was stopped from in front they tried to get over the side, but were caught before running very far. The only damage done was the breaking of the tongue and some other slight damage to the sleigh, and thanks to the kindness of Mr. Jackson, who took Mr. Hay's passengers in his

sleigh, which was just about everyone got home safely.

Miss Bertie Irwin, of Bobcaygeon, is at present spending her holidays at home. We all join in wishing her a very happy New Year.

The services will be given for best costume, and the band will be in and will dance. Supper furnished if desired. A grand time assured. Admission, 15c, children 10c.

We do not want to use the columns of The Post to save the cost of an advertisement, but we have a few interesting and entertaining items, like our lot, who have done so well in giving time and means in securing our joint cheese and butter market, and we are sure you are doing things right to far, followed by such fine results, so we ask credit to be given and a small meed of praise and slapping on the back, most appropriate. We will require some printed blanks when under way, and will get them at The Post printing house and likely send you a "hunk" of cheese and a print of butter to all those who are the editor who gives us so much space for items from here.

Our teachers must be doing well, and we hope they will stick to it. They have been re-engaged again for the eleventh time.

We are glad that the House of Representatives has done so well, and hopes it may prove a refuge in times of the unfortunate, although Mariposa is not entitled to much credit in the case.

Last Monday was a red letter day at the Creamery, about 4000 lbs. of milk being delivered, several patrons commencing from Ops. Butter selling at 20c per lb. certainly pays well, and in dist. it is good news. There have been in operation some years ago the patrons claim that good milk cows pay better to feed in winter than beef cattle. A meeting of patrons is to be held at the Creamery on Monday, 16th inst., at one o'clock p.m. Any person is invited to see the Creamery in operation and hear the statement of returns to patrons for the month of December.
