Dear Sir,-I suppose you will be surprised to hear from me, but I knew that the members of the Curling Club would like to see an account of the big time that the curlers have had here. I have joined the St. Paul Club and I find them a fine lot of men. Of course they all wanted to know how Jack McMillan is, and they were glad to hear that he was O. K. when I left the good old town of Lindsay. I have met a few curlers from Winnipeg who have curled against Mr. Flavelle and his rink, and they all say that Lindsay curlers are true sportsmen and perfect gentlemen. There have been some fine rinks here, but I am sure that the Lindsay Club could have sent four or five rinks that would have taken most of the cups.
