The Canadian Post. LINDSAY, FRIDAY, MARCH 20, 1891. NEWS OF THE WEEK. HOME AND FOREIGN ITEMS OF INTEREST.

General Camponon, formerly French minister of war, is reported to be in very bad condition physically and little more than a wreck mentally.

Terrible weather has prevailed in the North of England since the middle of the week from six to fifteen inches deep.

Mrs. O. C. Hansen of Pelican Rapids, Minn., hangs her infant on the hinge of a door, then drowns a half grown boy.

Nearly \$10,000 was found in the lining of an old coat in St. Paul, Minn., which belonged to the late Judge H. M. Cooley.

La grippe is again visiting the vicinity of Colborne, Ont., and physicians report a number of cases.

During the year 1890, 61,335 persons emigrated from Ireland, a fall of 9,285 from the year 1889.

The steamer Adanacora, from Mobile, arrived at Queenstown Monday with her hold full of water.

experimenting with the serum of the blood of a dog, the dog possessing absolute immunity from tuberculosis.

The Journal Official published a despatch from Toronto, Monday stating that Wm. Koebel, an agent of the Chinese custom house, and his wife, both of whom were British subjects, have been murdered by Tongque near Beas, a post of the French army of occupation.

A month ago Mrs. Frank Baur of Canton, Mass., gave birth to a baby girl, for whom Mrs. Baur's 4-year old son conceived an intense dislike.

On Sunday evening, March 1, a man, his wife and child started across the river from Windsor to Detroit on the steamer Lanadown.

A Dublin cable says: While the Dublin mail was near Castles on Tuesday a passenger named Gavin suddenly drew a knife and commenced slaying those about him.

A London cable says: At a large meeting at Mitchellstown on Monday, many priests being present, the opinion was generally expressed that the Parnell would triumph at the election.

The steamer Adanacora, from Mobile, arrived at Queenstown Monday with her hold full of water.

On Monday week a young man named Ernest Eagle of Perry while taking out pulp wood in the bush accidentally broke his right leg at the knee joint.

A mob on Monday last went to the house of Mrs. Wilkinson, of St. Charles, Ky., whose husband and sons are charged with poisoning Mr. Ferguson and Mr. Watta, and hanged her, and now are searching for Mr. Watta.

The four-year old son of Robert Shields of State Dock, Pa., was Wednesday afternoon by a large cat which had been abandoned. The cat clasped the child about the neck with its paws and sunk its teeth into the boy's lips.

followed, and thousands throughout the country have been cured by its use.

Not in the menagerie—The bear is you are bilious. Use Dr. Casson's Stomach Bitters if you are dyspeptic.

Owen Electric Belt. THE OWEN ELECTRIC BELT. And Appliance Co'y.

Professor Agassiz says: "The time has come when scientific truth must be written into the common life of the world."

THE REASON WHY you should use electricity is because you can cure without medicine.

REHEVATISM is a disease common to all animals. It does not respect sex, color, rank or occupation.
