IS not only a distressing complaint, of itself, but, by causing the blood to become depraved and the system enfeebled, is the parent of innumerable maladies. That Ayer's Sarsaparilla is the best cure for Indigestion, even when complicated with Liver Complaint, is proved by the following testimony from Mrs. Joseph Lake, of Brockway Centre, Mich .: -

"Liver complaint and indigestion made my life a burden and came near ending my existence. For more than four years I suffered untold agony, was reduced almost to a skeleton, and hardly had strength to drag myself about. All kinds of food distressed me, and only the most delicate could be digested at all. Within the time mentioned several physicians treated me without giving re-lief. Nothing that I took seemed to do ed until I commenced the use of Ayer's Sarsaparilla, which has produced wonderful results. Soon after commencing to take the Sarsaparilla I could see an improvement in my condition. My appetite began to return and with it came the ability to digest and with it came the ability to digest all the food taken, my strength im-proved each day, and after a few months of faithful attention to your directions, I found myself a well woman, able to attend to all household duties. The medicine has given me a new lease of life."

ONTARIO COUNTY. THE PICKERING LOCAL OPTION BY-LAW. The motion to quash the local option by-law came before Justice Armour for hearing at Osgoode hall on Friday, and was allowed without costs. DuVernet moved the order and Aylesworth, Q.C., and Farewell, Q.C., opposed the motion. The chief ground on which the motion was allowed was irregularities in publication, yet it would appear from reading the report of the proceedings in the daily press that other points were considered as well. The irregularities in publication consists in the by-law being advertised four days longer than the law allows. This seems a small matter in itself, but it proved sufficient to quash the by-law. It is the present intention, we are told, to ask the council to submit another by-law to the electors without delay .- [News.
