LINDSAY, FRIDAY, MARCH 8, 1895. THE ADJOURNED CONVENTION

South Victoria will be held in the Academy of Music to-morrow, Saturday, selves. at one o'clock p.m. J. D. Edgar, M.P.P., the well-known and clever representative of West Ontario, will be present and will I say more -it tends to make it less. How deliver an address. All delegate are expurposely made high enough to keep out foreign goods and leave the field to out foreign goods and leave the field to our home manufacturers.

LAURIER TO VISIT LINDSAY.

We are pleased to be able to announce sented to visit Lindsay, and will speak in the Academy of Music on Monday, 25th ment at the same time, and this is the The citizens of Lindsay and the electors of the south riding of Victoria may congratulate themselves on being able to for me nor any one else, but he will keep secure this visit from Mr. Laurier, who has fairly captivated the people of the "What fools these mortals be ! Dominion wherever he has delivered addresses. The meeting has been so arranged that the farmers and those residing within driving distance may be able to be present and hear the great liberal leader.

PROMISES AND PERFORM ANCES.

The first time a candidate seeks election he may be excused for making promises and sketching out a policy, but when he seeks re-election he ought to depend on his record. Unfortunately for the member A good many were there, too, who can right to put what I may believe to be for for North Victoria, he has no record to hardly be called regular church-goers. the best interests of the country before depend upon. The abundant promises Rev. Mr. Johnston took for his text 2 Sam. any party consideration. That he made before the last election are 15: 21, and in a few opening sentences and reform of the senate, I agree with the cotally unfulfilled, and the less said about these the better. He now presents as a reason for his re-election a second and would lead them to serve rather than be less in connection with our political enlarged edition of promises. The Trent served, to bear the burden of the world system, and a general decrease in official-Walley canal is not only going to be built, and work in every cause of truth and ism. I believe that the government of the Valley canal is not only going to be built, and work in every cause of truth and country should be an institution for doing but branches up the Burnt River to right, rather than wait for attention, and the business of the public in as conomical Kinmount, and up the Gull river to Hollow Lake, are faithfully promised, also 2 road across the marsh to Cameron, to any and all who are simple enough to | Ittai, give themselves for what they were Believe it. The expenditure he is promising North Victoria would amount to about \$10,000,000, and as any constituency cannot expect to get more than a fair share of public expenditure in order to carry on things in accordance with his promises, the national debt must be and charged him with having a childish and wholly apparentation of the

mentioned in the house of commons, and Mr. Hughes has no authority whatever to gromise any of them. Any other candidate who is dishonest enough could smake the same promises, and others. Barnum said, "the people delighted to be humbugged," and Sam acts on that

principle. The principle is wrong. It may succeed for a time, but the end comes ; while faumbug acts temporally, it takes merit them, he felt, were more imaginary than
