The Weekly Satch of Fires. -On Saturday last, shortly before noor, he roof of Mr. Alex. Minty's house, east refined men have been selected for the purpose, and the first meeting was held in New York on Sanday last. the roof of Mr. Alex. Minty's house, east ward, was discovered to be on fire, and an alarm was sounded to summon the brigade. Owing to the frequency of fires of late the citizens turned out in crowds to learn the whereabouts of the fire, and followed the hose wagon to the scene. By the time Bros', big fire and water sale on Saturthe water was turned on the upper storey was all ablaze, and though the fire was quickly extinguished Mr. Minty's loss will be severe, as he was uninsured

-A second alarm was sounded on Sunday evening about 9 o'clock, and again it came from 'the ward." A high wind was blowing at the time, and much concern was expressed at the some what tardy appearance of the hose wagon. About the time the team dashed into view it was learned that the burning out of a chimney in the French village had led some extra careful person to pull the bell-ropt.
