CANCER OF THE LIP

CURED BY AYER'S Sarsaparilla

I consulted doctors who prescribed for me, but to no purpose. I suffered in agony seven long years. I began to use Ayer's Sarsaparilla. In a week or two I noticed a decided improvement. Encouraged by this result, I persevered, until in a month or so the sore began to heal, and, after using the Sarsaparilla for two months, the last trace of the cancer disappeared.

D. Smart, work on ditch at Little Britain. \$50

Among the people of this neighborhood none is better or more favorably known than Mr. Thos. Strang. Mr. Strang is a man of middle age and a bachelor. A few days ago he related to the Herald the story of his recovery from an illness which he believes would have resulted fatally but for the use of Dr. Williams' Pink Pills. The origin of Mr. Strang's trouble was the gripe which developed into heart disease. He laid for months with every nerve in his frail body unstrung. He tried many medicines, but none seemed to materially benefit him. He would rally at times and endeavor to walk, but his system being reduced and weakened he would frequently fall prostrate to the ground, and his friends had to carry him into the house. This terrible state of things lasted for months and all the while he was getting weaker, and even the most hopeful of his friends feared the worst. Mr. Strang was strongly urged to try the world renowned Dr. Williams' Pink Pills and consented to do so. A neighbor was dispatched to the Comber drug store for a supply. In a few days after beginning their use he began to improve. In a couple of weeks he was able to walk around, and to-day Mr. Strang is rejoicing and telling the same old story that hundreds of others are telling in this fair Dominion—the story of renewed strength through the use of Dr. Williams' Pills. Mr. Strang is now a sound man. Quite frequently he walked to Comber, a distance of six miles, to attend church. He informed the Herald that he was only too glad to give his experience so that suffering humanity may also reap the benefit and thus be released from the thralldom of disease and pain. To his benefactors—for such they are—Mr. Strang feels that he owes a debt of gratitude. With him the days when beads of agony stood on his brow have passed away, and his body has been regenerated anew by the use of Dr. Williams' Pink Pills.
