LINDSAY FRIDAY, MARCH 6, 1896.

LOCAL NEWS-LETTERS

BURNT RIVER.

TEA.—The Orange lodge is going to give a tea and entertainment on the evening of March 13th. A number of speakers from a distance are expected to be present and all who attend may expect a rare treat.

ILL.—Sickness is epidemic in this locality. Mrs. Gilmore is dangerously ill, and very little hope is entertained for her recovery. Miss Smith and John Windmill are the sickest.

SCHOOL ATTENDANCE.—On account of stormy weather, bad roads and sickness, attendance at our school is somewhat smaller than usual.

A GOOD CHOICE.—As it is generally understood that a new postmaster is to be appointed, it seems to be the earnest wish of the people that Mr. Jas. Graham, who has given entire satisfaction in the post office for the last eighteen months, should receive the appointment.

GREENBANK.

PERSONAL.—Mr. and Mrs. R. Michie spent a few days visiting friends in Newcastle the first of the week. Rev. J. McCamus, of Port Perry, very ably occupied the Methodist pulpit here on Sunday morning last, and Rev. R. Leitch having changed appointments for that day.

CHOSEN FRIENDS.—Mr. German, of Hamilton, has been in the village for the past few days working in the interests of the Chosen Friends society. A public meeting will be held on Thursday evening of this week.

SALE.—Mr. J. McKittrick's sale took place on Saturday last, and being favored with a fine day there were a large number present. Everything sold very well considering the hard times.

LACONICS.

DON'T FORGET.—Don't forget the collection to be taken up in the Presbyterian church here on Sunday in behalf of the persecuted Armenians. The collection is for a good purpose and the people should therefore respond cheerfully. A jolly sleigh-ride of our young people took in the March 4th concert on Friday evening last, and report having a splendid time. The boys' side gave a very good entertainment in division on Saturday evening. It is hoped to be good and stout if you are riding one end of a rope and are down, while at the other end a lively animal is dancing around with fear and rage. Good luck to hang on. We expect the hotel lot will be cleared of its buildings by the end of the week. The Methodists would do well to have the sheds erected as soon as possible, so that they would protect the material for the church while it is being built.

BOBOATHRON.

HORSE BUYERS.—A couple of horse buyers have been here for a few days of the past week, and have purchased a number of fine horses at prices ranging from \$50 to \$75. Two or three years ago the same horses would have brought twice the amount.

CURLERS.—The curlers who were in Lindsay for a couple of days, playing friendly games against Millbrook, Port Hope and Lindsay, returned here on Saturday afternoon, all being well pleased with their two days' sport.

TEA MEETING.—The Presbyterians of Knox church here, held their annual S. S. tea and entertainment on Friday, the 21st ult., in the town hall, and although the weather was not favorable it proved a gratifying success. Tea was served between 5 and 7 p.m. after which an excellent program, consisting of music from the orchestra, recitations, dialogues and duets, was well rendered. Free tickets were given to the S. S. children, and after this \$28.55 were taken in at the door.

FIRE.—On Wednesday morning of last week, at 3 o'clock, the fire bell awoke the people of the village by ringing out its loudest peals. It was soon discovered that the tailor shop occupied by Mr. E. Holleran was in flames. Those who were in it was impossible to

extinguish the flames, so they went to work and rid the furniture out of Mr. Crabb's shop adjoining and it was not many minutes till it was in flames; but the fire engine had got to work and the flames were soon brought under control, but not until the whole building, which was owned by Mr. George Timney, sr., was almost completely destroyed. The wind blew from Mr. Crabb's block and it was easily saved. All parties who were affected by the fire had a very good insurance, so that no one will lose very heavily.

FRANKHILL.

BACK AGAIN.—Many of the boys have returned from the lumbering camps in the north; some well pleased with their season's work, others, especially those from the Howry farm, not so certain a desire to see them once more—not to hire. They verify the usual report of fatigued men trudging to points even below Quebec no money.

HORSE EXHIBITS.—Doing considerable business in Peterboro last week, several farmers of this community having disposed of some choice animals.

ACCIDENT.—Mr. Albert Franks had the misfortune to put an ugly gash in his foot while cutting wood Wednesday last.

MANILLA.

CONGRATULATIONS.—We congratulate THE POST on its recent able editorials on the subject.

FAITH.—The Christian Scientists are growing stronger in our village. Numerically, of course, we do not mean physically. PUBLIC LIBRARY. — Last night the new books have arrived and we have now the best library in the district. If you are not a member you should join at once.

PERSONAL.—W. H. Carter is spending a well earned holiday visiting friends in Claremont. Miss M. H. Campbell is visiting friends at Lenoirville. Miss Brown, of Cambridge, is the guest of Mrs. McQueen. Miss L. McFadyen is paying a short visit to Lindsay friends.

HEAVY GLENDING.—attended the annual meeting of Dominion Grange, held in London last week. Messrs. J. J. Carter and C. E. Kelly were in Lindsay, Saturday, looking up old friends. Quite a number attended the basket social held at Cresswell, Wednesday last. All report having had an enjoyable time.

SCUGOG.

LUKE A LION.—March has indeed come in like a lion in this section of the county, and the roads are again almost impassable.

ILL.—Mrs. Chris. Stephenson has been ill for some time.

PERSONAL.—Mr. Wm. Irwin, of Glanville, has been visiting friends for some time on his bicycle. Miss Lily Philippe, of Havelock, is visiting at Mr. David Jackson's. Rev. Jno. H. Mallett is visiting Rev. J. W. Totter, of Lindsay, this week in special service. On Sunday Mr. Mallett will preach in Uxbridge, and Mr. Wesley Irwin will occupy the island pulpits.

FISHING.—Fishing is the order of the day just now, and large quantities of bass are being taken from the lake. Rumor whippers of an occasional tuge.

CHURCH NOTES.—Our religious services are well attended, and great interest is manifested in the church work. At the last official meeting of the circuit our pastor, Mr. Mallett, was invited to remain for another year, which invitation was accepted subject to the stationing committee. This circuit has experienced a great change since last June, and over one hundred and twenty-five have been converted to God.

OUR CHRISTIAN Endeavor societies continue to grow in strength. A local union was formed here some time ago, and Rev. Mr. Mallett was elected president. Last week at Brockton while attending the county convention of C. E. he was elected president of the county union, and no doubt under his enthusiastic leadership the county union will prosper this year.

PORT PERRY.

CURLING.—Three rinks went to Toronto last Thursday to play the Granite. The ice was in very poor condition and our men were not in it—by 33 shots. The boys all had a rattling good time and the return match is looked for with much interest.

THE SILENT STREED.—Mr. F. Brophy, the advance agent for the Hyslop Son & McBarney bicycles, was in town one day last week and appointed Messrs. J. Gouby and J. F. McMillan agents for this vicinity. Sample wheels may be seen at the store, where supplies and repairs will also be kept. This wheel is highly recommended and no doubt many of our young men will avail themselves of the opportunity to purchase a wheel at moderate prices.

PRACTICAL TEMPERANCE.—The W.C.T.U. have commenced a movement to secure the return of the pledged temperance man for our riding. Committees from the different temperance and religious societies had a joint meeting on Monday evening and steps were taken to have the matter brought into practical shape.

SOCIETY NOTES.—The S. O. E. held an open meeting Tuesday night. The many visitors who were present greatly enjoyed the entertainment and refreshments provided. The D.D.G.M. of the Masons visited the lodge here last Friday evening. After the meeting was over a supper was given in his honor and a very pleasant time was spent. The S.O.T. intend visiting the lodge next Friday evening. The Y.P.S.C.E. of St. John's church, have organized a Friday evening party to Mr. Peter Christie's for Friday evening.
