Gough Brothers.

A SENSATIONAL REDUCTION IN THE PRICE OF PANTS!

Here's a bit of good fortune unequalled in the Clothing trade. We just struck it in time. Our Pantry was getting low down. We had almost cleaned out of trousers when the opportunity came along.

Thanks to our good fortune, we received advice from one of the largest Manufacturers of Clothing in Montreal, McKenna, Thompson & Co., informing us that they had a snap in Pants to offer Gough Bros. We went, we saw, we conquered. Our bid took the entire stock on hand at a phenomenally low uniform figure.

By rail we have received the full consignment—containing eight large cases, consisting of

1,125 PAIRS OF PANTS.

For Men and Young Men, which we can actually afford to sell at

ONE-HALF THE PRICE.

The assortment is complete, embracing well-known popular selling patterns in All Wool Material made up in leading styles of the tailor's art, and in a complete range of sizes—enabling us to suit men of all dimensions, tastes and purses. Here you have the figures that back up our statements:

\$4.00 Pants	for \$2.00
\$3.00 Pants,	for \$1.50
\$1.50 Pants,	for 75c.

Two pairs of Pants for the price of one—cheap enough surely to buy two or three pairs at a time, and lay aside for future use. All those in favor of the same will please signify in the usual manner.

Can't sell them at less than half price. Kindly remember this fact and oblige. We are not going to go back on our words.

Dealers, please don't come—you're not invited.

Gough Bros.,

The Wonderful Cheap Men, LINDSAY.
