A LITTLE PAINT

will make an old farm wagon look like new. If you keep your farm implements and tools well painted they will last twice as long as if they were never touched after they left the shop.

THE SHERWIN-WILLIAMS PAINTS are made for every purpose. A paint for houses, another for floors, another for barns, still another for furniture and decorative work.

THE SHERWIN-WILLIAMS SPECIAL FLOOR PAINT is made for floors, and floors only. It dries quickly. It is made to walk on, and to stand being walked on.

Our booklet, "Paint Points," tells many valuable things about good paint and bad paint, how to paint, and what to paint. Send to-day for a free copy, a postal will do. For booklet, address 19 St. Antoine St., Montreal.
