WORTH SOME OF YOUR THINKIN

There's Value in every lot we are putting forward these March Days.

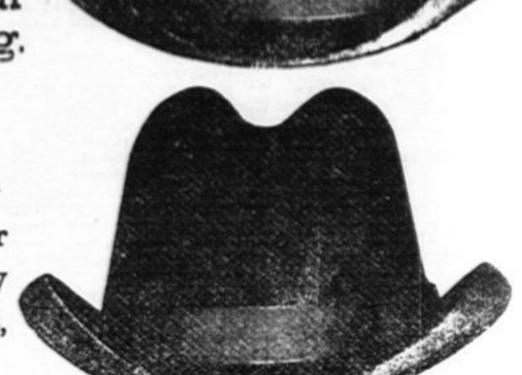

How strong can we put it that you will realize the advantage you have in buying at our Spring Sale. Sales generally come at the end of the season. Sales generally mean an effort to clear out a lot of old stuffs. That is not our 1897 method. Spring weather, now at hand, will force spring buying. Then bear in mind we are offering to you

THE CREAM OF OUR SPRING STOCK_

Money is money. The more you save on Dry Goods the more you have for other purposes. A Dollar will buy more with us now than it ever bought before. The only way to account for this is in our extraordinary buying advantages, our direct importations, and the fact that very little profit is all we expect.
