IS a blood disease. Until the poison is expelled from the system, there can be no cure for this loathsome and dangerous malady Therefore, the only effective treatment is a thorough course of Ayer's Sarsaparilla - the best of all blood purifiers. The sooner you begin the better; delay is dangerous.

"I was troubled with catarrh for over two years. I tried various remedies, and was treated by a number of physicians, but received no benefit until I began to take Ayer's Sarsaparilla. A bottles of this medicine cured me of is troublesome complaint and com-stely restored my health."-Jesse M. Boggs, Helman's Mills, N. C.

When Ayer's Sarsaparilla was recommended to me for catarrh, I was inclined to doubt its efficacy. Having tried so many remedies, with little benefft, I had no faith that anything would cure me. I became emaciated from loss of appetite and impaired digestion. I had nearly lost the sense of smell, and my system was badly deranged. I was about discouraged, when a friend urged me to try Ayer's Sarsaparilla, and referred me to persons whom it had cured of catarrh. After taking half a dozen bottles of this medicine, I am convinced the only sure way of treating this obstinate disease is through the blood."

THE CENSUS ENUMERATOR - (To the editor of THE POST.) - We feel very much flattered in Galway -especially the conservatives-over the appointment of "Jim" Powers of Fenelon Falls to take the census in this township. On the former occasion Mr. McGabey was our enumerator and he did his work well. But we suppose there was no one competent in the township in the opinion of the present powers that be; and so "Jim" is the only man for Galway. Seriously, though, this township has several good men competent for the work, of the enumerators. Among the competent men may be mentioned Mr. T. J Gilmour, J. T. Henderson, M. Doherty, or our township clerk, Mr. Collins. It is really too bad they were passed over for this purely GALWAY MAN.

A Word to the People.

"Truth is Mighty, and will prevail."

HE remarkable effects and most satisfactory results, in every variety of dises se arising from impurities of the BLOOD, which are experienced and made manifest from day to day, by those who have taken NORTHROP and made manifest from day to day, by those who have taken NORTHROP nounced and incurable, are surprising to all. In many of these cases, the persons say their pain and sufferings cannot be expressed, as in cases of Scrofula, where appe rently the whole body was one mass of corruption.

This celebrated medicine will relieve pain, cleanse and purify the blood, and the such diseases, restoring the patient to perfect health after trying many remedies, and having suffered for years. Is it not conclusive proof that if you are a sufferer you can be cured? Why is this medicine performing such great cures? It works in the BLOOD, the Circulating Fluid. It can truly be called the

### GREAT BLOOD PURIFIER.

The great source of disease originates in the BLOOD, and no medicine that does not act directly upon it, to purify and renovate, has any just claim upon public attention. When the blood becomes lifeless and stagnant, either from change of weather or of climate, want of exercise, irregular diet, or from any other cause, NORTHROP & LYMAN'S VEGETABLE DISCOVERY will renew the Blood, carry off the putrid humors, cleanse the stomach, regulate the bowels, and impart a tone of vigor to the whole body.

The conviction is, in the public mind as well as the medical profession, that the remedies supplied by the VEGETABLE KINGDOM are more safe and more effectual in the cure of disease than mineral medicines. The Vegetable Discovery is composed of the juice of most remarkable roots, barks and herbs. It is pleasant to take, and is perfectly safe to give an infant. Allow us to ask you a candid question :- Do you need it? Do not hesitate to try it. You will never regret it. All

"I had Dyspepsia in its worst form for over a year, but after taking three bottles of Northrop & Lyman's Vegetable Discovery, a perfect cure followed. I take great pleasure in recommending it to anyone suffering from Dyspepsia."

MR. W. THAYER, Wright, P.Q., had DYSPEPSIA FOR TWENTY YEARS. Tried many remedies and doctors, but got no relief. His appetite was very poor, had a distressing pain in his side and stomach, and gradual wasting away of flesh, when he heard of and immediately commenced taking Northrop & Lyman's Vegetable Discovery.
