OUT OF THE FRYING PAN. Has come not a little knowledge as to cooking—what to do, as well as what not to do.

COTTOLENE, the most pure and perfect and popular cooking material for all frying and shortening purposes.

PROGRESSIVE COOKING is the natural outcome of the age, and it teaches us not to starve, but rather to eat the new shortening.

COTTOLENE, which is far cleaner, and more digestible than any lard can be.

We beg to call the attention of our numerous friends to our public generally to our fully assorted stock of Choice Family Groceries, Teas, Sugars, Coffees, Goods, Etc., all of which have been purchased at very close prices, consequently our customers get the benefit in their purchases.

We received last week ONE CARLOAD OF FINE DAIRY AND SALT, also one carload of LAND PLASTER. Farmers will find this reliable in quality and reasonable in price.

This is the season for selecting SEEDS. Sowing of many will commence in a few days, so to speak, and it is well to have the very best of the different kinds of Field and Garden Seeds now on hand, and as we have been in business for years farmers and others may depend upon their germinating qualities.

We have several new kinds we would like to have an opportunity of showing.
