Conference-Too Much Defamation in Politics-Dr. Lansing Makes a Statement.

New York, April 9.-The Commercial Advertiser (Republican) prints a scorching editorial on the charge made against President Cleveland in the New England M. E. Conference by Dr. Lansing of Boston. It fully endorses President Cleveland's characterization of the attack as "simply an outrage" and of the clergyman himself as a "disseminator of wholesale lies and calumnies not less stupid than they are cruel and wicked."

The Commercial Advertiser says: There is far too much of this reckless defamation in our politics.
