Advice to Young Men. Never whip your horse. Study to think as quietly and as easily as you breathe. Never force yourself to learn what you have no talent for.

An Impressive Temperance Lecture. The following true story, according to the "Golden Rule," organ of the Y. P. S. C. E., is related by one of the participants in the remarkable incident:

Not long since in a certain New England city, four commercial travellers met for the first time, at a table. With that genial bonhomie which is the mark of the first moment of one of them said:

Of medical agents is gradually relegating the old-time herbs, pills, draughts and vegetable extracts to the rear and bringing into general use the pleasant and effective liquid laxative, Syrup of Figs.

THE PILGRIMS' CONTRACT. Pledged themselves to the Governor by the Majority—Spirit of Independence. At Malabar bay, in some cove called the Provincetown waters, the Pilgrims formed a compact. It was written on the lid of Elder Brewster's chest.

When the family came home from services on Thanksgiving morning, they heard Ponto howling dismally from the attic. "However could the dog have got up there?" asked grandpa as she looked up and saw his piton black face at the window.

Camille D'Arville has been welcomed back to New York. "Maddeline," her new opera, abounds in catchy music, and Miss D'Arville herself has a large following in New York.

THE DEATH OF FREDERICK DOUGLASS moves from the stage one of the most pleasurable features of his day. He was a rare actor, and he accomplished much as the champion of the negro race.

SUGARS.

When we say that we think we can do better in the line of SUGARS than any other store in the county we have faith in our ability to do so. It rests with the house-keepers of the County to test the statement's truth.

Don't lose sight of the fact that we pride ourselves on the quality of our TEAS and COFFEES. Experience tells in the handling of these lines, and if you can appreciate a cup of good Tea or Coffee (there are those who cannot we are sure of your trade).

SPRATT & KILLEN, FAMILY GROCERS

"FOR THE LAND'S SAKE!" It is fairly well understood now-a-days that the land must be fed and "nursed" by a proper system of rotation of crops, or ploughing in, or the sowing of clover, or the use of some fertilizing agent, to maintain its fertility.
