SPRING. VICAR-GENERAL LAURENT HONORED.

Our Ladies' and Men's His Lordship, at the Wish of the Holy Father, Confers upon Him the Dignity of Prelate of the Holy See with Title of Monsignor.

HIS LORDSHIP BISHOP O'CONNOR.

Lindsay, he receives a welcome befitting his high position in the church and the well-known religious fervor of the people of St. Mary's. Several circumstances, however, tended to make the present visit of his lordship especially important in the eyes of the Roman Catholics of Lindssy and the surrounding country. It was known that he had but recently returned from a visit to Ireland and the E ernal City, Rome, whither he had gone to pay his visit ad limina to the Holy See, and to give an account of the state of religion n this far-off diocese to the supreme pontiff, Leo XIII. Knowing this, the people of this portion of the diocese were anxious to hear from their beloved bishop regarding his journey, his reception by the holy father, and his impressions of the Elernal

But there was still another cause for joy in the visit of his lordship Bishop O'Connor-one which made the hearts of the people of St. Mary's thrill with pride and intense gratitude. Some two or three weeks ago it became known that the supreme pontiff, upon hearing from his lordship concerning the great work performed during the past 40 years by the beloved pastor of St. Mary's, Right Rav. Vicar-General Laurent, and particularly during the twelve years he has been in Lindsay, was pleased to appoint the vicar-general to the high office of domestic prelate to his holiness, carrying with it the title of Monsignor. His lordship was commissioned, on the occasion of his first visit to Lindsay, to invest the worthy pastor with the insignia of his dignity, hence his lordship's arrival on Saturday had an un-usual significance for every member of St. Mary's congregation.

the Venerable Archdeacon Casey, of the Cathedral. His lordship was met by Father Maguire and a deputation of the parishioners, and was escorted to St. Mary's church, the sweet sounding chimes in the church tower announcing his lordship's arrival. On entering the main door of the church his lordship was met by Monsignor Laurent and a procession of altar boys. Having dressed in his robes of office, and wearing his mitre and crezier, the bishop proceeded to the sanctuary. After prayers of thanksgiving had been said, a committee of the parishioners entered the sanctuary, where Mr. George McHugh, on behalf of the people, read the contered upon the worthy vicar-gen.
