

Men's Wear.

Every want in a man's wearing apparel has been provided for to a dot—better goods, bigger variety and lower prices than you've ever had to pay before. We've anticipated a big season's trade, and stocks are ample for every demand. Newest fashions, newest fabrics. Gents' Overcoats, Hats, Caps, Gloves, Hosiery, Underwear and General Furnishings. No house in town able to serve you as well. We're for leadership on price and quality basis, and want you to test us anywhere you've a mind to.

We sell goods at a small profit to make money, just as some stores sell at a big profit to make money. We think there's more money in selling cheap and keeping our customers for ever than charging a big price and never seeing them again.

EMERSON.—The government returns were taken here on Thursday at the Queen's hotel. Mr. D. E. Moore, of Peterboro, was in attendance and did his work well. About 100 settlers were interested, the Rathbun Co., of Lindsay, and Craig & Austin, of Kingston, being the principal buyers here this winter. About \$1,500 was paid out to the settlers.
FLOODS.—The flood is the greatest here for years. The railroad is badly washed out and no trains can move. The mail is carried on the handcar.

OBITUARY.—Death has again visited the home of Mr. and Mrs. Chas. Fountain, this time taking in its charge Master Horrie, their ten year old son. All sympathies with the bereaved parents in their deep sorrow. It is our duty to chronicle the death of Mr. G. H. McDonald, who died on Friday last of death claimed her for his wife. She was highly respected by all who knew her and will undoubtedly be greatly missed in the family. She leaves a husband and large family under a loss, who have the deepest sympathy of the community in this their sad hour of affliction.

COURT.—The arbitration between Mr. Lamb and Mr. R. Hart did, we think, conclude on Tuesday next. Mr. Barton, of Lindsay, is the only arbitrator. Mr. N. F. Patterson for Lamb and W. Chappell for Hart. There is a large amount at stake.
CHURCH NOTES.—Since the Rev. Mr. Etherington left here, the Episcopalian church is supplied by a student from Wyelliffe college. There was no service in the church for the past two Sundays. The Sunday school was held on Sunday. The Sunday school was held on Sunday. The Sunday school was held on Sunday.

HIGH WATER MARK.—The water in the lake has not been so high for some time. Much damage to the water works is resulting from this unusual condition of affairs. The engine room of Carnegie's mill is flooded and as a consequence we have had no electric light for nearly a week, while Mr. Carnegie has been forced to close all his mills for a time. The water works are in a state of disrepair and it is expected that the water will be raised to its normal level in about a week. If the level is not soon lowered it will result in considerable loss.
