TORONTO. CHOKED TO DEATH.

CHOKED TO DEATH.—Mr. John Davidson, real estate agent, Brunswick avenue, was suffocated last Thursday in a very singular manner. She had been playing with a few small white beads, and pushing one of these in her mouth it stuck in the throat, where it remained until she died, notwithstanding the efforts of two doctors to dislodge it.

Ayer's Remedies.

Constipation.

Not remedied in season, is liable to become habitual and chronic. Drastic purgatives, by weakening the bowels, confirm, rather than cure, the evil.

Ayer's Pills.

For eight years I was afflicted with constipation, which at last became so bad that the doctors could do no more for me. Then I began to take Ayer's Pills, and soon the bowels recovered.

Ayer's Pills.

Having used Ayer's Pills, with good results, I fully indorse them for the purpose for which they are recommended.

Ayer's Remedies.

CONSUMPTION.

In its first stages, can be cured by the prompt use of Cherry Pectoral.

Ayer's Cherry Pectoral.

Several years ago I was so afflicted with consumption that I could do nothing but cough and spit blood.

Ayer's Cherry Pectoral.

Several years ago, on a party from California, by water, I contracted a cold that was so severe a cold that for some time I was confined to my state-room.
