An Alarm of Fire. Sunday morning last about 12.30 the shrill whistle of the Parkin Lumber Co's, mill sounded al number of times, and the neighbors who hurried down found there was cause, as a pile of sawdust and shingle edgings in front of the furnace had caught fire and it was spreading rapidly. A messenger was despatched to sound the town alarm, while Mr. Parkin and others got the mill hose and directed a stream upon the flames, keeping them well under control until the arrival of the firemen, when the cry of "fire all out" "was speedily heard. Had the mill not been equipped with hose and proper appliances the consequences would have been serious."

the interests of Cambray and Fenelon township. He was a kind-hearted, genial man, affectionate in his domestic relations and liked
by all. He was a leading Mason, and the members of Lindsay, Omemee and Fenelon Falls

funeral on Tuesday. The interment took place

warm sympathy of the community will go out

This alone will give: some idea of the experiences she must have had in the settlement of the country and the change and progress she has lived to see. She retained her mental faculties to the last and was bright, cheerful and entertaining—a remarkably clever and sotive old woman, held in affectionate regard and the highest esteem by a very wide circle—indeed by all who knew her. She lived on the homestead in Ops, a short distance south of Lindsay, nearly forty years, until some time after the death of her first husband. Many years after she married Col. Davidson. —A fair-sized audience greeted the appearance of Miss Hettie Chase and company in the melodrams "Uncle's Darling" at the opera house Monday evening. Miss Chase as "Little Dar" and Mr. Frank Calvert as "Uncle Billy" won favor with the audience at once, and Chas. W. Chase as "Joe Burrows," the bashful lover, was very amusing and provoked roars of laughter. The other members of the company sustained their parts well. A team of reindeer, a number of bears, trained dogs, etc., are introduced in the play, backed up by appropriate scenery. Owing to the limited stage-room the company were at a disadvantage, but several effective pleces were shown. "Ta-ra-ra Boom-de-aye"

Two weeks ago the officers of our base ball club advertised a match for the following day (Saturday) with a team from Peterboro, but the game did not come off owing to the non-appearance of their opponents. Early the following week the Peterboro team wrote regretting their inability to be present, and naming Saturday last instead. Again dedgers were issued and all arrangements made for a game by our team, and shortly before the hour appointed about two hundred people paid the admission fee and waited an hour for the Peterboros, who failed again to put in appearance. It is needless to say that this unsportmanlike conduct has occasioned considerable feeling among the boys, who have been put to considerable expense and trouble in announcing the matches and arranging for absence from their different vacations on the busiest day of the week. It was a small piece of business.

Christian Endeaver Notes. The local union of Christian Endeavor meetng was held in the Cambridge-st. Methodist church, last Monday evening. The meeting was opened by prayer and praise. The president Mr. Allin, then read a portion of scripture, after which he called upon a representative from each of the societies to speak briefly upon the subject of "Public Worship." Mr. Low of the Presbyterian society was the first to speak. His subject was "Public worship—where offered." He; was listened to with great interest and profit. Mr. H. Parkin, representing the Queen-st. Methodist society. spoke on "Spirit of worship." in which was embedded the thought of worship." in which was embedded the thought of worship. God in spirit and truth. A hymn was then sung. Miss M. Campbell of the Cambridge-st. church (Methodist) society spoke next. Her subject was, "Privilege of public worship." It is a privilege to worship God, for humble worship meets with God's favor. Mr. Hardy of the Baptist society, addressed the meeting on "Pubmeets with God's favor. Mr. Hardy of the Baptist society, addressed the meeting on "Public worship as a duty." Because a privilege, therefore a duty. After listening to these instructive addresses the chairs were removed and a general social half nour was spent, in which everyone took an active par and a hearty welcome was given to the visitors in the true Christian Endeavor style. A arefully prepared program was then given in excellent style. The hymn, "Blest be the tie that binds," was then sung, after which Rev. Mr. Jill pronounced the benediction.
