Both horses will be entered in the races to be held there on May 23rd, 31th and 25th, after which, if all goes well, he will follow up the other circuit meetings and probably take

shy at the big purses to be hung up at Port Huron later on in the season. A host of friend-will wish him good luck and stacks of shekels.

Bishop Dowling Gets Home.

The Right Rev. Bishop Dowling, of Hamilton, arrived home last Friday night on the 9 o'clock train and was met at the station by all the plergy of St. Mary's parish, who had received notice of his arrival only two hours before, the bishop particularly desiring to avoid anything in the nature of a public reception. The bishop was accompanied by Father McKvay, and both are in splendid health. The holy father was so well pleased with the decennial report of the dlocere that he highly complimented he bishop thereon, and as a mark of his esteem for the clergy was pleased to bestow the following honors: The administrator Rev Father Heenan,
V. G., has been appointed a Monsignor. There
are three grades of the Monsignorship and Father Heenan has been raised to the highest rack, which entities him to the privilege not only of wearing the purple, but also on special pressions the mitre and ring, pectoral cross and other insignia of a relate. The pure declared that bis was a privilege granted to very few and only to very distinguished price s. Father Heer an enjoys the distinction of being the first

Stock Notes. -Tuesday last Mr. F. J. Daly, proprietor of

the Benson house, sold to his brother Joe, wner of Blackstone and Minnie Bell, his promising one-and-1-half year old filly; dam.
Maud Hunter; sire, Onwart King, son of
Onward; he by George Wilkes. Price, private.
Joe always has an eye open for anything good
in the line of horseflesh. The filly will be
turned out on pasture, and will, if all goes well,
receive a little training in the fall. -The London Free Press has a timely article

opinion "that all associations and exhibitions should strike out the general purpose stallion from all prizes, for he is a curse to Ontaric." Il you have a general purpose or thoroughbred mare, go to a thoroughbred and the produce will be either useful or saleable. We have too many so-called trotting stallions, with common heads, owe necks, light bone and drooping quarters, and these have done immense mischief. The farmer cannot afford to breed with a view to getting trotters, as he has not the mare, the capital, or the ability to develop them, and failing in the one point they are useless in every other. Ontario has a name for gentleness, hardiness and soundness, and this makes it the more important to breed up and for draught, saddle or harness horses. At Grano's late New York auction sale of Cana-

St. Andrew's W. F. M. S. At the regular monthly meeting, held Thursday of last week, Miss Banks read the report of the general meeting held in London. The report was full and interesting and showed the society organized, presided.
