The Canadian Lost.

LINDSAY, FRIDAY, MAY 3, 1895.

HAGGART'S DITCH.

[Halifax Daily Chronicle, April 27.1 ditch," does not appear to be developing much traffic. The revenue receipts for the year ended June 30th, 1894, amounted to the magnificent total of \$126, against \$135.76 in the previous year. No doubt the traffic of this important artificial waterway has been seriously affected by the depression. The cost of the maintenance and management last year amounted to \$2,485, against \$2,486 in the previous year. The minister of railways and canals must have adopted and enforced heroic measures of economy in order to | this sudden rise is that flour has gone up save that dollar.

ment give the above astounding results have kept bread at about the same figure, cost the people of Canada \$476,128.73, public debt of \$315,000,000. The Tay canai is now and never will be of any value to anybody except John Graham Haggart. The money expended in its and that sum forms part of our enormous | 10c per 4lb loaf. Bat let flour take a slight construction is gone beyond recall. It might just as well have been thrown into are paying very much more for stock than Lake Superior. Would it not be a good they were a few months age, yet the price of steak and reasts are the same, and the idea to hand the "ditch" over as a free quality of meat is kept up to the standard. gift to Mr. Haggart on condition that he What is the matter? Do the bakers want bear the cost of maintenance and management? The people of Canada will save \$2,350 a year by the operation, This expenditure of nearly half a

is one of the many swindles-we use the so, why? Ticket holders for some years term "swindle" advisedly-called "public back have been complaining of the long, works" which have swallowed up so many hot walk from town to that wharf. If a millions of dollars that now form part of our public debt-useless public works on she has is from Lindsay people; then why which the money was expended for the do the owners not try to please them a constituencies and providing the means The old cry was--"the river is not deep BEEF, IRON and WINE. through trusty contractors of keeping enough." That has been remedied, and an ample supply of boodle in the government's corruption fund. In the last sixteen years millions of dollars have been uselessly and corruptly expended so that contracts might be "milked" to replenish the government's election fund, and with the money drawn in this roundabout way from the public treasury the government have been able to purchase the support of the venial portion of the electorate and thus overpower the honest public sentiment of the country. The government did so in 1887 and 1891; and they are Mr. Editor, I sign myself,-Your, "laying their pipes" to do the same thing in 1895. Will the people of Canada submit to any more swindling of this kind?

EDITORIAL NOTES.

Betty Green, the richest woman in New York, has escaped \$30,000 taxes on her \$1,500,000 personalty by swearing that she than others,is homeless and without any settled place of abode. Hetty is shrewd, but she gets yery little comfort out of her immense

The British naval and military votes for 1894 aggregated £41,107,790, about \$199, 794,734. Canada's military outlay last year was about \$1,500 000. In any estimate of the comparative taxation of Great Britain and Canada the fact that Britain has nearly \$200,000,000 to pay for purposes entirely outside of any Canadian require 469, or roughly, £50,000,000, after deductthe war budget. Taking the £ as \$5, to
facilitate computation, the taxation direct
and indirect on about 40,000,000 people
would be \$6.25 a head. And the Public August Sapitar.

To Whom it may Concern:

"It is now nearly three years since I passed through the Gold Cure treatment at Grimsby, which was at that time under charge of Dr. McBride, the present Medical Superintendent of "Lakehurst Sapitar."

Superintendent of "Lakehurst Sapitar." and indirect on about 40,000,000 people would be \$6.25 a head. And the British government had a surplus. Canada's total expenditure last year was \$37,585,025, to which must be added a little \$4.501,989 increase in the net debt, which has been charged up against the taxpayer, but which he must yet pay, with interest, as part of the year's expenses. That makes \$42,087,014. which to a population of, say, 4,850,000, means a tax of \$8.67 a head as

Saperintendent of "Lakehurst Sanitarium," Oakville. I have found by personal at 12 o'clock, noon, the following property, namely: at 12 o'clock, noon, the following pr 4,850,000, means a tax of \$8,67 a head as British taxation does not bear on the ALEX. H. MELVILLE, General Agent

of a customs tax, so arranged as to turn as much as possible into the pockets of the

There will be no government inter- N. ference for the suppression of the opium trade in India. The parliamentary commission's enquiry into the use and effects of this drug among the people of the east has been very exhaustive, but it became evident a good while ago that the report would be against any attempt at increase our regular Spring state action. The demand for this came order, and this week we will from England, and not from India, and while opium may not do the Indian people put in stock 2,500 Rolls of any good, it has not been shown that it New Fresh WALL PAPER does them any more harm than beer does | prices than buyers are disposed to pay. at 5c, 6c, 8c, and 10c per the people of England. To attempt to put Roll. DON'T MISS THESE an end to it would be a greater task than capable of being carried out.

Since oil and beef began to advance in was a good supply of cattle Standard Oil Trust, which is said to have cleared a profit of \$50,000 000 by the oil market, so the Armour-Morris-Swift- weak dragging market the average de-Hammond combine practically controls eine in prices being 10c. the price of beef, and stands between the consumer and producer, and regarding its operations the Chicago Inter Ocean indignantly expresses the sentiments of many other influential newspapers when it says : "Year after year the Canada Life keeps | the man he buys of is not at all to blame | in all the foreign markets.

COMMUNICATIONS. The Income Tax

[To the Editor of THE POST]

SIR.—The matter of the income tax is such a flagrant abuse that something should be done either to abolish it altogether or have it fairly done. Some men of notoricusly large incomes are let off easily, while the men of small incomes are taxed high. When the assessors' books are in a list of all persons taxed for income should be printed in the papers, so as to show who complies with the law and who does not .- Yours, SINGLE TAX.

Personal Property Tax. [To the Editor of THE POST.]

handed around by the assessors to those | who are chargeable for income or personal however, in the list of things called per- the woolen goods department. sonal property that deserves mention. This is book debts. If a man has book debts he is supposed to pay taxes on them The Tay canal, known as "Haggart's this year as personal property. If he collects them next year he pays taxes on them as income, that is, he pays taxes on them when they mean nothing and are only a claim, as well as when they become material tangible thing. What do Messrs. Conolly and Spier think of this absurdity? Surely these intelligent men had nothing to do in the construction of this precious sheet .- Yours,

Eread Goes Up in Price.

[To the Editor of THE POST] SIR,-I notice that at least some of our local bakers have increased the price of bread from 9c to 12c-a straight jump c 33 per loaf. The explanation offered for slightly. For the past year flour has been The ditch whose traffic and manage- away down in price, but our local bakers and it is safe to say that if flour was selling at \$2.00 per barrel they would still ask pay the same price for cattle, yet the price of meat very seldom vari s; to-day they

That Long, Hot Walk. [To the Editor of THE POST]

SIR,-The Esturion is again running, and so far has landed at the old wharf. Now, million dollars on the useless Tay canal is she going to use that this season, and if Lindsayite owned said boat it would be run differently; the principal patronage

a nice wharf built at the Lindsay-st. bridge -to what account? The people who patronize the Esturion are mostly the cottagers and their families and friends. Now, regarding my case. For some after the housing up of the winter. Now, anxious the get the air of the lake without the additional expense of cab fare, which will be found to exceed the price of a season ticket. Hoping you will insert this, A TIRED MOTHER.

Take apples, for instance—they are very high-priced now, but it doesn't cost anything to talk about them—how is it with apples? Which get the first attention?

Isn't that so? They may not be better

But you can see them! Those who advertise "come out on top" and are seen first. Therein is their chance.

I war ply being large and the demand indifferent. Prices were 5 to 10c lower. The sheep market was slow. Wheat was lower. on realization sales, the close being 134 to 1%c lower than yesterday. Corn was inactive and closed % to %c lower.

The New York Journal of Commerce and Commercial Bulletin in its weekly review of the dry goods market says: There has been a considerable aggregate business done since last review, but the latter part of the week has shown quieter conditions prevailing than during the early days. There is no diminution of strength in the general tone of the cotton goods division. In the main staple departments there is a well-cleaned-up condition, which affords buyers fewer opportunities to secure ready supplies than usual, and so many are heavily sold ahead that agents are in a position to hold for their prices. In printed lines the tend-SIR,-I have just seen the printed slip ency is decidedly against buyers in regular prints, and in a number of finer goods, under the influence of advancing prices for gray cloths, the prospects of a generproperty. The putting an impost on these ally higher range of values in the coming items is ridiculous and unjust the way the season are decidedly encouraging. There law is carried out. There is one absurdity, has been no new feature of importance in
