The Steamer Crandella.

steamer is now in readiness for her first

trip, which will be to Port Perry on Mon-

day next. For the past five weeks Capt.

Crandell, her enterprising owner, has been

and a series of the series of

constantly engaged making many im-

provements calculated to add to the com-

boat's various trips during the season, and

the result should be very pleasing to the genial commodore, and certainly will be to

the general public. The vessel has been

rapainted from bowsprit to rudder post, and the colors are cheerful and inviting to

the eye. Stateroom accommodation has

been increased, the wheel-house improved,

ery has also been thoroughly overhauled.

and many improvements made calculated

to enhance the boat's speed when neces-

sary. The coming season should be a very prafitable one for the owner of the Cran-

Presbytery of Lindsay

land on the 7th inst. to consider the call

extended from the congregation of St.

George, in the presbytery of Paris, to the

Ray. D. Y. Ross, M.A., of Cannington.

There were present: Ministers, Messrs.

Ross, Cameron, Betiune. Duncar, McKay, Macmillan, McLeod, McKenzie, and Elders A. McTaggart, H. Baldwin and J. Hay.

The call and relative papers were read,

showing that the people are unanimous in

calling Mr. Ross, and promise a salary of

\$800 per aunum with free use of mause.

Rev. Dr. Cochrace, of Brantford, appeared

as commissioner to prosecute the call, and

urged the translation of Mr. Ross, with

reasons. A resolution passed at a congre-

gational meeting of Knox church, Can-

nington, was read to the effect that, in

in Mr. Rosa' hands, and he formally ac-

cepted it. It was then moved by Mr. Mac-

millan, seconded by Mr. Duncan, and

cordially agreed, that the translation as

asked for be granted, and further that this

About Calling Cards. Order your calling cards at THE POST. A handsome new script just received.

West Victoria Teachers' Association. The annual meeting of the West Vic; toria Teachers' Institute was held at Kirkfield on May 21st and 23cd. In the Inspector Reazin occupied the chair.
Much of the work done by the teachers was practical and evoked lively discussions. Mr. D. McMillan, of Lorneville, taught a lesson on "Spelling." Mr. Mosgrove, of Kirkfield, taught elementary lessons on "The Infinitiva," "The Participle" and "Fractions." Mr. B. Stevey, of Argyle, gave a short talk on "How we are governed." Mr. D. McFayden, of Hartley, read a well-prepared paper on P. S. com-

governed." Mr. D. McFayden, of Hartley, read a well-prepared paper on P. S. composition. Inspector Reazin delivered a lecture on "How to regulate the supply and demand of teachers." Major Sam. Hughes briefly sketched the route of the Trent Valley canal. Au evening entertainment was held in the town hall. It was conducted by Mr. Murdoch, and the program did him much credit. At the business meeting the following resolutions were adopted: 1st. That it is desirable were adopted: 1st, That it is desirable that the P. S. leaving and entrance examinations be held earlier in the week than heretofore, so as to close not later than Friday, 2nd. That teachers who absent themselves (unless through sickness) from the teachers' association should not be apthe teachers' association should not be appointed to preside at the P. S. leaving or entrance examinations, or derive the banefits of the library or funds of the association. Officers elected for the ensuing year: President, D. McMillan, Lorac-ville; vice-president, Miss Myers; secretary and treasurer, S. Gilchrist; managing committee, Mesers. Mosgrove, B. Stacy, D. McFayden and Miss Staples.

Local Brevities. -Forty-four Canadians were debarred from entering the United States at Detroit

ast month. -The bathing shelters have not yet been erected, and the boys are dissatisfied in

-The Ontario crop bulletin says that some farmers who refused to sell hay at \$12 and \$14 a ton in the winter, are now few days ago.

—A young lad named O'Leary was drowned in the Otonabee river, near Peterboro, on Wednesday of last week. While stooping to recover a stick from the water le overbalanced.

> The annual farmers' excursion will take place on June 18th from Lindsay to Port Perry. The steamer will call at the brickyard, Plum Point and Washburn's Island. Tickets, 25 and 15 cents.—16-1. -Messrs. Howry & Sons, of Fenelon Falls, shipped on Wednesday about 25 cars of a special quality of lumber to New York. It is part of an order from South Africa secured by the firm some months

prosecute in case they exped the 10 o'clock

-Mr. Wm. Quinn, of Peterboro, has entered an action of damages against the Peterboro Review and Times for alleged libellous and false statements in connection with a suit brought against Mr.

-The Collegiate Athletic Association purpose giving a unique entertainment on Friday evening, consisting of mock parliament, club swinging, acrobatic performance. You can't affirst to miss it—come; only 10c. admission,-dw-1 The Choral Society are getting in their finishing touches for the concert next Thursday. To night they practice with the instruments at St. Paul's schoolhouse.

The selection of part songs, etc., has been well made, all good, yet very varied in -A substantial boom, to replace the one swept over the dam by last month's flood, has lately been launched and placed in position by Sopt. Walters' men. It is 184 ft. in length by 3 ft. in width, is built

of 10 x 12 pine timber, and is well and strongly put together. -Notwithstanding the fatigue resulting from their trip to Barrie on queen's birthday, the members of the Harmony band gave their weekly concert on Tuesday evening. As usual, a large crowd gather-ed and manifested their appraciation of

-The Park Nine football team visited Onemee yesterday and played a match with the team of that place. After some exciting and hard play Norman Mark, who played a brilliant game all through scored the first and only game of the day ed got drowned, and it served them right. | and won the honors for Lindsay by a score

-Mr. J. D. Hutton, owner of Hutton's grove, west of the town, thinks the corporation should purchase the property, as the townspeople make free use of it. He crop this year than for many years past, provided the plants are not affected by frost, which may come during the next week or ten days. There is now a profusion of bloom everywhere on the rocky ion of bloom everywhere on the rocky ion of bloom everywhere on the rocky in the states that every day there are several picnic parties in possession, and that the young lads open gates, throw down fences, uncover wells, and generally make themselves a nuisance to him

-A ccuple of strolling street musicians furnished some very fine music on Kentst. last Friday. The team was composed of a man with a harp and a little boy, who possesses a remarkably sweet voice. The music was so good that a number of our solid men followed them around town for about a half-hour listening to the selections and contributing freely to the coffers of the strollers.

-Mr. J. Ryley has just turned out of his factory a handsome bar cabinet for the Benson house. It was placed in position last Thursday and everyone who has seen it pronounce it a magnificent sample of the cabinatmaker's and carver's art. The midwide, and at either end are two smaller | the government inspector. mirrors, surrounded by carved work.

-Bicyclists should be more careful when riding on Kent-st. cn band nights; there being so many vehicles on the street they are apt to frighten the horses. As our reporter took in the band concert Tuesday evening a slight accident happened near by, when a bicyclist, in trying to pass two carriages, ran into one, and if it had not been for alertness on the driver's part the rider might have been hurt very badly; as it was he escaped

-The Sadler, Dundas & Flavelle Milling Co. have completed a commendable improvement by filling in and timber facing the river front from their elevator property to the lock, a distance of over 100 yards. We understand it is the company's intention to erect an extension of their wire cable tram car system on the ground thus made, so that G.T.R. cars may be loaded or unloaded along the entire front, and so avoid loss of time in shunting. -The Toronto gentlemen comprising

Our Fishing Club" have returned from their fishing trip to Buck lake, above Hallburton, where they enjoyed excellent sport. On their way back to the village yesterday the horse hired to haul their dunnage fell exhausted by the wayside, and they undertook to tote the stuff in on their backs. It was a wearisome journey, and when they reached the village arnica and healing salve had to be freely applied. The citizens of Lindsay will be glad to learn that Mr. A. Brown, bandmaster, is now a representative of the celebrated Newcombe Piano Co. The instruments manufactured by this firm have a worldwide reputation. They are unsurpassed for sweetness in tone and durability These beautiful planes can be bought on reasonable terms from Mr. Brown. Information can be had from Messrs. Britton Bros., jewellers, foot of Kent-st. Mr. Brown has earned a reputation as a piano tuner. Give him a call.—16-w1.

-A very amusing incident occurred at the Royal hotel last Friday. A couple of men were preparing the front for repaint-ing, and were employing a gasoline burner to soften the old paint so that it could be scaled off. Some wag hunted up Norman,
