Col. Prior Wanted Information or repaired this summer? Now is the Yesterday, time to decide what you want and get

a Good Deal of Discussion Over the Dismissal of Mrs. McManus, Postmistress of Northfield, B. C .- The Tariff Debate Continued by Mr. Mc-Mullen and Others. ting possible when lumber is dried in

Ottawa, April 28.-(Special.)- The tariff debate is progressing, but for the present interest in it seems to have flattened out. There are one or two Ministers yet to speak-notably the Don's throw any money away-call Premier and Mr. Davies-and much interest centres in their utterances. After opening, the Premier, answering Mr.Davin, said the Government was at present investigating the outstanding accounts in connection with

To Mr. Prior the Premier replied that it is the intention of the Government this year to prosecute surveys for the purpose of finding out the best route from the Pacific into the Yukon coun-

The Government, Mr. Laurier said, in answer to another question by Mr. Prior, were aware that large quantities of goods were being smuggled through the Yukon country, but were not aware as to the best method of stopside, and is lost in the fronded fera, ping it. The matter was, however, under consideration.

Mr. Prior enquired: Is it the inten-But the waves wash in with relentless force, bia waters to put a stop to the smug-Till the constant crash of their coming tells, And the rain-drops fall till they fill the

tumn the Government steamer Quadra was sent into Hecate Straits to enquire into the matter, and the official report did not justify the rumors of extensive smuggling. The department, however, had appointed, in conjunction with the customs, a special agent to go along the northern coast and "Tis step by step, and blow by blow, that make thorough enquiry into the complaints of smuggling and illegal fish-Though the strife be fierce, and the gains

wreckew San Pedro removed from Victoria Harbor, but it would be ne-And to win the cause of the Single Tax we cessary, however, to have an Act of Parliament passed to secure the Government against incurring damages for causing the removal of the wreck. Mr. Prior further asked: Is it the intention of the Government to allow British Columbia fishermen to use fish traps in Canadian waters, when Amepaper that stands editorially for absolute rican fishermen are using traps in tres trade, and the single tax on land waters contiguous thereto? values. In a recent editorial headed "Prosperity at the Antipodes," it refers so

Mr. Davies replied that he had declined to authorize the use of traps in Boundary Bay because of his promise to the fishermen out there to make no changes until Prof. Prince, the Commissioner of Fisheries, had made a thorough enquiry into the subject Prof. Prince would leave shortly for the coast and would spend a long time there in order to look fully and carefully into the matter. Mr. Davin called attention to an

eral in answer to a question of his concerning the dismissal of Mrs. Isabella McManus, postmistress of Northfield, B.C. Mr. Mulock's reply was that the woman was dismissed because of her overbearing conduct and that of her husband towards many persons who were obliged to visit the postoffice. trade colony, has, except for a short period, To this Mr. Davin had observed that the woman's husband was not living. view of this difference, it is interesting to adding, "Has her husband been overbearing since he died?" note that until the beginning of the in-The rejoinder of the Postmasterdustrial depression, New South Wales,

reborated from his own personal acquaintance with the dismissed postmistress and her deceased husband.

enue. Henry George had been through the country, and as a result an absolute free trade party had arisen. With the disof brutal flippancy on his part. He attempt to establish a free trade policy was action as tyrannical. He had no doubt polities was behind all this, but it defeated by the tories in the upper house, capped the climax when a poor widow but it went again to the people and was was dismissed. Mrs. McManus was a returned with larger majorities. A free former resident at Qu'Appelle and was trade bill has now been passed. I'hough

Davin's language was not too strong. He must join in condemnation of the mean instruction made by Mr. Mulock. Mr. Lister: What was the insinua-

Mr. Foster: Is the hon, gentleman the keeper of the Postmaster-General? Mr. Lister: What was the insinuation? [Loud cries of order.] Mr. Foster: The insinuation is well known and was uttered designedly. Mr. Mulock: I made no insinuation. I cannot allow the hon, gentleman to

choice of his language. He read from the report of the Postoffice Inspector, observation that. Mrs. McManus was overbearing, that same remark would the Postmaster-General.

of trading done may be had from the fact | there, where she sold good whiskey, leaves a laminy of grown this neighvery reputable character. [Ch, oh ] ing Christmas amounted to \$200,000. The speaker that this matter was a question of politics. He felt bound to raise tem introduced by the Postmasterlarge theaters were packed every night, and General, and he called upon Mr. Fitzon all hands the evidence was convincing patrick to endeavor to secure the re-Mr. McInnes, in whose constituency Northfield is, said the complaints against Mrs. McMaaus came from Conservatives. On one occasion, in-

[Laughter.] Sir Charles H. Tupper said it appeared from the Postoffice Inspector's report that the charges were practically dismissed. They were not sup-

ported by the evidence taken. Mr. Osler said he felt humiliated, as a member of the House and a citizen of Canada, to think that our politics have reached such a condition that a dismissal had taken place on such evidence as had been read to the House. [Cheers.] He undertook to say that much stronger evidence could be procured against any postmaster in North York than in this particular

Mr. Prior said at least one case of offensive partisanship had been found, not as regards this poor woman, but the parties who sought to deprive her of her livelihood. Mr. McManus was a loyal citizen, one who had belonged to the Imperial army for many years and had fought and bled for his country. Seemingly from what Mr. Mc-Innes stated, one woman had fright ened the hon, member and his con-

After observations from Messrs, Laurier, Sutherland, McCleary and Lount the matter dropped. Mr. McMullen resumed the debate on the budget. He said if the Opposttion did not understand the tariff certainly the people of the country did. as was shown by the bye-elections yesterday. Mr. Chami-r.a'n also apparently understood it, for he had expressed his approval of it. He proceeded to compare the Mackenzie and Fielding tariffs to show that as a rule duties would be lower under the latter than under the former. The Liberal tariff was diametrically opposed to protection. They did not propose

to wear the flithy rags of protec-The slogan cry of the Liberal party was "Death to monopoly." He carefully analyzed the new tariff, and claimed that the Liberals had fulfilled their pledges to the country. Canada was now entering on a Dr. Sproule after recess made strong attack on the tariff as regards Liberals with having gone back on the Greek flank and opened a deadly

with his former cry of death to pro- greatest difficulty their officers rallied tection. The reciprocal tariff was very objectionable. He believed the Government had no right to enforce it, as it was a violation of British treaties. The violation of a treaty was the next | them. Two horses were shot under him even supposing the tariff was en- and he was twice wounded, but he forced, it would be giving Great Brihear.l Canada's duty was to look af- and five privates rushed upon the ter her own interests first. This reciprocal clause, moreover, would involve a loss in revenue of three millions a year. He would like to know | Another private, when the Greeks fied,

up that deficiency. Mr. Richardson followed, and immediately embalmed Kipling's new poem on Hansard. Then he discussed the tariff from a Manitoba standpoint, and put out the disabilities under which that province labored by way of customs tariff and freight rates. He mentioned that fruit was seldom seen on the table of a farmer. The cost of order. lumber was such as to compel rettlers to live in poor houses and it checked mixed farmers, because the settlers could not afford to ercet barns for housing stock. Coal, coal oil and agricultural implements were also high that the agricultural industry was en- at Prevesa and so cutting off our estitled to every consideration at the hands of the dove nment. Mr. Kloepfer called atmention to the Liberal changes on tariff matters since 1891. Now their tariff amounted to putting another man's hat on their own heads. He went carefully over the tariff schedules, and showed how

in those items that ha licen changed the Government had practically destroyed the industries affected. As a Canadian he believed in protecting Canadian interests first, so that our workingmen could earn a living. Personally he was an out and out protectionist. He believed in giving the home market to the farmers. Referin which he (Kloepfer) was interested, he said the reduction in luty in 1894 had had a most disastrous effect on the industry. Many American machines came in and a manufacturer at Guelph hadt o quit the business. Mr. Wood (Hamilton): He did that

Mr. Kloepfer: You don't know anything about it. [Laughter.] Continuing, he said a plant which cost \$350,000 would not sell for \$50,000. Certainly Mr. Wood would be the last man to buy it at that figure. [Laughter,l In conclusion, he expressed himself as opposed to the tariff proposals. Mr. Douglas moved the adjournment front of Pentepigadia. of the debate.

RED RIVER FLOOD.

No Danger at Winnipeg and Signs of Recession at Emerson and Morris-

The Bye-Elections, Winnipeg, April 28 .- (Special.)-The water of the Red River at Winnipeg has now been stationary for two days, and to-night shows a tendency, to fall. There is no further anxlety of a flood. At Morris the water is stationary, and at Emerson and other points is receding. At Morris and Emerson, where the flood was the worst, there will be serious loss, but the floodbound settlers have suffered a good deal The majority for Jameson, the Govern-

ment candidate, in Winnipeg, is 1107. Mr. Taylor, the independent candidate, saved his deposit by 50 votes. Mr. Jameson leaves for Ottawa on Saturnext week by Mr. Sifton. Mr. Rutherford may be delayed a week or so. Discussing the bye-elections in Manitob The Tribune says : "Mgr. Mery Del Val will take note of the fact that Manitoba regards the school question as so settled that the champions of Archbishop Langevin's cause did not even seriously think

of placing any opposition in the held to Matthew Cranswick, a Respected and Well-

to-Do Resident of Peel County, Killed on the Railway. Brampton, May 2 .- (Special.)-Mr. Matthew Cranswick, a well-to-do and highly respected farmer, was killed within a miles east of this town, last eventing, was most unfortunate then in the about 8.10 o'clock. Deceased left Brampton to walk home, taking the G.T.R. track. He was overtaken by the "roustapelting rain, it was evident that he did not hear the whistle and bell, and he was hurled from the track, and, it is supposed, killed instantly. His left foot was taken off above the ankle, and there were two Coroner Heggie will hold an inquest at a there, where she sold good whiskey, leaves a family of grown-up sons and similar fate while walking on the track to their homes, and each of the sad oc-

The Greek Army in Epirus

London, April 28 .-- A despatch to The

day evening, says: great reverse in Epirus, and the situation has changed with startling suddenness. When I last telegraphed the Turks were in full and disorderly retreat towards Janina and the Greeks were joyously advancing. For some unaccountable reason the absurdly inadequate force of only 1000 men was detached from Filliplada to seize Pentepighadia. On entering Pentepi sion which followed 3000 Turkish in-

the cry was raised, nobody knows how, that the Turkish cavalry was advancing. In the darkness it was im-"A second Greek force of infantry, possible to distinguish friend from cavalry and field artillery, advancing foe. The first fugitives from the front by another road, arrived an hour too arrived at Larissa about 1 a.m., when late. This also retreated in great diseverybody was in bed. The news spread like wildfire and soon the whole

town was in movement, everybody packing his goods and chattels, and preparing to flee from the doomed city, which, once delivered into their hands. would speedily be sacked by the bloodin price. He hope there would be a on the hypothesis that there was a thirsty Bashi Bazouka cape. The Greeks have suffered a reverse, but Greek honor is not lost"
