A magnificent three-seated Platform Spring Carriage was shipped last week from Kylie's Carriage Works to Mr. Patridge, to run from Emsdale to Scotia, in Parry Sound District, and Mr. Patridge writes that he is delighted with it. Mr. Kylie has received three more orders from the same section for Carriages.

He has orders from C. Algier for stage to run between Cambray and Lindsay, and handsome Butcher Wagon for one of our local men; also orders from Mr. E. Ferguson, of Saintfield; Mr. Gray, of Minden; Mr. Brokenshire, of Rosedale; Mr. Ferguson of Cameron; Mr. McLeod and Mr. McKinnon, of Woodville, for handsome Carriages.

The most complete Bread Wagon ever built is in course of construction for our enterprising citizen, Mr. G. E. Martin. This will be a beauty. Mr. Kylie has also an order from a prominent citizen of Lindsay for an Eldorado Trap—the first of the kind ever built in Canada. This will be a beautiful Carriage, on which will be used the celebrated Richard's Long Distance Axle. This Carriage will be out about June 1st. All lumber used in the manufacture of the above rigs is out of good tough butts, as above represented.
