F. W WILSON G. H. WILSON. LINDSAY TOWN COUNCIL.

PRIATIONS-MINOR MATTERS.

The town fathers met in regular session Monday evening in the council chamber, all the members being present. Mayor Ray occupied the chair. In the absence of Mr. Fred Knowlson, town clerk, Mr. J. B. Knowlson acted in that capacity. The minutes of the two former meetings

were read and on motion were confirmed. COMMUNICATIONS.

From Sylvester Bros., making an offer of \$25 for corporation road machine..... Mayor Ray stated that he would like to day. know the name of the person who had Mayor Ray enquired if they meant the told Mr. Sylvester the machine was for amount to be given as a guarantee.

From Chief Bell, reporting \$35 22 as the amount of fines imposed and collected in plus they would want the grant, May, less \$7 paid by imprisonment, -Refer-

red to the police committee. REPORT OF THE FINANCE COMMITTEE. Coun. HEAD, chairman, read the report, which recommended a number of tax abatements asked for by the collector. The following accounts were approved: Consumers' Gas Co., on contract, \$10.08: J. C. Harstone, calculating interest table on railway bill, \$5; Thos. Connolly, refund of taxes, 16,53; Sadler, Dundas & Co., cedar, \$21.75. The committee also asked that the clerk be instructed to ascertain the name and address of each stockholder of the Lindsay Waterworks Co., and that the town solicitor be authorized to take the necessary steps to ascertain the cost price of the plant belonging to the Lindsay Waterworks Co.

Coun. MALLON objected to the item of \$5 to Mr. Harstone. We had a town solicitor and he thought he should have done the work.

Mayor Ray said the solicitor would have charged considerably more than \$5. The calculating had to be done by an expert. By lowering the interest from 41 to 4 per cent. a sum of \$5,000 would be eventually saved if the scheme went ahead, and he Parties ticketing from other points should arrange to arrive at Toronto in time to connect thought Coun, Mallon should not begrudge paying \$5.

The Winnipeg Exhibition will be held from July 15 to 22, inclusive, and persons leaving on July 11 will be in splendid time for this event. The report was n motion adopted. REPORT OF THE STREET AND BRIDGE COM-

Coun. Mallon again returned to the charge, and after wasting ten minutes more of the council's time moved an amendment to the effect that \$500 be added to the amount proposed to be expended, in the proportion of \$200 to the north ward, \$200 to the south ward, and \$100 to the east ward. He explained that he wanted to see good reads and good sidewalks. Mayor Ray ruthlessly ruled the amend-

ment out of order, as it did not particularize the work to be done, and the east ward representative dropped into his seat with a snort of indignation. The report was then adopted with the

several amendments made thereto. AGAIN IN HARNESS. Messrs. Walters and Kylie moved that
