DASHES HERE AND THERE.

Fish! Fish! Fish!

Sea Salmon, White Fish, Trout, Maskinonge and Bass at SOANES' Fish Market.—62.

Excursion Notes.

—Remember the Y. M. C. A. excursion and picnic to Chemong Park on Wednesday, June 28th.

—A moonlight excursion under the auspices of the True Blue lodge ran to the Point Tuesday evening.

—The Young People's Society of Christian Endeavor in connection with the Cambridge-st. Methodist church will hold a moonlight excursion upon the river course to-night (Friday.) A good time is expected. The Alice-Ethel will convey the excursionists.

—The Young People's Society of St. Andrew's congregation and friends, to the number of 150, enjoyed a delightful sail to Fenelon Falls Tuesday evening on the Alice Ethel. Several musical instruments on board in the hands of skilful players lent an additional charm to the outing. The boat landed at Greene's mill, about a mile from the village, and a number of the young people tramped it into the village and raided the ice cream and soda water parlors.

—The annual Verulam and Fenelon farmers' excursion took place Saturday last to Jacob's Island, and was even a greater success than last year. The Alice-Ethel called at the various landings between Sturgeon Point and Bobcaygeon, and at the latter place such numbers awaited her that the palace barge Paloma, of the T. V. N. fleet was engaged in addition to the barge Lindsay. The crowd numbered fully 1,100 people, and to say that the hard-worked husbandmen, with their wives, sons and daughters enjoyed their outing hugely, is stating a bald-headed fact.

—The Collegiate institute excursion Saturday last to Jacob's Island, Pigeon lake, was, like everything undertaken by the staff of that educational institution, a gratifying success. The Crandella made fast time, the day was clear and warm, but a pleasant breeze tempered the sun's rays, and the beautiful scenery en route was a revelation to those who had not previously made the trip. The party returned at an early hour, nothing having occurred to mar the enjoyment of the day except the leaving behind in Bobcaygeon on the down trip of several couples who had wandered far afield while the boat was being locked through and did not hear the warning signal for departure

—Mrs. J. Bott of Midland is the guest of Mrs. W. McCarty, Sussex-st.

—Mr. John Mathieson, merchant tailor, Cannington, was in town last week.

—Miss Tait of Huron, S. D., is visiting her sister, Mrs. W. H. Gross, Russell-st.

—Miss Taylor returned from Toronto on Saturday evening last, very much improved in health.

—Mr. John F. Cunnings of Oakwood has been at Ottawa the greater part of the week attending the great reform convention.

—Miss Rogers, daughter of Rev. Mr. Rogers, left for Chicago this week to visit her sister, who is on the public school staff.

—Mrs. W. Campbell and family of Dallas, Texas, returned to their home last week after a two weeks' visit with relatives in this country.

—Mr. Jas. McNeillie, jr., of the G. T. R. shops, Montreal, is spending his holidays with his parents, Mr. and Mrs. J. R. McNeillie of the north ward.

—Toronto World: W. A. Sherwood has gone to Chicago to attend the artists' convention at the Columbian exhibition..... Mrs. Grantham and Miss Shanklin are paying a visit in Brooklyn.

—Mr. John Gillies, of the "Glen," Mariposa was in town on Saturday last. Although over 100 years of age, Mr. Gillies is able to go about in a way that would make some men of half his years feel jealous.

—Miss Kate Duffus, who has been in Perth some months visiting her brother, Rev. Father Duffus, spent last week and a portion of this in town with friends. She left Tuesday to join the other members of the family in Rochester.

—Mr. Hugh McGillis, who left this section about fifteen years ago for the Pennsylvania oil fields, spent the last couple of weeks looking up old friends in town and country. Like the majority of Canadians who go to the states, Mr. McGillis has prospered.

—Mr. and Mrs. Wm. Flavelle arrived home from a visit to the great Chicago fair Friday. Mr. Flavelle states that it is a wonderful aggregation of interesting sights, and that no one should be deterred from going by stories of extortionate charges, which have no foundation.

—In our mention of successful competitors at the recent Toronto University examinations, we omitted the name of Miss Perrin, daughter of our esteemed citizen, Mr. S. Perrin. Miss Perrin was one of the Lindsay contestants in the first year, securing honors in English, French, German and Italian. We congratulate the young lady on her success.

—Minden Echo: Mr. J. McDonald, foreman in the Victoria Warder office, Lindsay, made the Echo a friendly call on Monday week. He visited Minden under very distressing circumstances, having come to attend the obsequies of his cousin, Mr. J. Rogers of Anson, whose funeral took place on Sunday week last..... Dr. Broad of Lindsay, veterinary surgeon, visited Minden Wednesday on professional business.

—Mr. Fred Heap, M. A., who has for the past two years ably filled the position of classical master in the Peterboro Collegiate institute, will leave in a few days for Winnipeg. Mr. Heap has retired from the profession of teaching and has decided to enter upon the study of law. Next month he will enter the well-known law office of Messrs. McDonald, Tupper & Co., in the Prairie City. Fred's many friends in Peterborough and Lindsay will wish him as brilliant a career in his legal pursuits as that which has characterized his duties as a teacher. —[Examiner.

—A meeting of the Central charity committee will be held on Thursday, June 29th, at 4.15 p. m., in the Mechanics' institute.

—A number of farmers in this section have already commenced to cut their hay, and report the crop much better than the average.

—The pupils of s. s. No. 9, Ops, will hold their annual picnic in David Rea's grove, south of Ops church, on Tuesday afternoon, 27th inst.

—Mr G. E. Martin's flour mill is again in running order, the recent shut-down having been caused by the cracking of the cylinder.—63-3.

—The young ladie's sewing society of St. Paul's church will hold a garden party and sale of fancy work at the residence of Mr. Wm. Grace on Tuesday evening, June 27th.

—Dr. E. S. Wilson has placed a telephone in his office for the convenience of his many patients, who will thereby be saved many fatiguing walks in this sultry weather.

—A large number from Lindsay took advantage of the Oddfellow's excursion to Muskoka on Wednesday, and report having spent a particularly pleasant time, the day being all that could be desired.

—Mr. E. S. Neill, the Lindsay Shoe King, has purchased Mr. Perkins' stock of foot-wear at a rate on the dollar, and will give pronounced bargains in the same premises until this stock is disposed of. See advt.

—It will be well for those owning property on which there are growing any noxious weeds to remember that they are liable to a very heavy fine if neglecting to destroy them before they are permitted to go to seed.

—A large number of our citizens have gone extensively into boulevarding of late. We would encourage this particular industry, and hope that many others will follow the example and thus add to the beauty of the town.

—Mr. P. B. McIlhargey shipped a mixed carload of stock to the Montreal market Monday. While loading up a sheep broke away and has not yet been recovered. Any person noticing the stranger among their flocks will confer a favor by notifying Mr. McIlhargey.

—The score of 815 points made by our marksmen in the military rifle league series was only beaten by two teams in the Dominion—the 7th Fusiliers, London, 835, and the 2nd team of the 13th battalion, Hamilton, 838. Over 100 teams competed. 'Rah for Lindsay.

—Messrs. Duddas & Flavelle Bros. and G. W. Beall have torn down their verandahs and replaced them with handsome awnings. There are only a few of them left—we mean the ugly shed over the front doors of our merchants, but there are more than enough to disfigure our fine street.

—The monthly meeting of the Church of England temperance society will be held in St. Paul's school room on Monday evening, the 26th inst., at 8 o'clock. A good programme of readings and singing will be rendered, and the Rev. Prof. Symonds of Ashburnham will deliver an address. All are cordially invited.

—Mr. Thos. Bick of Bobcaygeon has been appointed general agent for the counties of Peterborough, Victoria, Durham, Northumberland and Hastings for the London & Lancashire Assurance Co. Mr. Bick is one of the most successful agents in this section and is evidently giving his company the best of satisfaction, judging from the confidence they have shown in him by increasing his territory.

—The annua anniversary of Valentia Sabbath school is announced for Sunday and Monday, July 2nd and 3rd, in Mr. Ammon Mark's grove. Rev. John Webster of Oakwood will preach the anniversary sermon on Sabbath at 2 30; on Monday a platform meeting will be held, when addresses will be delivered by a number of rev. gentlemen, in addition to recitations, singing, etc., by the children. Tea served from 4 to 6.

—Mr. D. R. Coleman, teacher at the Ontario mute institute, Belleville, arrived in town on Wednesday with ten pupils from the institute. He was seeing them safely home to their parents for the holidays. The destinations of the party were as follows:—Lindsay, 2; Bobcaygeon, 4; Fenelon Falls, 1; Coboconk, 1; Kinmount, 1; and Orillia, 1. All of them are bright, interesting young people, who are being taught useful trades.

—Hamilton Times of Saturday last: "Yesterday morning John Wilkinson, a comfortable-looking Highlander, who lives in Mariposa township, arrived in the city, and after securing a few drinks started out to see the sights. As he went around he met several young men who appeared delighted to meet him and also to drink the liquor which he purchased. They left him about 8 p. m., and an hour later he had discovered that he had been robbed of a gold and a silver watch and $15 in cash. He reported the theft to the police..... The festive John hails from the vicinity of Sonya, we understand.

—We have just been shown the Oddfellows' jewel recently presented to Bro. John Comstock on his departure from town. It consists of a double bar clasp trimmed with scarlet and purple ribbon, the colors of the highest degrees of Lodge and Encampment. In the centre of the lower bar is the all-seeing eye set with a diamond. Pendant from this bar is a five-pointed star, with the motto "Friendship, Love, Truth," in scarlet and enamelled band, which latter encircles a hand clasping a ruby heart. From the star is suspended the Encampment triangle, with the tent in purple enamel. The jewel was supplied by Messrs. Britain Bros, and is a credit to their establishment.

—The Port Perry Standard, speaking of the C. L. A. excursion from this town to that village last week, makes the following complimentary remarks: "The Alice-Ethel and palace scow from Lindsay landed at our wharf on Wednesday of this week with the largest excursion party that has visited our town since navigation opened this season; the party numbered about 400. The excursion was under the auspices of the R. C. literary society of Lindsay, and the excursionists were of the right sort, they know how to enjoy themselves when on a pleasure trip and they had a thoroughly enjoyable time. They remained in town about three hours, and on their departure a large number of our towns people escorted them to the boat. One would go a long way to meet a finer lot of young people."

—We understand a certain young clerk of our town took upon himself the feat of walking from Omemee to Lindsay recently. No doubt, when occasion affords, he will be "ready" to try it again..... Several young men, near neighbors of the former, extracted considerable amusement out of the circumstance, but the usual fate of the mocker overtook them on the occasion of the moonlight excursion to the Falls Tuesday evening; they walked to Green's wharf only to find the boat had gone, and were compelled to double on their tracks and tramp it back to the Point, in all about nine miles, in order to catch the Crandella on her homeward trip. The shoe is on the other foot now, and considerable "chuckling" is the consequence. However, it is but "fair."

Railway Notes.

—The general agents of the U. S. trunk lines met in New York Tuesday and decided to recommend a special rate of one fare to Chicago and return on special World's fair excursion trains.

—A rumor has been in circulation for some days to the effect that a syndicate of American capitalists, including George Gould and Russell Sage, are about to secure a controlling interest in the Grand Trunk railway. The G. T. R. authorities deny it, but it is considered a significant circumstance that G. T. R. stock are rising in value.

—The timber for the new bridge on the Missing Link branch of the G. T. R. is rapidly arriving, and is being prepared. The finest of the timber has been purchased in South America, is of extraordinary length, and is almost entirely free from knots. It is understood that the Missing Link branch will be closed on Monday next until the new trestle is ready for the accommodation of trains.

—The illness of Rev. Mr. Snowden, Methodist minister at Bobcaygeon, has, we are pleased to be able to state, taken a turn for the better, and his friends hope to hear of his being able to resume his pastoral duties shortly.

—Dr. P. Palmer Burrows, who is a member of the Ontario Medical Association, left Tuesday for Toronto to attend the annual meeting of that body on Wednesday and Thursday. He read a very interesting paper that excited considerable discussion and threw new light upon the subject treated.

Local Brevities.

—Ice Cream always on hand at Soane's, next door to THE POST.—57-tf.

—Mr. Thos. McConnell of the Royal hotel is having the front of his fine block painted blue with red trimmings. The effect is pronounced yet not incongruous, and is thoroughly in keeping with his patriotic proclivities.

—Owing to the demands made upon our advertising space we are unable to give the council proceedings this week. No business of particular interest was transacted—in fact the proceedings would have been very tame had not Coun. Mallon come to the rescue on divers occasions.

—Those of our readers who purpose visiting the World's fair at Chicago will find the Garfield hotel which is situated at 5,800 to 5,830 Stoney Island ave., (very convenient to the grounds) to be one of the most comfotable hotels in the city. It is kept by Mr. V. Bowerman, an old Canadian.

—Dr. W. L. Herriman has returned from his trip to Manitoulin. The Dr. reports the island in a flourishing condition, and that the farmers are turning their attention to sheep raising. One party has purchased 3,600 acres of grazing land at the nominal price of 10cts. an acre, and is having it fitted up as a ranch.

—The fishing season opened auspiciously for Mr. J. C. Hardstone, principal of the Collegiate institute, who has a cottage at Sandy Point. He and Mr. Robt Ellis went out trolling Saturday morning and landed a 20-pounder, in addition to several others of fair size. It was their intention to have the huge head prepared, but the hooks had caught so firmly that they had to be cut out.

—Our readers will remember our report of the sad drowning accident which occured at Manitoulin Island last fall, when a yacht Messrs. H. R. Herriman, Wm. Hillson and A. Cadotte, capsized, and Mr. Cadotte undertook to swim ashore but lost his life in the vain attempt. Every effort was made last season to recover the body, but without success. Advice from Mr. H. R. Herriman, received on Wednesday, states that some Indians found the body floating about three miles from where the accident occurred. The body was very much decomposed, and was only held together by the clothing, in the pockets of which was found over $34 in cash, a registered letter receipt, etc. The funeral took place at Little Current.

—On Dominion Day the Crandella will run an excursion to Sturgeon Point, leaving Lindsay at 9.30 a. m. and returning in time for the grand display of fireworks. At the Point a good program of games will be carried out under the auspices of a committee chosen from the excursionists for valuable prizes, among which are a gold watch, silver cup, silver napkin ring, silver castor, silver teaspoons, pickle cruet, ruby water set, shaving mug, cups and saucers and other useful and valuable articles. The sports will include canoe races, swimming races, foot races for ladies, gentlemen and boys, jumping, hop, step and jump, high jump, vaulting with pole, sack race, tug of war, etc. Return tickets 15 cents..... Upon the above date commences a series of cheap trips to the Point on Saturdays and Wednesdays.—63-1.

—The trip to Muskoka on Wednesday under the auspices of Beaverton lodge, I. O. O. F., was a most decided success in every particular. Being a real perfect day over 700 hundred people participated in the delightful scenery which the beautiful lakes afforded. The run was made from Lindsay to Muskoka wharf in about three hours where the two fine steamships, the Kenosh and Nippissing, were waiting to carry the passengers to Windimere, a beautiful summer resort about ten miles up the lakes. The Beaverton band, which deserve great credit for their highly appreciated selections, discoursed sweet music, which, as it was re-echoed from the lake shores, gave a most enchanting melody of sweetest sounds. After spending a very pleasant time at Windimere the return home was made, everybody admitting it to be one of the finest trips of the season.
